personal friends Dolly Parton Vince Gill Nancy Mrs George Jones Bill Anderson Don Williams Ronnie Milsap Rhonda Vincent and dozens more are my country music idols and they ve all played a great part in my life Now that I m aging in place I m retired I find that the great lyrics in good country songs mean more to me than ever before The love and friendships of my music friends the love of my worldwide fans and the love of everyday people are the fabrics that hold my life together

Under the Mendips: A Tale Emma Marshall,2010-01-01 It was a fair morning of early summer when the low beams of the eastern sun threw flickering shadows across the lawn which lay before Fair Acres Manor nestling under the shelter of the Mendip Hills somewhere between Wells and Cheddar Truth compels me to say that the lawn was covered with daisies and that their bright eyes looked fearlessly up into the blue sky for mowing machines were unknown and the old gardener coachman and universal out of door servant sharpened his scythe only at long intervals to lay the heads of the flowers low so that the daisies grew and flourished and had a good time of it I know that daisy speckled turf is considered an offence in the eyes of the modern gardener I know with what zeal the spud is used how large bare places are regarded with delight how seed is scattered over them which the birds watch with cunning glances from the neighbouring shrubs and trees and pounce down upon as soon as the diligent master of the place has straightened his aching back and turned it upon the scene of his labours The dewy lawn before Fair Acres with its beautiful mosaic of white and gold fringed with circles of deepest crimson here and there would not suit the taste of the conventional gardener of these days nor would the low irregular building which overlooked it be considered an attractive or fitting residence for the sons and daughters of the small country squire in the ninth decade of the century But in the second decade in which my story opens things were different The country squire lived a country life He farmed his own acres he walked over his own fields his stock were individual cows and horses to him he could pat each one and call it by its name His house was his home and the restlessness of travel and longing for excitement had not as yet for the most part disturbed either him or his children Now the resonant steam eagle as it flies across the country side seems to call upon the dwellers in rural districts to follow where it leads and an isolated manorial farm like Fair Acres and a family like the Falconers who inhabited it are all but impossible to find nowadays **The Pedagogue** Stan Labovitch,2016-11-04 Michael Zabinsky is an iconoclastic science teacher with a revolutionary zeal to enrich the lives of his pupils and create a better world Driven by the idealism of youth as a volunteer in 1970s Botswana he finds his dedication to teaching tested to destruction on returning to England But Michael doesn t just teach he thinks He contemplates the human condition He confronts racism and political correctness and after 9 11 Islamism He tries to juggle the demands of his job with those of his personal life And there is a twist At a reunion with Michael s fellow Botswana volunteers it transpires that something unforeseen has happened to the village where they used to teach What has become of their former pupils Does Michael need to reevaluate his time in Africa **The Letters of Emily Dickinson** Martha Dickinson Biachi,2025-01-22 The Letters of Emily Dickinson offers an intimate portrait of one of America s most enigmatic poets through the perspective of
