Studies on the Prelature of Opus Dei Paul Hayward, 2009 *The Canonical Path of Opus Dei* Amadeo de Fuenmayor, Valentín Gómez-Iglesias, José Luis Illanes Maestre, 1994 History of the legal steps of Opus Dei This book tells the complete history of how the Prelature of Opus Dei developed within the legal structure of the Catholic Church What makes this history compelling is that the unique characteristics of Opus Dei s spirit did not fit into any existing framework in Church law when Opus Dei was founded in 1928 by Msgr Josemaria Escriva who was beatified by Pope John Paul II in 1992 nearly 17 years after his death Msgr Escriva sought to create a framework which harmonized the spirit of Opus Dei with the legal norms of the Church The authors show how that quest was carried out over 54 years from its earliest years in Madrid approvals in various dioceses and by the Holy

See and culminating in the creation of Opus Dei as a personal prelature **Opus Dei** John L. Allen, 2006-05-04 Opus Dei is the most controversial and mysterious force in the Catholic Church In this text John Allen uncovers its real nature Originally published London Allen Lane 2005 *A Global Ethic for Global Politics and Economics* Hans Küng, 1998-04-16 For anyone concerned about the world we are creating this book written by one of the most important living theologians offers a cautionary look at the coming global society *Alvaro Del Portillo* Salvador Bernal, 1999 Bishop Alvaro del Portillo who died in 1994 dedicated his life to Opus Dei in its work of helping ordinary people find holiness in their professional and family life This book tells the story of a man of the Church *Priestly Identity* Thomas J. McGovern, 2010-04-01 It is generally accepted that since the end of Vatican II there has been a crisis in the Catholic priesthood This is reflected in two areas in particular defections from the priesthood and a serious decline in vocations primarily in the developed countries of the West John Paul II has addressed this situation many times during his pontificate especially in *Pastores dabo vobis* where he offers a clear theological vision and a program of formation to overcome the current crisis of priestly identity In his new book McGovern offers a deep analysis of the Pope's theology of priesthood drawing not only from *Pastores dabo vobis* but also from his Holy Thursday Letters and other important writings on this topic In this study the author deals with core aspects of priestly identity under three main headings theological spiritual and pastoral in the context of service to the lay faithful and the evangelization required of the Church in the new millennium **The Founder of Opus Dei: The Life of Josemaría Escrivá, Volume II** Andres Vazquez de Prada, 2017-03-31 This second volume of the three volume biography of St Josemaría covers one of the most remarkable periods of his life from the outbreak of the civil war in 1936 to his departure for Rome in 1946 In Republican Spain fierce anti Catholic persecution led St Josemaría to do his priestly work in secret fully aware that if caught he would be executed as were 6000 other priests This book recounts the saint's dangerous journey across the Pyrenees to the Nationalist zone where he could exercise his priestly ministry more freely his tireless labors to counter with both heroic charity and determination the slanders that threatened to overwhelm Opus Dei and more Here is an unforgettable picture of the saint's activity during the years of crisis that threatened to obliterate his great gift to the church Opus Dei *What is Opus Dei?* Noam Freidlander, 2005-07-20 Following the publication of *The Da Vinci Code* a worldwide audience is now aware of the existence of the mysterious cult of Opus Dei However very little is actually known about this secret Catholic organisation The book investigates the conspiracy theories behind the movement from its inception in 1928 to the present day It includes Opus Dei's activities in Spain where the movement's founder Escrivá allied his group with Franco's regime leading to several Opus Dei members occupying key positions in his government and in Nazi Germany where in 1945 many leading Nazis escaped through the Knights Of Malta and the Vatican rat run to the Americas It goes on to explore Opus Dei's political involvement in several South American countries such as with Augusto Pinochet's Chilean Junta and its links with the Vatican John Paul II gave the movement a unique status in the church making it a personal prelature

Sometimes we need a role model someone who knows what we are going through or just someone to talk to In the realm of religion and theology we look to the saints or those deemed to be holy people You can find most saints of the Catholic church in Books of the Saints These are more the traditional saints most from centuries ago I prefer to look at holy people of the nineteenth twentieth and twenty first centuries which are more relevant to our lives and lifestyles In the Catholic Church the Vatican has a Congregation for the Causes of Saints which has four levels leading to canonization Once submitted by the bishop of the diocese that they have researched and deemed worthy for consideration the package is forwarded to the congregation If accepted by the congregation the holy person is called a servant of God and the investigation is on Generally the process doesn't start until the person has been dead for five years There have been expectations like Mother Theresa Following the investigation the person may be taken to the second level where they are proclaimed venerable The process continues and advancement from this level is dependent on a verifiable miracle attributed to this person This third level calls for papal approval and a beautification ceremony is performed subsequently that person is called blessed At the time of a second miracle the pope can canonize that person thereafter that person is called saint Frequently I use the names of those going through the process especially the more recent lives We are encouraged to pray to and for these people yet most of us know nothing about them That is the purpose of this book to educate not only youth awaiting confirmation but the entire parish All of us need this kind of information at some point in our lives The other reason I prefer the more recent holy people is that as a wood carver I can obtain photos of these people rather than an artist rendition All the photos are from these photos done in relief carving Obviously some of the more traditional saints are from artist renderings
