

Almost A Territory Americas Attempt To Annex The Dominican Republic

Edward O. Frantz

Almost A Territory Americas Attempt To Annex The Dominican Republic:

Almost a Territory William Javier Nelson,1990 **Almost Citizens** Sam Erman,2019 Tells the tragic story of Puerto Ricans who sought the post Civil War regime of citizenship rights and statehood but instead received racist imperial governance **When the Eagle Screamed** William H. Goetzmann,2000 When the Eagle Screamed argues that America s expansionism between 1800 and 1860 positioned it against some of the world s most powerful and aggressive nations As the United States moved onto the world scene in this age of Manifest Destiny it clashed with Britain France Russia Spain and Mexico The Dictator's Seduction Lauren H. Derby,2009-07-17 An analysis of the ways that General Rafael Trujillos dictatorship 1930 1961 pervaded everyday life in the Dominican Republics capital Santo Domingo **Seizing Citizenship** Philip Yaure,Assistant Professor of Philosophy Philip Yaure,2025-07-17 Seizing Citizenship offers a philosophical analysis of Frederick Douglass s declaration in the lead up to the U S Civil War that enslaved Black Americans were already American citizens Philip Yaure s analysis which draws upon Douglass s autobiographies speeches journalism and correspondence demonstrates that Douglass based this declaration of Black Americans citizenship on a radical rethinking of republican political philosophy Douglass in contrast to other republican philosophers thought of republican politics as one in which we make ourselves citizens of a polity by deepening rather than trying to overcome our vulnerability to one another

Manifest Destiny's Underworld Robert E. May,2003-04-03 This fascinating study sheds new light on antebellum America s notorious filibusters the freebooters and adventurers who organized or participated in armed invasions of nations with whom the United States was formally at peace Offering the first full scale analysis of the filibustering movement Robert May relates the often tragic stories of illegal expeditions into Cuba Mexico Ecuador Nicaragua and other Latin American countries and details surprising numbers of aborted plots as well May investigates why thousands of men joined filibustering expeditions how they were financed and why the U S government had little success in curtailing them Surveying antebellum popular media he shows how the filibustering phenomenon infiltrated the American psyche in newspapers theater music advertising and literature Condemned abroad as pirates frequently in language strikingly similar to modern American denunciations of foreign terrorists the filibusters were often celebrated at home as heroes who epitomized the spirit of Manifest Destiny May concludes by exploring the national consequences of filibustering arguing that the practice inflicted lasting damage on U S relations with foreign countries and contributed to the North South division over slavery that culminated in the Civil War **A Failed Vision of Empire** Daniel J. Burge,2022 Since the early twentieth century historians have traditionally defined manifest destiny as the belief that the United States was destined to expand from coast to coast This generation of historians has posed manifest destiny as a unifying ideology of the nineteenth century one that was popular and pervasive and ultimately fulfilled in the late 1840s when the United States acquired the Pacific Coast However the story of manifest destiny was never quite that simple In A Failed Vision of Empire Daniel J Burge examines the belief in

manifest destiny over the nineteenth century by analyzing contested moments in the continental expansion of the United States arguing that the ideology was ultimately unsuccessful By examining speeches plays letters diaries newspapers and other sources Burge reveals how Americans debated the wisdom of expansion challenged expansionists and disagreed over what the boundaries of the United States should look like A Failed Vision of Empire is the first work to capture the messy complicated and yet far more compelling story of manifest destiny s failure debunking in the process one of the most pervasive myths of modern American history

