

ALLIANCE POLITICS

Glenn H. Snyder

Alliance Politics Cornell Studies In Security Affairs

Christopher Darnton

Alliance Politics Cornell Studies In Security Affairs:

Alliance Politics Glenn Herald Snyder, 1997 Using cases from 1879 to 1914 to illustrate a theory of alliance formation and management in a multipolar international system he focuses on Austria Germany Austria Germany Russia and France Russia and examines twenty two episodes of intra alliance bargaining Becoming Rivals Brandon Valeriano, 2013 Rivalries are a fundamental aspect of all international interactions The concept of rivalry suggests that historic animosity may be the most fundamental variable in explaining and understanding why states commit international violence against each other By understanding the historic factors behind the emergence of rivalry the strategies employed by states to deal with potential threats and the issues endemic to enemies this book seeks to understand and predict why states become rivals The recent increase in the quantitative study of rivalry has largely identified who the rivals are but not how they form and escalate Questions about the escalation of rivalry are important if we are to understand the nature of conflictual interactions This book addresses an important research gap in the field by directly tackling the question of rivalry formation In addition to making new contributions to the literature this book will summarize a cohesive model of how all interstate rivalries form by using both quantitative and qualitative methods and sources *The Quest for Security* Jesse Tumblin, 2019-10-31 Colonial hierarchy and race fueled rapid militarization in the British Empire that shaped the violent course of the twentieth century This innovative study reveals the colonial backstory of a century that witnessed total war resulting in new political norms that enthrone national security as the dominating feature of contemporary politics Rethinking Security in East Asia J. J. Suh, Peter J. Katzenstein, Allen Carlson, 2004 Is East Asia heading towards war This text makes a case for a new theoretical approach called analytical eclecticism by the authors to the study of Asian security *The Burden-Sharing Dilemma* Brian D. Blankenship, 2023-11-15 The Burden Sharing Dilemma examines the conditions under which the United States is willing and able to pressure its allies to assume more responsibility for their own defense The United States has a mixed track record of encouraging allied burden sharing while it has succeeded or failed in some cases it has declined to do so at all in others This variation Brian D Blankenship argues is because the United States tailors its burden sharing pressure in accordance with two competing priorities conserving its own resources and preserving influence in its alliances Although burden sharing enables great power patrons like the United States to lower alliance costs it also empowers allies to resist patron influence Blankenship identifies three factors that determine the severity of this burden sharing dilemma and how it is managed the latent military power of allies the shared external threat environment and the level of a patron s resource constraints Through case studies of US alliances formed during the Cold War he shows that a patron can mitigate the dilemma by combining assurances of protection with threats of abandonment and by exercising discretion in its burden sharing pressure Blankenship s findings dismantle assumptions that burden sharing is always desirable but difficult to obtain Patrons as the book reveals can in fact be reluctant to seek burden sharing and attempts to pass defense costs to allies can often be

successful At a time when skepticism of alliance benefits remains high and global power shifts threaten longstanding pacts The Burden Sharing Dilemma recalls and reconceives the value of burden sharing and alliances Rivalry and Alliance Politics in Cold War Latin America Christopher Darnton,2014-06-30 The success or failure of foreign policy initiatives in Latin America is heavily influenced by bureaucratic and military background players Rivalry and Alliance Politics in Cold War Latin America Christopher Darnton s comparative study of the nature of conflict between Latin American states during the Cold War provides a counterintuitive and shrewd explanation of why diplomacy does or doesn t work Specifically he develops a theory that shows how the parochial interests of state bureaucracies can overwhelm national leaders foreign policy initiatives and complicate regional alliances His thorough evaluation of several twentieth century Latin American conflicts covers the gamut of diplomatic disputes from border clashes to economic provocations to regional power struggles Darnton examines the domestic political and economic conditions that contribute either to rivalry continued conflict or rapprochement diplomatic reconciliation while assessing the impact of U S foreign policy Detailed case studies provide not only a robust test of the theory but also a fascinating tour of Latin American history and Cold War politics including a multilayered examination of Argentine Brazilian strategic competition and presidential summits over four decades three rivalries in Central America following Cuba s 1959 revolution and how the 1980s debt crisis entangled the diplomatic affairs of several Andean countries These questions about international rivalry and rapprochement are of particular interest to security studies and international relations scholars as they seek to understand what defuses regional conflicts creates stronger incentives for improving diplomatic ties between states and builds effective alliances The analysis also bears fruit for contemporary studies of counterterrorism in its critique of parallels between the Cold War and the Global War on Terror its examination of failed rapprochement efforts between Algeria and Morocco and its assessment of obstacles to U S coalition building efforts

