## **Conamara Man:**

Forgetting Ireland Bridget Connelly, 2003 The immigrants were at last removed from the colony their name became the town's shorthand for lying drunken failures      **Conamara Chronicles**, 2022-09-27 I find him to be a kindred spirit a sympathetic but shrewd enquirer a companionable stroller and a lover of anecdotes gathered by the wayside So Tim Robinson described folklorist revolutionary and district justice Seán Mac Giollarn th whose 1941 book *Ann la Beaga Iorras Aithneach* revealed his sheer delight in the rich language and stories of the people he encountered in Conamara the Irish speaking region in the south of Connemara From tales of smugglers saints and scholars to memories of food work and family the stories gathered here provide invaluable insights into the lives and culture of the community This faithful and lovingly crafted translation complete with annotations a biography and thoughtful chapters that explore the importance of the language and region is the final work of both Robinson and his collaborator the renowned writer and Irish language expert Liam Mac Con Iomaire Translated into English for the first time *Conamara Chronicles* Tales from Iorras Aithneach preserves the art of storytellers in the West of Ireland and honors the inspiration they kindle even still      **A Little Gaelic Kingdom** Tim Robinson, 2025-02-18 A masterpiece of travel and topographical writing and an incomparable and enthralling meditation on times past John Banville He knows this world as no one else does and writes about it with awe and love but also with measured grace an artist's eye and a scientist's sensibility Colm Tóibín In its landscape history language and folklore the Connemara region on Ireland's wild and windswept West Coast is a dramatic and breathtaking place From its fabled villages seaside cliffs bogs lakes coral beaches stark mountains and ever meandering country roads lined with stone walls this rugged kingdom surprises and inspires and nobody knows this more than artist cartographer and celebrated writer Tim Robinson In *A Little Gaelic Kingdom* Robinson brings this enchanting Irish peninsula rapturously to life Setting off he embarks on a walking journey traversing and exploring the natural world while revealing the history mystery language and people that have indelibly shaped this much mythologized countryside From the glacial valley of Maam to the fishing villages and rocky shorelines of the region's archipelago Robinson carries encyclopedic knowledge great curiosity and a deep love of place and its inhabitants with him on this engaging and evocative journey Beautifully crafted and intimately rendered *A Little Gaelic Kingdom* is a timeless and revelatory work of travel and nature writing      **The Oxford Handbook of Modern Irish Fiction** Liam Harte, 2020 Presents essays by thirty five leading scholars of Irish fiction that provide authoritative assessments of the breadth and achievement of Irish novelists and short story writers      The Prose Literature of the Gaelic Revival, 1881-1921 Philip O'Leary, 2011-12-31 The Gaelic Revival has long fascinated scholars of political history nationalism literature and theater history yet studies of the period have neglected a significant dimension of Ireland's evolution into nationhood the cultural crusades mounted by those who believed in the centrality of the Irish language to the emergent Irish state This book attempts to remedy that deficiency and to present the lively debates within the language movement in their

