Already Dead:

The Already Dead Eric Cazdyn, 2012-04-16 This book considers how a culture of crisis management what Cazdyn calls the new chronic has come to dominate all aspects of contemporary life from biomedicine to economics to politics Drawing from his own experiences battling leukemia and the subsequent effects of his illness on the process of becoming a Canadian citizen Cazdyn unravels the logic of the new chronic where people find themselves suspended in a space between life and death

setting in some cases using new social scientific and postcolonial methods to shed light on the ways in which the letter contributes to the making of Christian identity At the heart of the book are chapters 5 7 which examine the contribution of 1 Peter to the construction of Christian identity the persecution and suffering of Christians in Asia Minor the significance of the name Christian and the response of the letter to the hostility encountered by Christians in society There are no recent books which bring together such a wealth of information and analysis of this crucial early Christian text Becoming Christian has developed out of Horrell s ongoing research for the International Critical Commentary on 1 Peter Together these essays will offer a series of significant and original engagements with this letter and a resource for studies of 1 Peter for some time to come
