The Bloomsday Dead Adrian McKinty, 2007 In this heart pounding finale of the acclaimed Dead trilogy tough guy Michael Forsythe travels from Lima Peru to Dublin Ireland where he finds even more trouble than he bargained for **The Immortalists** Gabriel David, 2011-12 He was a hedonist and a misogynist a cynic and a narcissist But that all changed when on a seemingly regular day in a seemingly normal tone his uncle told him that he was immortal *The Immortalists* is a story of one man's life and his transformation from materialism to spiritualism It is an enlightening tale that shows how one man against seemingly insurmountable odds can make a difference in the lives of millions Follow along on a journey that will illuminate the beauty and power of human compassion and morality *After Montaigne* Michel Montaigne, 2015 Writers of the modern essay can trace their chosen genre all the way back to Michel de Montaigne 1533-92 But save for the recent notable best seller *How to Live A Life of Montaigne* by Sarah Bakewell Montaigne is largely ignored *After Montaigne* a collection of twenty four new personal essays intended as tribute aims to correct this collective lapse of memory and introduce modern readers and writers to their stylistic forebear Though it's been over four hundred years since he began writing his essays Montaigne's writing is still fresh and his use of the form as a means of self exploration in the world around him reads as innovative even by modern standards He is simply put the writer to whom all essayists are indebted Each contributor has chosen one of Montaigne's 107 essays and has written his/her own essay of the same title and on the same theme using a quote from Montaigne's essay as an epigraph The overall effect is akin to a covers album with each writer offering his or her own interpretation and stylistic verve to Montaigne's themes in ways that both reinforce and challenge the French writer's prose ideas and forms Featuring a who's who of contemporary essayists *After Montaigne* offers a startling engagement with Montaigne and the essay form while also pointing the way to the genre's potential new directions Contributors Marcia Aldrich Chris Arthur Robert Atwan Barrie Jean Borich Mary Cappello Steven Church Judith Ortiz Cofer Danielle Cadena Deulen Brian Doyle Lina M Ferreira C V Vivian Gornick Robin Hemley Wayne Koestenbaum Shannon Lakanen David Lazar E J Levy Phillip Lopate Bret Lott Patrick Madden Desirae Matherly Maggie Nelson Jos Ordu a Elena Passarello Lia Purpura Kristen Radtke Amy Lee Scott Jerald Walker Nicole Walker **Dare to Sleep** Narelle Weston, 2013-08-15 On most days in most years nothing much happens in Dyman a peaceful Australian community But today is not most days A hiker waves down traffic panicked and breathless to report a horrendous homicide Two young but efficient investigators Detective Denise Porter and her partner Constable Stanthorpe are assigned to the case The increasingly disturbing and confusing labyrinth of evidence challenges them like no other case has and what their investigation reveals is almost as disturbing as the crime itself This murder has all the signs of organized crime and the tell tale presence of The Boss is problematic to say the least Illusive as well as elusive The Boss has made sure that every lead is a dead one every suspicion is a false one and every fact is anything but Mayor Brody Mayfield a well respected member of the community is

swept into the investigation and quickly finds his reputation called into question The mayors assistant Kate Diamond has her own secrets to protect A product of an abusive childhood she grew up in poverty and was no stranger to death As an adult her quest for financial security has her locked into her own set of challenges The deeper she digs the more she uncovers her own scandal Even worse she begins to suspect that her boss may be closer to The Boss than anyone knows As one team races to reveal the truth another works just as hard to protect its secrets Love Changes Everything Suzanne Hoos,2019-11-11

**Settling Scores** Danielle Stewart,2014-11-21 Willow has been saved from a painfully dark past and handed a bright future By all accounts she should be happy But no one seems to understand that escaping evil hasn't left her feeling free of it The more people try to hold her close the harder she fights to get away Even the unconditional support from Edenville isn't enough to help her keep her head above water On a journey to settle scores and find answers to questions that haunt her memories Willow hopes to mend her heart Meanwhile the man she has pushed away time and again fights to show her the only chance she has at happiness is opening her heart to the love that is right in front of her But even Josh's loyalty has its limits how long before even he gives up on her considering she's already given up on herself **English Fairy Tales** Flora Annie Webster Steel,2020-09-28 In the darksome depths of a thick forest lived Kalyb the fell enchantress Terrible were her deeds and few there were who had the hardihood to sound the brazen trumpet which hung over the iron gate that barred the way to the Abode of Witchcraft Terrible were the deeds of Kalyb but above all things she delighted in carrying off innocent new born babes and putting them to death And this doubtless she meant to be the fate of the infant son of the Earl of Coventry who long long years ago was Lord High Steward of England Certain it is that the babe's father being absent and his mother dying at his birth the wicked Kalyb with spells and charms managed to steal the child from his careless nurses But the babe was marked from the first for doughty deeds for on his breast was pictured the living image of a dragon on his right hand was a blood red cross and on his left leg showed the golden garter And these signs so affected Kalyb the fell enchantress that she stayed her hand and the child growing daily in beauty and stature he became to her as the apple of her eye Now when twice seven years had passed the boy began to thirst for honourable adventures though the wicked enchantress wished to keep him as her own But he seeking glory utterly disdained so wicked a creature thus she sought to bribe him And one day taking him by the hand she led him to a brazen castle and showed him six brave knights prisoners therein Then said she Lo These be the six champions of Christendom Thou shalt be the seventh and thy name shall be St George of Merrie England if thou wilt stay with me Pure Emotions D.C.
