Forgotten Victims of Sex Abusers William F. Kraft, 2020-03-11 This book honors the courageous sex victims who exposed their abusers The spotlight and rightly so has been on them and their predators William Kraft contends however that little attention and help has been given to those who unknowingly knew a sex offender people such as spouses family friends and parishioners the unintended victims Kraft gives these forgotten and silent victims a voice He recognizes listens and responds to people who trusted often admired and perhaps loved a sex offender the shocked woman whose husband is found guilty of sexual assault the stunned parents and disillusioned parishioners of a pedophile priest the lost man of an unfaithful wife and the depressed parent of a promiscuous child Kraft wants us to cease forgetting these victims and offer them help His proposal is that sex abusers cause severe and lasting harm because their defilement is not only physical but also emotional social and most importantly spiritual because abusers violate bonds such as trust fidelity and love Thus Kraft offers concrete psychological and spiritual ways to achieve effective management and healing

Male Rape Victimisation on Screen Victoria M. Nagy, 2023-11-30 Focusing on the under researched area of male sexual assault this book reveals how seemingly harmless humour can infiltrate how we think about violent and victimising behaviours

Canadian Books in Print , 2003 Canadian Books in Print. Author and Title Index , 1975 *Sexual Abuse, Shonda and Concealment in Orthodox Jewish Communities* Michael Leshner, 2014-07-15 This book the first of its kind analyzes how and why cases of child sexual abuse have been systematically concealed in Orthodox Jewish communities The book examines many such cover ups in detail showing how denial backlash against victims and the manipulation of the secular justice system have placed Orthodox Jewish community leaders in the position of defending or even enabling child abusers The book also examines the generally disappointing treatment of this issue in popular media while dissecting the institutions that contribute to the cover ups including two rabbinic courts and local Orthodox patrols that are more or less unique to Orthodox Jewish communities Finally the book explores the cultural factors that have contributed to this tragedy and concludes with hopes and proposals

Child Sexual Abuse and the Catholic Church Marie Keenan,2013-07-18 A meticulously researched inside look at child sexual abuse by clergy this exhaustive hard hitting analysis weaves together interviews with abusive priests and church historical and administrative details to propose a new way of thinking about clerical sexual offenders Linking the personal and the institutional researcher and therapist Marie Keenan locates the problem of child sexual abuse not exclusively in individual pathology but also within larger systemic factors such as the very institution of priesthood itself the Catholic take on sexuality clerical culture power relations governance structures of the Catholic Church the process of formation for priesthood and religious life and the complex manner in which these factors coalesce to create serious institutional risks for boundary violations including child sexual abuse Keenan draws on the priests own words not to excuse their horrific crimes but to offer the first in depth account of a tragic multi faceted phenomenon What emerges is a troubling portrait of a Church in crisis and a series of recommendations that call for nothing less than a new ecclesiology and a new more critical theology Only through radical institutional reform Keenan argues can a more representative and accountable Church emerge Child Sexual Abuse and the Catholic Church is a unique reference for scholars of the Church and therapists who work with both victims and offenders as well as a forward thinking blueprint for reform

Speak of the Devil Jean Sybil La Fontaine,1998-02-12 The first modern allegations of satanic sexual abuse surfaced in North America during the 1980s followed a few years later by similar allegations in Britain Professor La Fontaine an anthropologist has studied the literature on satanic abuse in England and conducted a detailed analysis of a number of actual cases She found no evidence of devil worship She concludes that behind the hysteria is a social movement comparable to classic instances of witchcraft accusations and the witch hunts in sixteenth and seventeenth century Europe

Sexual Abuse in Nine North American Cultures Lisa Aronson Fontes,1995-04-17 The impact of culture on sexual abuse issues is only beginning to be understood In minority populations sexual abuse can be overlooked or survivors can be inappropriately treated because of cultural or linguistic misunderstandings racism or homophobia This volume contains culture specific chapters that consider ways in which cultural norms can be used to protect children and

promote healing from sexual abuse *More Than Surviving* Cecil Murphey, 2018-03-27 Many survivors of childhood abuse think of themselves as defective flawed and worthless Cecil Murphey knows this too well A survivor himself he is familiar with the shame and brokenness that can come from abuse But he also knows there is hope not only for surviving but for flourishing *More Than Surviving* is more than just personal accounts or clinical data it is a series of short meditations for readers to delve into whenever they have the time or need a quick burst of encouragement in a difficult day Vulnerable honest and incredibly courageous each ends with a brief prayer to help men face their pain and to grow from the experience and past it Murphey's transparency affirms his readers and assures them that they are not alone many men have gone through the same painful experiences and are now strong survivors Here more men will discover guidance encouragement and practical advice on how to live victoriously *Into the Deep* Abigail Rine Favale, 2018-10-25 *Into the Deep* traces one woman's spiritual odyssey from birthright evangelicalism through postmodern feminism and ultimately into the Roman Catholic Church As a college student Abigail Favale experienced a feminist awakening that reshaped her life and faith A decade later on the verge of atheism she found herself entering the oldest male helmed institution on the planet the last place she expected to be With humor and insight the author describes her gradual exodus from Christian orthodoxy and surprising swerve into Catholicism She writes candidly about grappling with wounds from her past Catholic sexual morality the male priesthood and an interfaith marriage Her vivid prose brings to life the wrenching tumult of conversion a conversion that began after she entered the Church and began to pry open its mysteries There she discovered the startling beauty of a sacramental cosmos a vision of reality that upended her notions of gender sexuality identity and authority *Into the Deep* is a thoroughly twenty first century conversion a compelling account of recovering an ancient faith after a decade of doubt

What to Do when You Find Out-- Your Wife was Sexually Abused John Courtright, Sid Rogers, 1994 This book is directed to husbands who are trying to cope with the confusion fear and anger that result when their wives first confront and then begin to recover from past abuse **Trauma** Selma Leydesdorff, 2017-09-29 Traumatic experiences and their consequences are often the core of life stories told by survivors of violence In *Trauma Life Stories of Survivors* leading academics explore the relationship between the experiences of terror and helplessness that have caused trauma the ways in which survivors remember and the representation of these memories in the language and form of their life stories International case studies include the migration of Ethiopian Jews to Israel the life stories of Guatemalan war widows violence in South Africa persecution of political prisoners in South Africa and the former Czechoslovakia lynching in the Mississippi Delta resistance in Zimbabwe's liberation war sexual abuse and the ongoing Irish troubles The volume reveals the complexity of remembering and forgetting traumatic experiences and shows that survivors are likely to express themselves in stories containing elements that are imaginary fragmented and loaded with symbolism *Trauma Life Stories of Survivors* is a groundbreaking work of relevance across the social sciences This new perspective on trauma will be of particular importance to researchers in
