Henri de la Tour, Or, The Comrades in Arms John Frederick Smith,185? **Jack and Hopit** Serena Merton,2017 Second Lieutenant Colvin and his charger Hopit spent four arduous years together under the most challenging conditions imaginable This is their story **Comrades in arms** Philippe Millet,1916 *Comrades in Arms* Frank Cocker,Bill Westall,David Simkin,1988 *Comrades in Arms (1919)* John Travers,Edmund Chandler,W. Teenage Tommy Richard van Emden,2014-02-19 Benjamin Clouting was just sixteen years old when he embarked with the British Expeditionary Force for France in August 1914 The youngest man in the 4th Dragoon Guards he took part in the BEF s celebrated first action at Casteau on August 22nd and two days later had his horse shot from under him during the famous cavalry charge of the 4th Dragoon Guards and the 9th Lancers at Audregnies Ben served on the Western front during every major engagement of the war except Loos was wounded twice and in 1919 went with the Army of Occupation to Cologne The son of a stable groom Ben was brought up in the beautiful Sussex countryside near Lewes and from his earliest years was as he often said himself crazy to be a soldier He worked briefly as a stable boy before joining up in 1913 his training was barely completed when war broke out The Regiment knowing Ben to be under age tried to stop him embarking for France but he flatly refused to be left behind During the next four years he served under officers immortalized in Great War history including Major Tom Bridges Captain Hornby and Lieutenant Colonel Adrien Carton de Wiart VC Teenage Tommy is a detailed account of a trooper s life at the front vividly recalling for example the privations suffered during the retreat from Mons and later the desperate fighting to hold back the German onslaught at 2nd Ypres But this is more than just a memoir about trench warfare Ben s lively sense of humor and healthy disrespect for petty restrictions make this an entertaining as well as a moving story of life at the front **Brothers In Arms** Karen Farrington,2015-04-30

Collected memoirs diary entries letters and photos convey two British brothers lives in the trenches during World War I Hidden away in the back of an old desk drawer was a dusty pile of school style exercise books In them were the recollections of a young officer who had fought with the Essex Regiment in the First World War from the Battle of Neuve Chapelle in 1915 through the mud and misery of Ypres to see victory in 1918 Discovering the memoirs of Lieutenant Robert D Arblay Gybbon

Monypenny was not the only surprise what was even more remarkable was how well written they were how vividly life and death in the trenches was portrayed That life in the trenches saw Robert hit by a sniper's bullet buried in appalling mudslides choked in a chlorine gas attack and almost bayoneted by one of his own men driven insane by the perpetual shelling Inevitably he was wounded as he led his men over the top at Arras yet somehow he survived To add to these riches were letters home from both Robert Moneyppenny and his brother and fellow officer Phillips who won the Military Cross with the Royal West Kent Regiment but who was killed just four months before the end of the war The collection of memoirs letters and personal photographs are woven together to produce a gripping and powerfully frank testimony one that will come to be recognized as amongst the finest personal accounts of the First World War ever to be published Praise for Brothers in Arms The letters offer a real contemporary insight into how these two young men perceived and experienced the war and the memoir is one of the most vivid and insightful I have read in recent times ww1geek **A French Soldier's War Diary**

1914-1918 Henri Desagneaux, 2014-09-30 A classic up close memoir of fighting in the chaos of World War I Today we may have an orderly historical picture of the Great War But for a soldier like Henri Desagneaux there was no pattern to be seen from the trenches where he executed orders ensuring that dozens of men had to die attempting to achieve impossible objectives worked out at a headquarters in the rear His diary one of the classic French accounts of the conflict gives a vivid insight into what it was like to execute those orders and to live in the trenches with increasingly demoralized unruly and mutinous men In terse unflinching prose he records their experiences as they confronted the acute dangers of the front line The appalling conditions in which they fought and the sheer intensity of the shellfire and the close quarter combat have rarely been conveyed with such immediacy **Henry Williamson and the First World War** Anne Williamson, 2004-02-28

Henry Williamson is known for his book Tarka the Otter yet his time in World War I trenches affected him profoundly This book draws on his letters diaries photographs and notebooks written at the time to give us a detailed account of life in the trenches of the First World War It also offers us a rare insight into the making of a novelist *A Passionate Prodigality* Guy Chapman, 1966 Classic account of humor and tragedy of trench warfare in northern France and Flanders from 1915 to 1918

Tickled to Death to Go Benjamin Clouting, 1996-01 Tickled to Death to Go is no ordinary memoir Illuminated by Ben Clouting's lively sense of humour and healthy disrespect for petty restrictions it is a remarkable story told in his own words

Captured Memories, 1900-1918 Peter Liddle, 2011-02-23 Peter Liddle was a pioneer in the recording of memories of personal experience in the First World War and in the social background of those who lived through those years Later he moved into the recording of men and women for whom the Second World War was the formative experience of their lives In a planned two volume collection of the most outstanding interviews of the four thousand he made for the first volume he has chosen memories which take the reader back as many as a hundred and twenty years to days in sailing ships a Hebridean boyhood suffragist action pre 1914 working class life and work in the North East of England city life in London service in the

Boer War pioneering a settlement in Manitoba Canada and the Army's experiments in the use of man lifting kites airplanes and balloons The main focus of the book is upon the First World War with The Western Front battles the Gallipoli Campaign and the Battle of Jutland prominently featured Liddle also represents the Mesopotamian and East African fronts and women nursing under particularly unusual circumstances Several Victoria Cross award winners and a fighter pilot ace appear as do those whose distinction was to come later in their lives like Harold Macmillan Henry Moore Gordon Jacob Emanuel Shinwell Barnes Wallis and Victor Silvester There is even an interview with the first conscientious objector to be court martialed and sentenced to death before commutation of the sentence This book is a veritable treasure trove of the past Over There with the AEF Henry C. Evans,2015 To Fight Alongside Friends: The First World War Diaries of Charlie May Gerry Harrison,2014-07-03 I do not want to die The thought that we may be cut off from each other is so terrible and that our babe may grow up without my knowing her and without her knowing me It is difficult to face Know through all your life that I loved you and baby with all my heart and soul that you two sweet things were just all the world to me *Light and Shade in War* Captain Malcolm Ross,Noël Ross,2023-07-18 Captain Malcolm Ross served in the First World War and describes his experiences with candor and humor in this captivating memoir This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Good-bye to All That Robert Graves,2014-05-01 There was no patriotism in the trenches It was too remote a sentiment and rejected as fit only for civilians A new arrival who talked patriotism would soon be told to cut it out As Blighty Great Britain was a quiet easy place to get back to out of the present foreign misery but as a nation it was nothing This is the original version of Robert Graves's intense memoir of the First World War restoring this raw emotionally truthful darkly comic work to the way it was first written by a young man still reeling from the trenches We see the dark heart of the book even more clearly and hear it beating even more loudly in this original edition than we do in the comparatively careful and considered terms of the later one Andrew Motion One of the most candid self portraits warts and all ever painted TLS
