Saurian Summer William Kyle, 2005-07 The Saurians built new outposts under the guise of increasing security of their border however the large staging areas discovered hidden in the woods behind them caused the Races of Order concern about a possible invasion A Saurian Invasion would also cause problems for the Demon and the Bursh It would have a major impact on the Master Plan they had been working on for many years The major key to the Plan was the Races of Order did not have a united front and the humans were unorganized but an invasion could change that If the unallied races and the Races of Order united working together they could defeat the Master Plan The Plan was designed for world conquest by the Races of Chaos to happen so quickly that the Elden would arrive too late to help Now had to be modified because the Elden returned to their strongholds after five hundred years due to the invasion threat The Saurians had to be stopped or defeated quickly Unbeknownst to the Elden and the other Races of Order they had allies in the Demon and the Bursh who were taking their own steps

Gettysburg contextualizes the major 1863 campaigns in what arguably was the Civil War's turning point summer. The Summer Campaign In Kerry Tom Doyle, 2010-04-01 On Wednesday 2 August 1922 Free State troops landed at Fenit pier in the first of a series of seaborne landings on the Cork and Kerry coast. This was a risky and ambitious strategy for the Free State government whose aim was to surprise the staunchly anti-Treaty republicans in Kerry. By attacking them from an unexpected direction the government hoped to shorten the war; however, over the months of August and September the republicans mounted a series of counterattacks against the Free State army. When Free State troops were all but surrounded in their barracks, the innovative invasion from the sea by Free State forces under Emmet Dalton caught the Republican forces almost completely by surprise. In this book Tom Doyle looks at the various successes and failures of both sides in Kerry during the Summer campaign of 1922 and how the superior forces of the Free State army and the lack of support from the people for the republicans allowed the Free State to build up a strong presence in a crucial part of the republicans' heartland.
