Provides a comprehensive guide to careers in music covering over 150 job classifications that contribute to the production or dissemination of music The Devil's Music Master Sam H. Shirakawa,1992-07-02 From 1922 until his death in 1954

Wilhelm Furtw ngler was the foremost cultural music figure of the German speaking world conductor of both the Berlin and Vienna Philharmonic orchestras But a cloud still hangs over his reputation despite his undeniable brilliance as a musician because of a fatal and tragic decision Wilhelm Furtw ngler remained in Germany when thousands of intellectuals and artists fled after the Nazis seized power in 1933 His decision to stay behind earned him lasting condemnation as a Nazi collaborator The Devil s Music Master Decades after his death Furtw ngler remains for many not only the greatest but also the most

controversial musical personality of our time In *The Devil's Music Master* Sam H Shirakawa forges the first full length and comprehensive biography of Furtw ngler He surveys Furtw ngler's formative years as a difficult but brilliant prodigy his rise to pre eminence as Germany's leading conductor and his development as a musician composer and thinker Shirakawa also reviews the rich recorded legacy Furtw ngler documented throughout his forty year career such as the legendary Tristan with Kirsten Flagstad and the famous performances of Beethoven's Ninth Symphony in 1942 and 1951 Equally important Shirakawa goes backstage and behind the lines to explore how the Nazis seized control of the arts and how Furtw ngler single handedly tried to prevent evil characters as Propaganda Minister Joseph Goebbels and Luftwaffe Chief Hermann G ring from annihilating Germany's musical life He shows how Furtw ngler far from being a toady to the Nazis stood up openly against Hitler and Himmler at enormous personal risk to salvage the musical traditions of Bach Mozart and Beethoven Shirakawa also presents moving and overwhelming evidence of Furtw ngler's astonishing efforts to save the lives of Jews and other persecuted individuals trapped in Nazi Germany only to be proscribed at the end of the war and nearly framed as a war criminal But there was more to Furtw ngler than his politics or even his music and we come to know this extraordinary man as a reluctant composer a prolific essayist and diary keeper a loyal friend a formidable enemy when crossed and an incorrigible philanderer Numerous musical luminaries share their memories of Furtw ngler to round out this vivid portrait Based on dozens of interviews and research in numerous documents letters and diaries many of them previously unpublished *The Devil's Music Master* is an in depth look at the life and times of a unique personality whose fatal flaw lay in his uncompromising belief that music and art must be kept apart from politics a conviction that transformed him into a tragic figure