The Papers of Andrew Johnson Andrew Johnson, 1967 Is there life after the presidency That is the question with which Andrew Johnson wrestled after his return to Tennessee in March 1869 until his death in the summer of 1875 He answered that question with a resounding yes and revitalized his political ambitions For his six post presidential years Johnson relentlessly pursued a vindication of earlier setbacks and embarrassments He had hardly arrived back in Greenville before he began mapping his strategy to recapture public acclaim Johnson eschewed the opportunity to compete for the governor s chair and opted instead to set his sights on the prospects of going back to the nation s capital preferably as a U S senator Johnson engaged in three separate campaigns one in 1869 one in 1872 and the final one in 1874 75 In the first he sought election to the U S Senate At the very last minute the tide went against him in the legislature and Johnson thereby lost a wonderful opportunity to return to Washington only a few months after the end of his presidency In 1872 Tennessee stipulated that its new congressional seat would be an at large one This suited Johnson who favored a statewide rather than a district race When he could not secure the formal nomination of the state s Democratic party he boldly declared himself an independent candidate Although he knew full well that his actual chances of election over either a Republican or a Democratic rival were slim Johnson stayed in the fray Confederates exerted one the Democratic party and he succeeded The Republican contender emerged victorious much as Johnson had calculated and therefore in a somewhat perverse this strengthened Johnson s political clout for another day The day came in 1874 when he launched his campaign for the U S Senate Johnson labored mightily throughout the state in this cause by the time the legislature convened he was the major contender for the post But Democratic party successes in the gubernatorial and legislative elections had encouraged a number of other hopefuls Eventually the legislature staged fifty five ballots before Johnson carried the day in late January 1875 As fate would have it President Grant summoned a special session of the U S Senate to meet in March enabling Johnson to claim his seat well ahead of the normal schedule The ex president strode confidently into the Senate chamber the scene of his impeachment embarrassment in 1868 and took the oath of office Many well wishers as well as old foes greeted the battle scarred political veteran whose vindication had been achieved at last After lingering in Washington after the close of the Senate session Johnson returned to Tennessee where he lived out the short remainder of his days With the exception of serious financial reverses and a nearly fatal battle with cholera in 1873 Johnson s sole focus had been his political rehabilitation Considering his return to the Senate albeit brief the argument could be made that he succeeded But

considering the verdict of most historians it remains debatable whether he achieved his aims The Editor Paul H Bergeron is professor of history at the University of Tennessee Knoxville Crooked Paths to Allotment C. Joseph Genetin-Pilawa,2012-10-22 Standard narratives of Native American history view the nineteenth century in terms of steadily declining Indigenous sovereignty from removal of southeastern tribes to the 1887 General Allotment Act In Crooked Paths to Allotment C Joseph Genetin Pilawa complicates these narratives focusing on political moments when viable alternatives to federal assimilation policies arose In these moments Native American reformers and their white allies challenged coercive practices and offered visions for policies that might have allowed Indigenous nations to adapt at their own pace and on their own terms Examining the contests over Indian policy from Reconstruction through the Gilded Age Genetin Pilawa reveals the contingent state of American settler colonialism Genetin Pilawa focuses on reformers and activists including Tonawanda Seneca Ely S Parker and Council Fire editor Thomas A Bland whose contributions to Indian policy debates have heretofore been underappreciated He reveals how these men and their allies opposed such policies as forced land allotment the elimination of traditional cultural practices mandatory boarding school education for Indian youth and compulsory participation in the market economy Although the mainstream supporters of assimilation successfully repressed these efforts the ideas and policy frameworks they espoused established a tradition of dissent against disruptive colonial governance

John Tyler, the Accidental President Edward P. Crapol,2012-01-18 The first vice president to become president on the death of the incumbent John Tyler 1790 1862 was derided by critics as His Accidency In this biography of the tenth president Edward P Crapol challenges depictions of Tyler as a die hard advocate of states rights limited government and a strict interpretation of the Constitution Instead he argues Tyler manipulated the Constitution to increase the executive power of the presidency Crapol also highlights Tyler s faith in America s national destiny and his belief that boundless territorial expansion would preserve the Union as a slaveholding republic When Tyler sided with the Confederacy in 1861 he was branded as America s traitor president for having betrayed the republic he once led *State Death* Tanisha

Fazal,2011-10-30 If you were to examine an 1816 map of the world you would discover that half the countries represented there no longer exist Yet since 1945 the disappearance of individual states from the world stage has become rare *State Death* is the first book to systematically examine the reasons why some states die while others survive and the remarkable decline of state death since the end of World War II Grappling with what is a core issue of international relations Tanisha Fazal explores two hundred years of military invasion and occupation from eighteenth century Poland to present day Iraq to derive conclusions that challenge conventional wisdom about state death The fate of sovereign states she reveals is largely a matter of political geography and changing norms of conquest Fazal shows how buffer states those that lie between two rivals are the most vulnerable and likely to die except in rare cases that constrain the resources or incentives of neighboring states She argues that the United States has imposed such constraints with its global norm against conquest an international standard

that has largely prevented the violent takeover of states since 1945 State Death serves as a timely reminder that should there be a shift in U S power or preferences that erodes the norm against conquest violent state death may once again become commonplace in international relations

