The Covert Side of Initiation Virgil, For decades members of the esoteric community have considered anyone with magical skills and abilities to be a magician As a result there are few magical training systems designed to turn students into magicians and many magical training systems designed to turn students into people with magical skills and abilities The magical training system developed by the Czech adept Franz Bardon and contained in his three books Initiation into Hermetics The Practice of Magical Evocation and The Key to the True Quabbalah is designed to turn students into magicians Unfortunately many students of the system seek only to become people with magical skills and abilities rather than genuine magicians For this reason they often spend years stuck on the system s basic exercises In this book Virgil discusses some key components of magical training that are hinted at but not expounded upon in the text of Bardon s books Completion of these components is what distinguishes people who are magicians from people who merely possess magical skills and abilities In the process of discussing these components Virgil also elaborates on magical principles explained in his previous books offers helpful advice for common problems magicians will encounter during their training and elucidates one of the most misunderstood exercises of Bardon s training system

The Druid Magic Handbook John Michael Greer, 2025-09-12 The first and only Druidic book of spells rituals and practice The Druid Magic Handbook is the first manual of magical practice in Druidry one of the fastest growing branches of the Pagan movement The book breaks new ground teaching Druids how to practice ritual magic for practical and spiritual goals within their own tradition What sets The Druid Magic Handbook apart is that it does not require the reader to use a particular pantheon or set of symbols Although it presents one drawn from Welsh Druid tradition it also shows the reader how to adapt rites and other practices to fit the deities and symbols most meaningful to them This cutting edge system of ritual magic can be used by Druids Pagans Christians and Thelemites alike This is the first manual of Druidic magical practice ever replete with spell work and rituals
