he soon learns that no one can be trusted. He is captured by former terrorists and held prisoner in the business town of Profit, a society based on the rampant greed of unbridled capitalism, autocratic government, and the new Christian religion called Morgan Gils. Morgan's struggles expose how greed, ego, and the selfish appetite for power have impacted the country, but his adventures also show the power love can have too. His modern love story ultimately restores freedom to America, but more importantly, restores its goodness.

*The Last Big Thing* David Moody, 2019-01-08 In the spirit of *THE TWILIGHT ZONE*, *BLACK MIRROR*, and *TALES FROM THE CRYPT*, cult author David Moody presents eleven disturbing science fiction horror thriller and suspense stories about life, death, and everything in between. What's the ultimate body modification? Are the people next door as perfect as they appear? How dead is dead? What's the true price of a clean start? What's the motive of the monster that's destroying your town? How are you going to spend the last three days before the end of the world? From the never-ending nightmare of domestic bliss to the search for the perfect body, from messed-up families to warring nations, from the last minutes before doomsday to the polluted shores of the post-apocalypse, *THE LAST BIG THING* shows how thin the line between the ordinary and extraordinary truly is. PRAISE FOR DAVID MOODY AND *THE LAST BIG THING* *THE LAST BIG THING* is a deeply impressive and highly accomplished set of short story horror fiction and firmly cements Moody's reputation as one of the masters of British horror writing. SCIFI AND FANTASY REVIEWER A head-spinning thrill ride, a cautionary tale about the most salient emotion of the 21st century, *HATER* will haunt you long after you read the last page. GUILLERMO DEL TORO director of *PAN'S LABYRINTH*, *THE SHAPE OF WATER* on *HATER* Moody is as imaginative as Barker, as compulsory as King, and as addictive as Palahniuk. SCREAM *THE HORROR MAGAZINE* Moody has the power to make the most mundane and ordinary characters interesting and believable and is reminiscent of Stephen King at his finest. SHADOWLOCKED British horror at its absolute best. STARBURST

*Pragmatics and Autolexical Grammar* Etsuyo Yuasa, Tista Bagchi, Katharine P. Beals, 2011 This book presents papers in honor of Jerry Sadock's rich legacy in pragmatics and Autolexical Grammar. Highlights of the pragmatics section include Larry Horn on almost-barely and assertoric inertia, William Lycan on Sadock's resolution of the Performadox with truth<sub>1</sub> and truth<sub>2</sub>, and Jay Atlas on Moore's Paradox and the truth value of propositions of belief. Highlights of the Autolexical Grammar section include Fritz Newmeyer's comparison of the minimalist autolexical and transformational treatments of English nominals, Barbara Abbott's extension of Sadock's PRO-less syntax to a PRO-less semantics of the infinitival complements of know-how, and Haj Ross's syntactic connections between semantically related English pseudoclefts. Encompassing a range of languages: Aleut, Bangla, Greenlandic, Japanese, and a home-based sign language, and extending into psycholinguistics, language acquisition, sentence processing, and autism, this volume will interest a range of readers from theoretical linguists and philosophers of language to applied linguists and exotic language specialists.

*A Year of Prayers* Jack Bartlett, 2011-06-10 The 365 poems in this collection, one for every day of the year, are a journey through prayer. The objective of the poems is to serve as an accompaniment to prayer, silently, in the form

of a verse The initial inspiration of these writings was from the Psalms but there is referenced material throughout the Scriptures as well as events that occurred in history and in the author s daily life With only a few exceptions the prayer poems are not date specific denomination specific or even specific to the author only but to everyone The poems speak of subjects such as faith death nature freedom love beauty and history Each poem is intended to be able to stand on its own independent of the others These poems are unique in that they are prayers first poems second and could be considered daily devotions spiritual meditations or as a resource for pastors of all Christian denominations They are written so that they could also be crossover poetry and could be attractive to secular tastes as well The monumental task of writing this many poems brought the author s attention to prayer itself and to the nature of artistic expression which cannot be forced but must come of its own The succeeding visitations of the ideas or inspirations gave reason to believe that not surprisingly the author had help from the very ONE being written to and about