The Struggle for Democratic Politics in the Dominican Republic Jonathan Hartlyn,2017-11-01 Over the past several decades the Dominican Republic has experienced striking political stagnation in spite of dramatic socioeconomic transformations In this work Jonathan Hartlyn offers a new explanation for the country s political evolution based on a broad comparative perspective Hartlyn rejects cultural explanations unduly focused on legacies from the Spanish colonial era and structural explanations excessively centered on the lack of national autonomy Instead he highlights the independent impact of political and institutional factors and historical legacies while also considering changes in Dominican society and the influence of the United States and other international forces In particular Hartlyn examines how the Dominican Republic s tragic nineteenth century history established a legacy of neopatrimonialism a form of rule that found extreme expression in the brutal dictator Rafael Trujillo and has continued to shape politics down to the present By examining economic policymaking and often conflictual elections Hartlyn also analyzes the missed opportunity for democracy during the rule of the Dominican Revolutionary Party and the democratic tensions of the administrations of Joaquin Balaguer

Slavery, Race, and Conquest in the Tropics Robert E. May,2013-10-07 Robert E May internationalizes the American Civil War and reinterprets the 1860 presidential campaign shedding new light on the Lincoln Douglas rivalry

The Isolated Presidency Jordan T. Cash,2023-10-03 How powerful is the President of the United States In *The Isolated Presidency* Jordan T Cash re frames this question to instead ask what authority is available to all presidents Drawing on the Constitution itself Cash argues that the presidency possesses an internal logic derived from its structure duties and powers which not only grants the president a unique institutional perspective but also provides the president with considerable agency and discretion in pursuing his agenda Through three case studies of isolated presidents presidents who were unelected faced divided government and were opposed by major factions of their own political parties Cash provides lessons and examples of what constitutionally derived actions a president can take when confronted with the recurring issues of divided government and political gridlock

World of War William Nester,2024-01-16 *World of War* is an epic journey through America s array of wars for diverse reasons with diverse results over the course of its existence It reveals the crucial effects of brilliant mediocre and dismal military and civilian leaders the dynamic among America s expanding economic power changing technologies and the types and settings of its wars and the human financial and moral costs to the nation its allies and its enemies Nester explores the violent conflicts of the United States on land at sea and in the air with meticulous scholarship thought provoking analysis and vivid prose

Reclaiming the Americas Tatiana Reinoza,2023-04-18 Tatiana Reinoza examines how geography immigration and art all converged as deepening interests for Latinx graphic artists specifically those working in different forms of printmaking By highlighting the work of four artists based out of four distinct studios in

