Hearn,2010-06-21 In the Civil War both sides understood that closing the South s ports would halt the introduction of war materiel to the industrially weak region Though the North captured New Orleans in 1862 they did not attack the Confederate navy in Mobile Bay or the city of Mobile Alabama until 1864 The two year delay allowed much needed supplies to enter the Confederacy and changed the face of the ensuing Mobile Campaign as technological advances in ships submarines mines and fortification made a striking difference in the fighting This book examines the politics preparations leaders and battles that made the Mobile Campaign a microcosm of the overall conduct of the Civil War *The Scotch-Irish; or, The Scot in North Britain, north Ireland, and North America* Charles A. Ulster Scots were with him The story of the Boyd Family begins in Scotland carries over to Northern Ireland and follows them to the frontier of all the colonies in America It could be the story of thousands of Scots who all experienced the same pilgrimage and endured the same hardships and sufferings **History of Lancaster County** Israel Daniel Rupp,1844