full complexity citing documents such as editorials columns speeches letters and literary works that were influential at the time but all too often were published only in Irish or were difficult to access Cautiously employing the terms nativist and progressive for the turnings inward and toward the European continent manifested in different authors this study examines the strengths and weaknesses of contrasting positions on the major issues confronting the language movement Moving from the early collecting or retelling of folklore through the search for heroes in early Irish history to the reworking of ancient Irish literary materials by retelling it in modern vernacular Irish O Leary addresses the many debates and questions concerning Irish writing of the period His study is a model for inquiries into the kind of linguistic literary movement that arises during intense nationalism *Godfool* Pádraig Standún,2011 *Gaelic Prose in the Irish Free State* Philip O'Leary,2010-07-01 This is an authoritative account of the a major but neglected aspect of the Irish cultural renaissance prose literature of the Gaelic Revival The period following the War of Independence and Civil War saw an outpouring of book length works in Irish from the state publishing agency An Gum The frequency and production of new plays both original and translated have never been approached since This book investigates all of these works as well as journalism and manuscript material and discusses them in a lively and often humorous manner Publisher description **Recollections** Roisin Ni Mheara,2015-12-03 When World War II broke out some were trapped in Berlin among them many foreigners such as the author of this book Her stay until almost the end of the war in Berlin drove her into situation and actions she would have never dreamt of Spies poets radio commentators and political intrigues were the order of the day Somehow she had to survive which is what she recollects in this book [The Connemara Champion](#) Ann Henning,2022-06-21 The Connemara Champion is the third and final book in the series about wild young pony Cuaifeach His owner Doreen is struggling to look after the spirited stallion but she knows he has it in him to be a champion Cuaifeach is taken to Dublin to see if he can behave himself as a performance pony before being entered into the prestigious Ballinalee Show Will Cuaifeach become the prize winning champion Doreen knows he can be There are plenty more mischievous adventures ahead in this delightful conclusion to the story by Swedish author Ann Henning Ann Henning Jocelyn was born in Sweden in 1948 Following the death of her father Ann and her siblings were raised by their mother in remote and beautiful Ed on the Norwegian border Ann thrived here by the age of four she was reading and by five she had written her very first story The family moved closer to Gothenburg following her mother s remarriage where Ann struggled in the new environment and turned to her love of reading and writing for comfort Ann wrote her very first book Honeylove the Bearcub by the time she was seven and by nine she had a story published in a magazine Ann attended Gothenburg University to study Classical Architecture and Drama before moving to London to study theatre and drama In 1982 Ann moved to Connemara on the west coast of Ireland to focus on her writing where she still lives today along with her husband The area is well known for its ponies and the creatures became part of Ann s daily life influencing her writing Bestseller *The Connemara Whirlwind* about life in the pony world of

Connemara was followed by The Connemara Stallion and The Connemara Champion Also a keen playwright and theatre advocate Ann co founded the Connemara Theatre Company which has shown several of her plays including Baptism of Fire and The Alternative The Carders. Connemara Eyre Evans Crowe,1825 Connemara Tim Robinson,2007-06-19 In its landscape history and folklore Connemara is a singular region ill defined geographically and yet unmistakably a place apart from the rest of Ireland Tim Robinson who established himself as Ireland s most brilliant living non fiction writer with the two volume Stones of Aran moved from Aran to Connemara nearly twenty years ago This book is the result of his extraordinary engagement with the mountains bogs and shorelines of the region and with its folklore and its often terrible history a work as beautiful and surprising as the place it attempts to describe The Land ,1947 Irish Firebrands: a novel (Volume 2) Christine Plouvier,2018-03-26 He s an Irish political journalist in search of his past She s an American genealogist trying to forget hers But what s the real reason that keeps bringing them together Genealogist Lana Pedersen comes to Ireland with no desire to be involved with any man not six feet under Then two very live Irishmen begin competing for her services and for her heart Smouldering Irish Firebrands ignite in the conclusion to the American Baby Boomer s unexpected adventures in the Emerald Isle IRISH FIREBRANDS took three years to research including a voyage to Ireland Christine Plouvier also writes poetry and nonfiction **Connemara** Michael Gibbons,2004 Paul Henry S. Nationalist activists and intellectuals with whom he associated including renowned writers such as Liam O Flaherty M irt n Cadhain and P draic Conaire to name but a few      **The Men Will Talk to Me: Mayo Interviews by Ernie O'Malley** Cormac O'Malley,Vincent Keane,2014-04-09 In the 1940s and 1950s Ernie O Malley travelled around Ireland interviewing survivors of Ireland s struggle for Independence These interviews now being made available to the public for the first time give a fascinating insight into the times and the people who fought Many of those who were interviewed were unwilling to talk even to their own families about their experience but because O Malley was such a well respected figure they consented to be interviewed by him This book includes accounts of activities in many parts of Mayo and neighbouring parts of Roscommon and Sligo and most of those interviewed also fought against the Free State in the civil war The key events described took place in the early months of 1921 in places such as Kilmeena Tourmakeady and Carrowkennedy      The Visitors Patrick O'Keeffe,2014-01-01 Een ontmoeting met een schijnbaar dakloze zwerver roept bij een in de Verenigde Staten wonende Ier herinneringen op aan zijn jeugd in Ierland
