Concerned Intervention When Your Loved One Won't Quit Alcohol Or Drugs:

Clinical Management of Sex Addiction Patrick Carnes, Kenneth M. Adams, 2013-06-17 This is the first comprehensive volume of the clinical management of sex addiction Collecting the work of 28 leaders in this emerging field the editors provide a long needed primary text about how to approach treatment with these challenging patients The book serves as an excellent introduction for professionals new to the field as well as serving as a useful reference tool The contributors are literally the pioneers of one of the last frontiers of addiction medicine and sex therapy With a growing awareness of sex addiction as a problem plus the advent of cybersex compulsion professional clinicians are being confronted with sexual compulsion with little clinical or academic preparation This is the first book distilling the experience of the leaders in this emerging field With a focus on special populations it also becomes a handy problem solving tool Readable concise and filled with useful interventions it is a key text for a problem clinicians must be able to identify It is destined to be a classic reference

Addiction Intervention Bruce Carruth, Deborah G Wright, Robert K White, 2014-02-04 *Addiction Intervention Strategies to Motivate Treatment Seeking Behavior* shows you how to use the tools of intervention the words the steps and the strategies to be a change agent in the lives of individuals with alcohol and drug addictions It is full of effective strategies and case studies coming from widely respected specialists across several disciplines You ll learn how you can get people to seek help for their chemical dependence resolving the cause of their problems rather than temporarily fixing the symptoms or side effects of their addictions Whether you re an alcohol and drug educator intervention trainer physician nurse social worker employer lawyer judge or counselor *Addiction Intervention* will help you find ways to confront chemically dependent people and motivate them to change their lives You will find the tools of intervention easier to wield than you might otherwise think as you read about how physicians can assess symptoms using various diagnostic tools initiate conversation with a patient and overcome resistance to referral how clinical therapists can develop response specific intervention strategies that are appropriate to clients behavior pathology conducting effective performance related workplace interventions the development and design of impaired professional committees alternative models for peer and administrative interventions the methodologies of student assistance programs and teams brief structured therapy for the family of an addicted person recent changes in the criminal justice system that have encouraged judges to refer individuals to treatment the One Stop Re Employment Social Services Center *Addiction Intervention* brings within your reach results oriented intervention Don t continue to offer band aid solutions or skirt around the real problem of addiction This book will help you help people get their lives back on track permanently

Helping the Addict You Love Laurence M. Westreich, MD, 2007-04-17 It s okay to love them It s your right to help them Addiction destroys people and can even end lives When you know or suspect that someone you love is suffering from addiction you have two goals getting your loved one into treatment and turning that treatment into full fledged sobriety Many addiction experts tell you that you have to disengage or risk being

an enabler a codependent bystander in the wreckage of an addict's life that you have to cut all ties or be taken advantage of financially and emotionally that you have to protect yourself from your loved one who isn't the person you used to know But many friends and family members find it unnatural even impossible to turn away from a person they love who is at his lowest point and refuse to believe that their addict is lost to addiction Backed by his years of experience Dr Westreich guides you through the process of getting the addict you love on the road to treatment and recovery He provides detailed scripts to lead you through pivotal conversations with the addict in your life highlighting the words that he's found to be most effective and the words to avoid With this book in hand family and friends will know for example how to motivate their addict to recognize his problem based on the addict's own definition of what addiction looks like how to raise the bottom that addicts so often must hit to a more acceptable level such as embarrassment job loss or ill health and when to use gentle disagreement quiet listening or forceful confrontation to move the addict toward treatment while managing and protecting their own emotions Dr Westreich also shows you how to engage a therapist in the process and provides methods for combating an addict's defense mechanisms By outlining several treatment options he helps you to weigh what each can and cannot accomplish which is the most effective treatment for the kind of addiction you are dealing with what each treatment requires of the recovering addict and the friend or family member and how successful each is Dr Westreich also takes care to discuss the kinds of special situations you may face when the addict in your life in addition to having a substance abuse problem is a minor is pregnant has mental or medical diseases or has other issues that are likely to affect recovery **Helping the Addict You Love** is the guide that so many loved ones of addicts have desperately needed Dr Westreich supports you through the emotional process of helping the addict you love tells you it's okay to want to help and teaches you how to do so **Am I**
