## **Concise History Of Mexico:**

*A Concise History of Mexico* Brian R. Hamnett, 1999-11-25 Mexico's fascinating complexities are difficult to approach. This illustrated Concise History begins with a brief examination of contemporary issues while the book as a whole ranging from the Olmecs to the present day combines a chronological and thematic approach while highlighting long term issues and controversies. Modern Mexico founded after independence from Spain in 1821 was created out of a long and disparate historical inheritance which has constantly influenced its evolution. This book takes account of that past and pays attention to the pre-Columbian and Spanish colonial influence. Mexico's economic problems are given historical treatment together with political analysis and attention to social and cultural factors. The book's prime objective is accessibility to readers including those interested in gaining a broad general knowledge of the country and those across the professions anxious to secure a rapid but secure understanding of a subject where there are few starting points.

**A Concise History of Mexico** Brian R. Hamnett, 2006-05-04 The second edition of this accessible study of Mexico includes two new features: an examination of cultural developments since Independence from Spain in 1821 and a discussion of contemporary issues up to the time of publication. Several new plates with captions expand the thematic coverage in the book. The updated edition examines the administration of Vicente Fox who came to power with the elections of 2000. The new sections reinforce the importance of Mexico's long and disparate history from the Precolumbian era onwards in shaping the country as it is today. This Concise History looks at Mexico from political, economic and cultural perspectives and tackles controversial themes such as the impact of the Spanish Conquest and the struggle to establish an independent Mexico. A broad range of readers interested in the modern-day Americas should find here a helpful introduction to this vibrant and dynamic North American society. **The**

**Horizon Concise History of Mexico** Víctor Alba, 1972 *A Concise History of Mexico* Víctor Alba, 1973 **A Concise History of New Mexico** L. Bradford Prince, 2017-09-16 Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing or if necessary rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work. We pride ourselves

on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates     [A Short History of Mexico](#) John Patrick McHenry,2018-09-03 In this concise readable account the history of one of the Western Hemisphere s most important countries is recounted from the first recorded appearance of early man around 10 000 B C down to the present day Through the pages of this book move the men famous and infamous who have Mexican history Montezuma and Cortes the Spanish viceroys whose downfall began when the priest Hidalgo issues his famous Cry of Dolores the Emperor Agustin de Iturbide first ruler of an independent Mexico General Santa Anna who fought and lost the Texas Revolution and the Mexican War the ill fated Emperor Maximilian and Benito Juarez who overthrew him Porfirio Diaz and Francisco Madero Huerta Pancho Villa Carranza and Zapata who were involved in the troubles of the early decades of this century and the president since 1920 among them Obregon Calles Cardenas Aleman and the present incumbent Lopez Mateos     *Revolution from Without* G.