East LA Tempe Austin and East Harlem she is able to uncover how their work these past three decades has transcended the more defined lines of scholarship that focus on specific ethnic groups Chicano Puerto Rican etc She makes a case for how spatial projects allow for a more collective critique of anti immigrant discourse visualize immigrant lives and articulate the ways in which printmaking has been historically complicit in the colonizing of the Americas **Kitchen Economics** Thomas Strychacz,2020-08-11 An analysis of how nineteenth century women regional writers represent political economic thought WINNER OF THE ELIZABETH AGEE PRIZE IN AMERICAN LITERATURE Readers of late nineteenth century female American authors are familiar with plots characters and households that make a virtue of economizing Scholars often interpret these scenarios in terms of a mythos of parsimony frequently accompanied by a sort of elegiac republicanism whereby self sufficiency and autonomy are put to the service of the greater good a counterworld to the actual economic conditions of the period In *Kitchen Economics Women s Regionalist Fiction and Political Economy* Thomas Strychacz takes a new approach to the question of how female regionalist fictions represent the economic by situating them within traditions of classical political economic thought Offering case studies of key works by Sarah Orne Jewett Mary Wilkins Freeman Harriet Beecher Stowe Rose Terry Cooke and Alice Dunbar Nelson this study focuses on three complex cultural fables the island commonwealth stadialism or stage theory and feeding the body politic which found formal expression in political economic thought made their way into endless public debates about the economic turmoil of the late nineteenth century and informed female authors These works represent counterparts not counterworlds to modernity and their characteristic stance is captured in the complex trope of feminaeconomica This approach ultimately leads us to reconsider what we mean by the term economic for the emphasis of contemporary neoclassical economics on economic agents given over to infinite wants and complete self interest has caused the sufficiency and common good models of female regionalist authors to be misinterpreted and misvalued These fictions are nowhere more pertinent to modernity than in their alliance with today s important alternative economic discourses *Suffragists in an Imperial Age* Allison L. Sneider,2008-02-04 In 1899 Carrie Chapman Catt who succeeded Susan B Anthony as head of the National American Women Suffrage Association argued that it was the duty of U S women to help lift the inhabitants of its new island possessions up from barbarism to civilization a project that would presumably demonstrate the capacity of U S women for full citizenship and political rights Catt like many suffragists in her day was well versed in the language of empire and infused the cause of suffrage with imperialist zeal in public debate Unlike their predecessors who were working for votes for women within the context of slavery and abolition the next generation of suffragists argued their case against the backdrop of the U S expansionism into Indian and Mormon territory at home as well as overseas in the Philippines Puerto Rico and Hawaii In this book Allison L Sneider carefully examines these simultaneous political movements woman suffrage and American imperialism as inextricably intertwined phenomena instructively complicating the histories of both *A World Safe for Capitalism* Cyrus Veese,2002-08-14 This award winning

book provides a unique window on how America began to intervene in world affairs In exploring what might be called the prehistory of Dollar Diplomacy Cyrus Veese brings together developments in New York Washington Santo Domingo Brussels and London Theodore Roosevelt plays a leading role in the story as do State Department officials Caribbean rulers Democratic party leaders bankers economists international lawyers sugar planters and European bondholders among others The book recounts a little known incident the takeover by the Santo Domingo Improvement Company SDIC of the foreign debt national railroad and national bank of the Dominican Republic The inevitable conflict between private interest and public policy led President Roosevelt to launch a sweeping new policy that became known as the Roosevelt corollary to the Monroe Doctrine The corollary gave the U S the right to intervene anywhere in Latin American that wrongdoing or impotence in T R s words threatened civilized society The wrongdoer in this case was the SDIC Imposing government control over corporations was launched and became a hallmark of domestic policy By proposing an economic remedy to a political problem the book anticipates policies embodied in the Marshall Plan the International Monetary Fund and the World Bank

A Companion to the Reconstruction Presidents, 1865 - 1881 Edward O. Frantz, 2014-03-24 A Companion to Reconstruction Presidents presents a series of original essays that explore a variety of important issues themes and debates associated with the presidencies of Andrew Johnson Ulysses S Grant and Rutherford B Hayes Represents the first comprehensive look at the presidencies of Johnson Grant and Hayes in one volume Features contributions from top historians and presidential scholars Approaches the study of these presidents from a historiographical perspective Key topics include each president s political career foreign policy domestic policy military history and social context of their terms in office

Almost A Territory Americas Attempt To Annex The Dominican Republic Introduction

In today's digital age, the availability of Almost A Territory Americas Attempt To Annex The Dominican Republic books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Almost A Territory Americas Attempt To Annex The Dominican Republic books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Almost A Territory Americas Attempt To Annex The Dominican Republic books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Almost A Territory Americas Attempt To Annex The Dominican Republic versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Almost A Territory Americas Attempt To Annex The Dominican Republic books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Almost A Territory Americas Attempt To Annex The Dominican Republic books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization

that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Almost A Territory Americas Attempt To Annex The Dominican Republic books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Almost A Territory Americas Attempt To Annex The Dominican Republic books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Almost A Territory Americas Attempt To Annex The Dominican Republic books and manuals for download and embark on your journey of knowledge?

FAQs About Almost A Territory Americas Attempt To Annex The Dominican Republic Books

1. Where can I buy Almost A Territory Americas Attempt To Annex The Dominican Republic books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
