*Me and My Saddle-Pal* Mickey Gilbert, Rebecca Rockwell, 2014-10-15 Crashing cars roping wild animals in Africa jumping off cliffs and getting shot off of horses as bombs explode is all in a day's work for a stuntman in Hollywood and taking the Lord along has made it all possible for Mickey Gilbert. He's been in the movie business since the 1960s working as a stuntman, stunt coordinator, and a second unit director on some of the most memorable films Hollywood has ever produced. Butch Cassidy and the Sundance Kid, The Wild Bunch, The Last of the Mohicans, The Electric Horseman, City Slickers, and The Blues Brothers are just a few of the titles in his impressive filmography. With over a hundred movies under his belt, Gilbert has doubled such iconic actors as Robert Redford, Paul Newman, Gene Wilder, and Harrison Ford, and he has designed and coordinated some of the most exciting stunts the silver screen has ever delivered. Filled with humor, warmth, adventure, and all the action you can handle, *Me and My Saddle Pal* chronicles Gilbert's journey into Hollywood and takes readers along for ride after wild ride as he recollects his part in the making of some of the industry's greatest films. **Twisting in Air** Carol

Bradley, 2024 *Twisting in Air* brings to life the era when an extraordinary group of falling horses made Western movies come alive and chronicles how one of them, a horse named Cocaine, overcame a debilitating injury to become the fastest falling horse. Edward Dmytryk Fintan McDonagh, 2021-07-21 Edward Dmytryk was one of the so-called Hollywood Ten, jailed for contempt of Congress for refusing to testify before the House Un-American Activities Committee in 1947. Finding himself blacklisted after his prison sentence and unable to operate under a pseudonym, he took the step of testifying and naming names to the Committee. His career resumed to considerable commercial success but also to prolonged and bitter criticism from the left and persistent mistrust from the right. Acknowledged as one of the key figures in the development of the film noir genre, having directed one of its first films, *Murder My Sweet*, Dmytryk has otherwise frequently been sidelined in critical studies because of the controversy. This book is the first to critically evaluate each of the dozens of films he made between the 1930s and the 1970s, including *The Young Lions*, *Crossfire*, and *The Caine Mutiny*, among many others. **Kelly's**

**Directory of Merchants, Manufacturers and Shippers**, 1897 **The Post office directory of the brewers and maltsters [afterw.] Kelly's directory of the wine and spirit trades, with which are included brewers and maltsters. 1st-10th, 12th-16th ed** Kelly's directories, Ltd, 1884 *Desexualization in American Life* Charles Winick, 2018-10-08

Originally published as *The New People*, this classic volume examines the great changes in popular culture that unfolded in the 1960s with major steps toward political, racial, gender, and social empowerment. The popular culture of the time expressed a series of themes that have become, if not more significant, then certainly more visible in the 1990s. We are now entering the third generation of Americans who are living out the themes that are traced in this book. The author sees a depolarization, a neutering in content, and key people in the popular arts. Some of these trends result from technological changes, and others reflect what is happening in the psychosocial interior of the family as well as larger economic movements. Winick believes

that in such wide ranging features of our society as sports furniture and architecture the expression of an epoch can be identified Clothing conveys the imbalance and ambiguity that reflect larger social forces and that have been identified more recently by Jacques Lacan as so important in modern life Desexualization in American Life is remarkably prescient and accurate in identifying key trends that affect us today and will continue to do so for the remainder of the decade
