exception of three dairy maids all the herd folk had already left the mountains But when Per Gynt reached H vringalm where he intended to stay over night in a herdsman s hut it already was so dark that he could not see his hand before his eyes Then the dogs began to bark so violently that he felt quite uneasy And suddenly his foot struck something and when he took hold of it it was cold and large and slippery Since he felt certain he had not left the path he could not imagine what it might be but he sensed that all was not in order And who are you asked Per Gynt for he noticed that it moved O I am the crooked one was the answer And now Per Gynt knew as much as he had before So he went along its length for sooner or later I will come to the end of it thought he As he went along he again struck against something and when he felt it it was again something cold and large and slippery
