Alpha To Omega From The Beginning To The End:

alpha to omega from the beginning to the end Dr C E Fabray, 2012-04-08 This book is ambitious in its scope and in the course of over 400 pages it begins with the creation of the Universe and ends when all time and space ends in a singularity Read the book to find out why the Universe was created and what happens to man after death Are the atheists right and there is nothing but extinction or is there a better hope and an eternal future Was Adam and Eve ejected from the Garden of Eden because they ate the wrong piece of fruit Why was it necessary to kill all living people and creatures with a worldwide Flood bar one family Did God really tell the Israel nation to kill all the men women and children in Canaan How can Jesus Christ be God incarnate who is eternal when he dies on the cross How can all Christians go to heaven What happens after the Kingdom of God is established in the New Heaven and New Earth The spiritual messages contained in this book answer all these questions and much more with full notes and references for each section of the book **Alpha to Omega** Vernon Alma Kimball, 1985 **Jesus—The Portrait and Inscription of God** George Paki, If we want to understand what God was telling John about the future we need to first understand what John understood Professor Jon Paulien Loma Linda University USA In Jesus The Portrait and Inscription of God the author pours his years of research into addressing the issue that Jon Paulien highlights Paki builds an intriguing case for a dual focused method of interpreting Revelation He uses this method to show i that Revelation was written primarily to John and his initial audience ii that the same prophecies also speak to us with clarity and force iii Then he wonders if God intentionally used the same material to speak to an audience then and now When this method is applied to Revelation 1 3 the text does come alive Deep theological truths and nuggets extracted are way too many to recount in a single book In fact this fresh approach minimizes most of our interpretive issues and enhances our understanding and appreciation of the apocalyptic Christ Some of our leading scholars agree It is well written well laid out and has good solid biblical insights Good solid evidence for Revelation s high Christology Dr Kayle de Waal Avondale College Australia I found it thoughtful helpful and interesting to read The style of presentation is also very attractive Professor Jon Paulien Loma Linda University USA You have clearly shown the relationship between Revelation 1 3 with the rest of Revelation Dr Ross Cole Avondale College Australia The method used its interpretations and the theological insights are corroborated by other Johannine books the New Testament the Old Testament and the Spirit of Prophecy This volume will enhance the libraries of academics and laypeople alike **The Revelation of John** James L. Resseguie, 2009-04-01 As the only book of its kind in the New Testament Revelation can be difficult to understand and for readers without specialized training the historical critical approach used in many commentaries can provide more complication than illumination Here James Resseguie applies the easily understandable tools introduced in his primer on narrative criticism to this challenging book He shows how Revelation uses such features as rhetoric setting character point of view plot symbolism style and repertoire to construct its meaning This literary approach draws out the theological and

homiletical message of the book and highlights its major unifying themes the need to listen well an overwhelmingly God centered perspective and the exodus to a new promised land Here is a valuable aid for pastor and serious lay reader alike

The Revelation of St John Ernst Wilhelm Hengstenberg,1851 The Revelation of st. John, expounded, tr. by P. Fairbairn Ernst Wilhelm Hengstenberg,1851 The Revelation of St. John E. W. Hengstenberg,2005-05-05 From the Preface The Revelation of St John was for a long time a shut book to me That it was necessary here to lay open a new path that neither the course pursued in the older ecclesiastical nor that of the modern Rationalistic exposition was to be followed I never entertained a doubt The title shows that this work is intended for all who search the Scriptures The remarks contain little of a grammatical nature The text will present no difficulties to cultivated readers even though not theologians if they are only animated by the earnest desire to become thoroughly acquainted with the contents of the book I commend this work the deficiencies of which I deeply feel to Him who has given me strength to execute it thus far and who has rendered it to myself a source of edification and comfort **Final Appeal to the Christian Public, in defence of the “Precepts of**
