Concert In The Kitchen:

Gay Guerrilla Renée Levine Packer, Mary Jane Leach, 2015 A compelling portrait of composer performer Julius Eastman's enigmatic and intriguing life and music Composer performer Julius Eastman 1940-90 was an enigma both comfortable and uncomfortable in the many worlds he inhabited black white gay straight classical music disco academia and downtown New York His music insistent and straightforward resists labels and seethes with a tension that resonates with musicians scholars and audiences today Eastman's provocative titles including *Gay Guerrilla* *Evil Nigger* *Crazy Nigger* and others assault us with his obsessions Eastman tested limits with his political aggressiveness as reflected in legendary scandals like his June 1975 performance of John Cage's *Song Books* which featured homoerotic interjections and the uproar over his titles at Northwestern University These episodes are examples of Eastman's persistence in pushing the limits of the acceptable in the highly charged arenas of sexual and civil rights In addition to analyses of Eastman's music the essays in *Gay Guerrilla* provide background on his remarkable life history and the era's social landscape The book presents an authentic portrait of a notable American artist that is compelling reading for the general reader as well as scholars interested in twentieth century American music American studies gay rights and civil rights This *Life of Sounds* Evenings for New Music in Buffalo received an ASCAP Deems Taylor Award for excellence Mary Jane Leach is a composer and freelance writer currently writing music and theatre criticism for the Albany Times Union

Before, Between, and Beyond Sally Banes, 2007-05-25 Sally Banes has been a preeminent critic and scholar of American contemporary dance and *Before Between Beyond* spans more than thirty years of her prolific work Beginning with her first published review and including previously unpublished papers this collection presents some of her finest works on dance and other artistic forms It concludes with her most recent research on George Balanchine's dancing elephants In each piece Banes's detailed eye and sensual prose strike a rare balance between description context and opinion delineating the American artistic scene with remarkable grace With contextualizing essays by dance scholars Andrea Harris Joan Acocella and Lynn Garafola this is a compelling insightful indispensable summation of Banes's critical career

The Names of Minimalism Patrick Nickleson, 2023-01-19 Minimalism stands as the key representative of 1960s radicalism in art music histories but always as a failed project In *The Names of Minimalism* Patrick Nickleson holds in tension collaborative composers in the period of their collaboration as well as the musicological policing of authorship in the wake of their eventual disputes Through examinations of the droning of the Theatre of Eternal Music Reich's *Pendulum Music* Glass's work for multiple organs the austere performances of punk and no wave bands and Rhys Chatham and Glenn Branca's works for massed electric guitars Nickleson argues for authorship as always impure buzzing and indistinct Expanding the place of Jacques Rancière's philosophy within musicology Nickleson draws attention to disciplinary practices of guarding compositional authority against artists who set out to undermine it The book reimagines the canonic artists and works of minimalism as early minimalism to show that art music histories refuse to take seriously challenges to

conventional authorship as a means of defending the very category art music Ultimately Nickleson asks where we end up if we imagine the early minimalist project artists forming bands to perform their own music rejecting the score in favor of recording making extensive use of magnetic tape as compositional and archival medium hosting performances in lofts and art galleries rather than concert halls not as a utopian moment within a 1960s counterculture doomed to fail but as the beginning of a process with a long and influential afterlife **The Parliamentary Debates** Great Britain.
