## **Concilium Volume 61 Sacramental Reconciliati:**

**Sacramental reconciliation. Vol. 61 CONCILIUM theology in the age of renewal ,1971      **The Sins of the Nation and the Ritual of Apologies** Danielle Celermajer,2009-04-27** In the last years of the twentieth century political leaders the world over began to apologize for wrongs in their nations pasts Many dismissed these apologies as mere words cynical attempts to avoid more costly forms of reparation others rejected them as inappropriate encroachments into politics or forms of action that belonged in personal relationships or religion To understand apology s extraordinary political emergence we have to suspend our automatic interpretations of what it means for nations to apologize and interrogate their meaning afresh Taking the reader on a journey through apology s religious history and contemporary apologetic dramas this book argues that the apologetic phenomenon marks a new stage in our recognition of the importance of collective responsibility the place of ritual in addressing national wrongs and the contribution that practices that once belonged in the religious sphere might make to contemporary politics      **On the Uses and Abuses of Political Apologies** Mihaela Mihai,Mathias Thaler,2014-07-11 Examining the complex nature of state apologies for past injustices this probes the various functions they fulfil within contemporary democracies Cutting edge theoretical and empirical research and insightful philosophical analyses are supplemented by real life case studies providing a normative and balanced account of states saying sorry      **Religious Books and Serials in Print, 1980-1981 ,1980      **Adult Catechesis** Marie Hill,Brennan Hill,1977**

corrective to putative sacramental theologies that would reduce the spiritual or supernatural efficacy of sacraments to the mere human effort of perception or symbolic interpretation
