Concise Dictionary Of Architectural Terms:

A Concise Dictionary of Architectural Terms John Henry Parker, 2004-01-01 Excellent guides to hundreds of terms used in Greek Roman Medieval and Renaissance architecture with index to illustrations identifying cathedrals castles parish churches Relevant and practical Clem Labine s Traditional Building

A Concise Dictionary of Architectural Terms John Henry Parker, 2012-04-30 John Henry Parker s remarkably timeless dictionary of architecture first published in 1846 became such a success that he continued to revise it for several years A profusely illustrated manual that is valuable as a reference or as a portable guide on visits to historical buildings this authoritative glossary of nearly 500 words used in Greek Roman Italian and Gothic architecture remains highly instructive and informative Accurate engravings complement many of the author s incisive descriptions from a buttress in Glastonbury Abbey to zig zag mouldings in a Norman doorway Extended entries cover arches windows tombs and other architectural elements while shorter notes define less commonly used terms such as cavetto dado and embrasure An indispensable reference for architects and students of architecture the text includes a topographical index to the illustrations identifying the many British cathedrals castles and parish churches used as examples

A Concise Glossary of Architectural Terms John Henry Parker, 1994 This book gives quite a bit of information regarding terms associated with old western european architecture primarily religious and civic buildings The emphasis is strong on middle ages to 1700 s with little reference to no reference to asian african or recent architectural features This would be a good book for examining historical buildings within these parameters but is not suited for examining features of modern buildings or the application of modern architectural terms

The Concise Oxford Dictionary of Art Terms Michael Clarke, 2010-07-08 Searchable database of over 1 900 terms used in the wide variety of visual media that makes up the art world

A Concise Glossary of Architectural Terms John Henry Parker, 1994-02-01 Originally published in 1846 this pocket sized illustrated manual can be used either as a work reference for the home or as a handbook for people visiting historic buildings Over 400 drawings depict all aspects of the subject from the brickwork in the walls of ancient Rome to the vaulted roof of Westminster Abbey As well as extended entries covering entire aspects of construction Parker also included short definitions of less commonly used architectural terms a history of the development of particular features entries concerning ornamentation furniture of specific periods
