

The background of the entire image is a large-scale artwork. It features a series of concentric, hand-painted green circles that create a tunnel-like effect, drawing the viewer's eye towards a bright, circular opening in the distance. Within this opening, three small, golden figures are visible. In the lower right foreground, two more golden figures are depicted: one appears to be a cherub or angel with wings, and the other is a smaller figure, possibly a child or a smaller angel, both looking towards the central light. The overall color palette is dominated by various shades of green, from dark forest green to bright, almost white light at the center.
