Heffernan, 2006-08-28 We've all had nightmares But what if you started to believe your scary dreams were somehow related to a series of grisly murders Ethnobotanist Gareth McKenna faces just such a dilemma In *Of Blood and Blackwater* he struggles to piece together nightmares he can't quite remember Dreams that leave him thinking of the years he spent living with an indigenous Amazon tribe When a curare laced dart recovered at one of the crime scenes matches the analytical fingerprint from a sample he collected years earlier in the Amazon Gareth finds himself the lone suspect His life begins to crumble as his name surfaces in the press With nowhere else to turn Gareth must do the unthinkable he must look beyond science and trust in the strange dreams that offer the only clues to the killers identity He travels back to the Amazon and deep in the rainforest makes a chilling discovery One that sends him racing home desperate to stop a brutal murderer intent on destroying his family **Alligator Chain and Lake Gentry Extreme Drawdown and Habitat Enhancement Project, Osceola County**, 1999 **In the Company of Manatees** Barbara Sleeper, 2000 This is the first illustrated book the present the natural history of these friendly gentle marine mammals and to make an impassioned plea for saving the manatee from imminent extinction Illustrated with over 175 full colour photographs it is published with the hope of deepening an appreciation of the manatees and the plight of these magnificent sea creatures which are the frequent victims of harassment poaching and violence from humans Only 3 000 manatees remain in the world today mostly off the coast of Florida *The Sea, Volume 3: the Earth Beneath the Sea; History* M. N. Hill, 1963-01-02 *Alligator Alley* Sherridean Abdeen, 2025-09-03 Ashley and her husband Dave stumble into a living nightmare in a forgotten town One night Ashley awakens from a chilling premonition and warns Dave of impending danger a warning he dismisses until a thunderous boom rattles their door Through the window Dave comes face to face with horror a creature with a man's face and an alligator's body lurking outside As terror grips them Ashley's instincts kick in She clasps a hand over Dave's mouth and whispers a desperate plan stay silent get dirt and cover ourselves Dave's heart pounds with dread as a second abomination emerges from the shadows even more grotesque than the first a twisted product of some unspeakable experiment Just when all seems lost the ghost of a little boy mysteriously appears and beckons them toward the old fireplace Clinging to hope Ashley and

Dave crawl into the hearth finding it filled with cold dirt They douse themselves with water and smear mud over their bodies masking their scent and blending into the darkness No sooner have they hidden than the door crashes open Two alligator like monster s slither and stomp into the house moving with an eerie mix of human cunning and primal instinct The creatures prowl and sniff for their prey but the couple remains deathly still holding each other under the dirt barely breathing The only sounds are the creatures hissing snarls and the thunder of Ashley s heartbeat in her ears Minutes drag on like hours until suddenly the old town clock begins to toll five ominous chimes echoing through the dawn As the clock strikes the seventh bell the monstrous hybrids recoil and vanish with the last chime as if daybreak itself banishes the evil Covered in mud but alive Ashley and Dave emerge trembling from their hiding place They flee that cursed house and race away in their car just as the first rays of sun cut through the morning mist Eventually they reach the safety of a nearby town where they frantically tell the local sheriff their unbelievable story To their surprise the sheriff and townsfolk already know this legend A weathered Do Not Enter sign on the outskirts of the ghost town had warned travelers and the sheriff explains that for centuries nearly 400 years people who strayed into that forsaken place have vanished without a trace Ashley and Dave are among the very few to survive an encounter with its inhuman terrors Shaken to the core they realize the responsibility that comes with survival The sheriff urges them to keep the town s location secret to protect others from curiosity or worse Ashley a writer known for chasing mysteries and alien phenomena finds herself agreeing to say nothing In a final solemn resolve born of trauma and mercy she and Dave vow silence Some truths they understand are too dangerous to share and their silence may be the only thing standing between innocent lives and the ancient horror that still lurks in that forgotten town **Blackwater** C.D.
