Confessions In Art:

The Art of Confession Christopher Grobe, 2017-11-07 The Art of Confession tells the history of this cultural shift and of the movement it created in American art confessionalism Like realism or romanticism confessionalism began in one art form but soon pervaded them all poetry and comedy in the 1950s and 60s performance art in the 70s theater in the 80s television in the 90s and online video and social media in the 2000s Everywhere confessionalism went it stood against autobiography the art of the closed book Instead of just publishing these artists performed with around and against the text of their lives

Out of this Century Peggy Guggenheim, 1979 Autobiography of Peggy Guggenheim gives an inside look at the bourgeois and eccentric Guggenheim family Recounts her relationships with artists and writers such as Laurence Vail Max Ernst Jackson Pollock and Samuel Beckett her promotion of Abstract Expressionists via her New York art gallery and her influence on the art world

The Romantic Art of Confession Susan M. Levin, 1998 The Romantic Art of Confession is about works specifically entitled confessions written during the Romantic period in Britain and France Reading these similarly conceived texts together illuminates uniquely the Romantic art of confession as it illuminates the written craft of self recollection and definition

Encyclopedia of Identity Ronald L. Jackson, Michael A. Hogg, 2010-06-29 Alphabetically arranged entries offer a comprehensive overview of the definitions politics manifestations concepts and ideas related to identity

Artist confessions Angela Gegg, 2009 **Confessions of an Art Addict** Peggy Guggenheim, 2024-05-21 A candid intimate self portrait by the legendary collector patron of the arts and globe trotting socialite In this colorful memoir Peggy Guggenheim provides an insider's view of the early days of modern art with revealing accounts of her eccentric wealthy family her personal and professional relationships and often surprising portrayals of the artists themselves Guggenheim was born into affluence and a lavish lifestyle But bored with her life in New York she headed for Europe in 1921 where she would sow the seeds for a future as one of modern art's most important and influential figures In the midst of Europe's avant garde circles she reveled in her love affairs with prominent artists and also became a serious collector Her Guggenheim Jeune gallery in London brought figures such as Brancusi Cocteau Kandinsky and Arp to the forefront of the art scene Later her New York gallery would launch the careers of Jackson Pollock and Robert Motherwell among others In her own inimitable and bawdy style Peggy Guggenheim gives us a behind the scenes glimpse into the modern art world with intimate often surprising portrayals of its most significant players Candid clever and always entertaining here is a memoir that captures a valuable chapter in the history of modern art as well as the spirit of one of its greatest advocates It is clear Miss Guggenheim is that mellow combination of a shrewd collector and a true art lover and her book is an interesting record of the art movement of the 20s and 30s Publishers Weekly

Confessional Video Art and Subjectivity Jaye Early, 2025-01-23 This is the first book of its kind to examine the development of the confessional subject in video art and demonstrate how it can provide a vital platform for navigating the politics of self subjectivity and resistance in society In doing so it reframes video art the most

ubiquitous and yet most understudied art form of recent decades as an urgent socio political tool that is increasingly popular among contemporary artists as a means of exploring a broad range of social issues from politics and identity to the body and technologies of self representation Analysing a diverse selection of case studies from the 1960s up to the present day covering the work of Yoko Ono Gillian Wearing Ryan Trecartin Tracey Emin Anatasia Klose and Heath Franco among others the book brings together theory and practice to look afresh at contemporary video art through a Foucauldian lens It also brings the analysis of video art up to date by showing how social media and digital self representation has informed and further politicized time based art practices **Confessional Video Art and Subjectivity** shows how forms of confessional discourse not only play an important function in the construction of subjectivity but also open spaces for personal resistance and agency within contemporary video art As a result it offers researchers of contemporary art practice and media and cultural studies an updated framework through which to view this constantly evolving genre and a deeper understanding of wider contemporary video practices