Secret Alliances Matthew Millard,2025-07-15 This topical book explores key motivating factors in the formation and dissolution of secret alliances between states Matthew Millard examines the role of a variety of different factors in the formation endurance and termination of secret alliances analyzing key case studies across Africa Asia and Europe that showcase the consequences of broken secret alliances Using historical examples and quantitative data Millard discusses why states refrain from institutionalizing their covert alliances evaluating whether these are more or less enduring than public ones The Weaker Voice and the Evolution of Asymmetric Alliances Andrea Leva,2023-10-24 Military alliances are a constant feature in international politics and a better understanding of them can directly impact world affairs This book examines why alliances endure or collapse As a distinctive feature it analyses asymmetric alliances focusing on the junior allies decision to continue or terminate a military agreement It deepens our knowledge of alliance cohesion and erosion investigating the relevance of the weaker side s preferences and behavior in alliance politics The author examines the literature on alliance persistence and termination and puts forward a theoretical model that helps interpret historical and

contemporary cases in a way that is useful for expert researchers and non expert readers alike **Coalition Politics and the Iraq War** Daniel F. Baltrusaitis, 2010 Why do states join ad hoc military coalitions What motivated South Korea to contribute significantly to the Iraq War coalition of the willing while such steadfast allies as Turkey and Germany resisted US pressure to become burden sharing partners Drawing on his extensive examination of South Korean German and Turkish politics in the approach to and during the Iraq War Daniel Baltrusaitis offers an in depth analysis of how domestic political dynamics critically influence a state s level of material and diplomatic support to coalitions of choice **Coping with Caveats in Coalition Warfare** Gunnar Fermann, 2018-09-01 This book develops a framework for analysis and a set of research strategies to better understand the conditions and mechanisms involved in the considerable use of caveats by states contributing militarily to coalition operations In the professional language of military servicemen security analysts and decision makers caveats refers to the reservations on the use of force states put on their military contingents as a precondition to participate in particular multinational enforcement operations Such understood caveats are an instrument of statecraft and foreign policy However caveats also are a potential threat to the integrity and military effectiveness of the coalition force in question and further down the road an erosion on the fabric of security alliances This volume is ideal for audiences interested in military and defence studies security studies and coalition warfare **The Oxford Handbook of International Relations** Christian Reus-Smit, Duncan Snidal, 2010-07 This Oxford Handbook assembles the world s leading scholars in International Relations to present diverse perspectives about purposes questions theories and methods It will become the first point of reference for scholars and students interested in these key issues **Oxford Handbook of the International Relations of Asia** Saadia M. Pekkanen, John Ravenhill, Rosemary Foot, 2014 This Handbook examines the theory and practice of international relations in Asia Building on an investigation of how various theoretical approaches to international relations can elucidate Asia s empirical realities authors examine the foreign relations and policies of major countries or sets of countries **Normalizing Japan** Andrew L. Oros, 2008 This book seeks to answer the question of what future direction Japans military policies are likely to take by considering how policy has evolved since World War II and what factors shaped this evolution Andrew Oros argues that Japanese security policy has not changed as much in recent years as many believe and that future change also will be highly constrained by Japans long standing security identity the central principle guiding Japanese policy over the past half century **NATO-Russia Relations Under Putin** Matthias Conrad, 2011 **Alliance Decision-Making in the South China Sea** Joseph A. Gagliano, 2019-03-04 The combination of rising Chinese power and longstanding territorial disputes has drawn increased attention and threats to the Asia Pacific region Five smaller powers contest Beijing s claims Malaysia the Philippines Vietnam Brunei and Indonesia with the United States viewed as the most likely counterbalance to coercive behavior towards them However only one of these five states the Philippines has maintained a guarantee of protection through alliance with the US What factors have influenced state

decisions to form security relationships with Washington and what does the evolution of these factors portend for future security relationships in the South China Sea Using research on U S policy preferences based on recently declassified material this book produces conclusions previously inaccessible beyond classified forums The author surveys recent alliance theory developments to examine relationships between claimant states and the US explores historical bilateral relations and considers the future of regional security relationships This book contributes to the fields of security studies foreign policy and international relations and expands beyond traditional concepts of defense alliances to explore security cooperation along a spectrum from allied to aligned to non aligned

The Oxford Handbook of International Security Alexandra Gheciu,William Curti Wohlforth,2018 This Oxford Handbook is the definitive volume on the state of international security and the academic field of security studies It provides a tour of the most innovative and exciting news areas of research as well as major developments in established lines of inquiry It presents a comprehensive portrait of an exciting field with a distinctively forward looking theme focusing on the question what does it mean to think about the future of international security The key assumption underpinning this volume is that all scholarly claims about international security both normative and positive have implications for the future By examining international security to extract implications for the future the volume provides clarity about the real meaning and practical implications for those involved in this field Yet contributions to this volume are not exclusively forecasts or prognostications and the volume reflects the fact that within the field of security studies there are diverse views on how to think about the future Readers will find in this volume some of the most influential mainstream positivist voices in the field of international security as well as some of the best known scholars representing various branches of critical thinking about security The topics covered in the Handbook range from conventional international security themes such as arms control alliances and Great Power politics to new security issues such as global health the roles of non state actors cyber security and the power of visual representations in international security The Oxford Handbooks of International Relations is a twelve volume set of reference books offering authoritative and innovative engagements with the principal sub fields of International Relations The series as a whole is under the General Editorship of Christian Reus Smith of the University of Queensland and Duncan Snidal of the University of Oxford with each volume edited by a distinguished pair of specialists in their respective fields The series both surveys the broad terrain of International Relations scholarship and reshapes it pushing each sub field in challenging new directions Following the example of the original Reus Smit and Snidal The Oxford Handbook of International Relations each volume is organized around a strong central thematic by a pair of scholars drawn from alternative perspectives reading its sub field in an entirely new way and pushing scholarship in challenging new directions

