# Concise History World Since 1945

**Jeffrey Haynes, Peter Hough, Shahin  
Malik, Lloyd Pettiford**

## **Concise History World Since 1945:**

*The World Since 1945* Keith Robbins, 1998 This accessible and stimulating account of world history since 1945 provides a framework for making sense of the political and social developments of this period The underlying theme of the book is the tension between the world conceived as a unity and the world conceived as a diversity From this perspective the author discusses the impulse towards globalization in the aftermath of the Second World War the divisions inherent in the Cold War and the shifting allegiances and conflicts in the decades which followed He ends with an assessment of our position with regard to world unity and disunity as the millennium approaches

**World Politics Since 1945**, 2018 A Concise

History of the World Since 1945 W. M. Spellman, 2020-09-16 This lively synthesis of global history since the end of World War II offers a gripping account of an interdependent world and the challenges facing individuals in the 21st century The narrative is arranged around two key tensions the struggle between socialism and free market capitalism and the interaction between cultural fragmentation and the competing integrative force of globalization Considering the historical experience of Africa Asia and Latin America as well as the West it addresses the ever expanding gulf between the developed North and developing South and the environmental impact of development on the planet's delicate ecosystems Authoritative and well written this is an ideal introductory guide for undergraduate and postgraduate students taking courses on global history since 1945 It is also a fascinating primer for anyone with an interest in global history and the issues affecting the globe today New to this Edition Updated to cover events since 2006 including the conflicts in Afghanistan Iraq and Syria China's economic and military advance to great power status the refugee crises and the global financial crisis of 2008 New material on the international drugs trade global opioid crisis and healthcare implications Expanded material on social media Updated material on environmental issues considering US disengagement from traditional global partners in the area of climate change and the Trump administration's distrust of climate science and executive roll back of established environmental laws More social history especially coverage of women and recent developments around issues of sexuality Expanded section on Islam to include developments within the mainstream as opposed to radical tradition worldwide and current historiography

*Europe Since 1945* J. Robert Wegs, Robert Ladrech, 2017-09-16 As Europe has expanded its influence in world economic and political affairs there has been an increased need to understand how Europe recovered from the devastation of World War II to become a major world player This concise history offers a comprehensive overview of Europe's political social economic and cultural developments since 1945 J Robert Wegs and Robert Ladrech balance a narrative of the major events and personalities of the post war political scene with a critical assessment of key issues and themes such as The development of the welfare state European integration and the European Union The Cold War The rise and fall of the Soviet Empire The political economic turmoil in eastern Europe since 1989 The place of Europe in the globalisation of the world's political economic affairs The text also features further reading sections at the end of each chapter to aid more detailed study and is

enhanced throughout with tables maps and illustrations Written for students and general readers alike this thoroughly revised updated and expanded new edition is an ideal introduction for anyone with an interest in the history and politics of post war Europe east and west

**Religion, Identity and Conflict in Britain: From the Restoration to the Twentieth Century** Frances Knight, 2016-04-08 The British state between the mid seventeenth century to the early twentieth century was essentially a Christian state Christianity permeated society defining the rites of passage baptism first communion marriage and burial that shaped individual lives providing a sense of continuity between past present and future generations and informing social institutions and voluntary associations Yet this religious conception of state and society was also the source of conflict The Restoration of the monarchy in 1660 brought limited toleration for Protestant Dissenters who felt unable to worship in the established Church and there were challenges to faith raised by biblical and historical scholarship science moral questioning and social dislocations and unrest This book brings together a distinguished team of authors who explore the interactions of religion politics and culture that shaped and defined modern Britain They consider expressions of civic consciousness in the expanding towns and cities the growth of Welsh national identity movements for popular education and temperance reform and the influence of organised sport popular journalism and historical writing in defining national life Most importantly the contributors highlight the vital role of religious faith and religious institutions in the understanding of the modern British state

**The Oxford Handbook of Gender, War, and the Western World Since 1600** Karen

Hagemann, Stefan Dudink, Sonya O. Rose, 2020 To date war history has focused predominantly on the efforts of and impact of war on male participants However this limited focus disregards the complexity of gendered experiences with war and the military The Oxford Handbook of Gender War and the Western World since 1600 investigates how conceptions of gender have contributed to the shaping of military culture examining the varied ideals and practices that have socially differentiated men and women s wartime experiences Covering the major periods in warfare since the seventeenth century The Handbook explores cultural representations of war and the interconnectedness of the military with civil society and its transformations

The Ashgate Research Companion to World Methodism William Gibson, Peter Forsaith, Martin Wellings, 2016-03-23 As a religious and social phenomenon Methodism engages with a number of disciplines including history sociology gender studies and theology Methodist energy and vitality have intrigued and continue to fascinate scholars This Companion brings together a team of respected international scholars writing on key themes in World Methodism to produce an authoritative and state of the art review of current scholarship mapping the territory for future research Leading scholars examine a range of themes including the origins and genesis of Methodism the role and significance of John Wesley Methodism s emergence within the international and transatlantic evangelical revival of the Eighteenth Century the evolution and growth of Methodism as a separate denomination in Britain its expansion and influence in the early years of the United States of America Methodists roles in a range of philanthropic and social movements including the abolition of slavery education and

temperance the character of Methodism as both conservative and radical its growth in other cultures and societies the role of women as leaders in Methodism both acknowledged and resisted the worldwide spread of Methodism and its enculturation in America Asia and Africa the development of distinctive Methodist theologies in the last three centuries its role as a progenitor of the Holiness and Pentecostal movements and the engagement of Methodists with other denominations and faiths across the world This major companion presents an invaluable resource for scholars worldwide particularly those in the UK North America Asia and Latin America      **A Short History of Western Political Thought** W. M.