India-China Maritime Competition Rajesh Basrur,Anit Mukherjee,T.V. Paul,2019-05-03 This edited volume critically examines the concept of the security dilemma and applies it to India China maritime competition Though frequently employed in academic discussion and popular commentary on the Sino

Indian relationship the term has rarely been critically analysed The volume addresses the gap by examining whether the security dilemma is a useful concept in explaining the naval and foreign policy strategies of India and China China's Belt and Road Initiative and its expansive engagement in the Indian Ocean Region have resulted in India significantly scaling up investment in its navy adding ships naval aircraft and submarines This volume investigates how the rivalry is playing out in different sub regions of the Indian Ocean and the responses of other powers notably the United States and prominent Southeast Asian states Their reactions to the Sino Indian rivalry are an underexplored topic and the chapters in this book reveal how they selectively use that rivalry while trying to steer clear of making definite choices The book concludes with recommendations on mitigating the security dilemma This work will be of great interest to students of strategic studies international relations maritime security and Asian politics US-Indian Strategic Cooperation Into the 21st Century Sumit Ganguly, Andrew Scobell, Brian Shoup, 2007-01-24

In this edited book leading scholars and analysts trace the origins evolution and the current state of strategic cooperation between India and the United States the world's two largest democracies

Research Handbook on NATO Sebastian Mayer, 2023-07-01 This timely Research Handbook provides novel insights into the institutional complexities of the North Atlantic Treaty Organization NATO Through a defined focus on the post Cold War evolution of NATO it provides various theoretical perspectives on the Alliance and assesses wider research efforts within NATO studies **Strategic Choice and International Relations** David A. Lake, Robert Powell, 2020-05-05

The strategic choice approach has a long pedigree in international relations In an area often rent by competing methodologies editors David A Lake and Robert Powell take the best of accepted and contested knowledge among many theories With the contributors to this volume they offer a unifying perspective which begins with a simple insight students of international relations want to explain the choices actors make whether these actors be states parties ethnic groups companies leaders or individuals This synthesis offers three new benefits first the strategic interaction of actors is the unit of analysis rather than particular states or policies second these interactions are now usefully organized into analytic schemes on which conceptual experiments may be based and third a set of methodological bets is then made about the most productive ways to analyze the interactions Together these elements allow the pragmatic application of theories that may apply to a myriad of particular cases such as individuals protesting environmental degradation governments seeking to control nuclear weapons or the United Nations attempting to mobilize member states for international peacekeeping Besides the editors the six contributors to this book all distinguished scholars of international relations are Jeffrey A Frieden James D Morrow Ronald Rogowski Peter Gourevitch Miles Kahler and Arthur A Stein Their work is an invaluable introduction for scholars and students of international relations economists and government decision makers

Alliance Politics Cornell Studies In Security Affairs Introduction

Alliance Politics Cornell Studies In Security Affairs Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Alliance Politics Cornell Studies In Security Affairs Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Alliance Politics Cornell Studies In Security Affairs : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Alliance Politics Cornell Studies In Security Affairs : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Alliance Politics Cornell Studies In Security Affairs Offers a diverse range of free eBooks across various genres. Alliance Politics Cornell Studies In Security Affairs Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Alliance Politics Cornell Studies In Security Affairs Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Alliance Politics Cornell Studies In Security Affairs, especially related to Alliance Politics Cornell Studies In Security Affairs, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Alliance Politics Cornell Studies In Security Affairs, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Alliance Politics Cornell Studies In Security Affairs books or magazines might include. Look for these in online stores or libraries. Remember that while Alliance Politics Cornell Studies In Security Affairs, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Alliance Politics Cornell Studies In Security Affairs eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Alliance Politics Cornell Studies In Security Affairs full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Alliance Politics Cornell Studies In Security Affairs eBooks, including some popular titles.

FAQs About Alliance Politics Cornell Studies In Security Affairs Books

What is a Alliance Politics Cornell Studies In Security Affairs PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Alliance Politics Cornell Studies In Security Affairs PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Alliance Politics Cornell Studies In Security Affairs PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Alliance Politics Cornell Studies In Security Affairs PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Alliance Politics Cornell Studies In Security Affairs PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