Spellman,2017-09-16 This brief narrative survey of political thought over the past two millennia explores key ideas that have shaped Western political traditions Beginning with the Ancient Greeks classical emphasis on politics as an independent sphere of activity the book goes on to consider the medieval and early modern Christian views of politics and its central role in providing spiritual leadership Concluding with a discussion of present day political thought W M Spellman explores the return to the ancient understanding of political life as a more autonomous sphere and one that doesn t relate to anything beyond the physical world Setting the work of major and lesser known political philosophers within its historical context the book offers a balanced and considered overview of the topic taking into account the religious values inherited ideas and social settings of the writers Assuming no prior knowledge and written in a highly accessible style **A Short History of Western Political Thought** is ideal for those seeking to develop an understanding of this fascinating and important subject      The Biafran War and Postcolonial Humanitarianism Lasse Heerten,2017-09-28 A global history of Biafra providing a new explanation for the ascendance of humanitarianism in a postcolonial world      **The Routledge Companion to World History since 1914** Chris Cook,John Stevenson,2006-01-27 The Routledge Companion to World History since 1914 is an

outstanding compendium of facts and figures on World History Fully up to date reliable and clear this volume is the indispensable source of information on a thorough range of topics such as the Arab Israeli conflict anti semitism and the Holocaust all the world s major famines and natural disasters since 1914 whether all countries of the world have a king president prime minister or other governance GNP of the world s major states year by year biographies of key figures civil rights movements the Vietnam War the rise of terrorism globalization Thematically presented the book covers topics relevant from the First World War to the Iraq war of 2003 and from post colonial Africa to conflicts and movements in Southeast Asia With maps chronologies and full bibliography this user friendly reference work is the essential companion for students of history politics and international relations and for all those with an interest in world history      **The World Since 1945: A Brief History, 2/e** Daniel R. Brower,2007      *World and Its Peoples* Marshall Cavendish,2006-09 Describes the geography people culture and politics of the countries of the Middle East Central Asia and North Africa      A History of the World from the 20th to the 21st Century John Ashley Soames Grenville,2005 Provides a comprehensive survey of the key events and personalities of this period      *Strait Rituals* Pang Yang Huei,2019-03-01 The two Taiwan Strait crises took place during a

particularly tense period of the Cold War. Although each incident was relatively brief, their consequences loom large. Based on analyses of newly available documents from Beijing, Taipei, and Washington, Pang Yang Huei challenges conventional wisdom that claims Sino-US misperceptions of each other's strategic concerns were critical in the 1950s. He underscores the fact that Washington, Taipei, and Beijing were actually aware of one another's strategic intentions during the crises. He also demonstrates conclusively that both crises can be understood as a transformation from tacit communication to tacit accommodation. An important contribution of this study is a better understanding of the role of ritual symbols and gestures in international relations. While it is true that these two crises resulted in a stalemate, the fact that all parties were able to cultivate talks and negotiations brought relations, especially between the US and China, to a new and more stable level. Simply averting the threat of war was a major achievement. *Strait Rituals* is an important micro history of a significant moment during the Cold War and a rich interpretation of the theoretical use of multiple points of view in writing history. It sets a new standard for understanding China's place in the world. *Strait Rituals* is a solidly detailed and thoroughly footnoted excursion into a critical stage of Cold War history. Dr. Pang's exhaustive archival work sets a real standard in the amalgamation of different sources to reevaluate the Taiwan Strait crises in the 1950s, the repercussions of which can still be felt today. Hsiao-ting Lin, Hoover Institution, Stanford University. An excellent book for those interested in the Taiwan Strait crises in the context of the overall history of international affairs in the Asia-Pacific region. The book will prove to be of great value to those interested in the history of the region that is bound to increase in importance in the years to come. Akira Iriye, Harvard University. Dispassionate, balanced, rigorous in the presentation of facts, much drawn from Chinese archival sources, Pang Yang Huei's work will be indispensable for anyone seeking to understand the issues surrounding this Cold War hangover that continues to trouble contemporary politics across the Taiwan Strait. Geoffrey C. Gunn, *Journal of Contemporary Asia*.

**A Brief History of American Literature** Richard Gray, 2010-12-28. A Brief History of American Literature offers students and general readers a concise and up-to-date history of the full range of American writing from its origins until the present day. Represents the only up-to-date concise history of American literature. Covers fiction, poetry, drama, and non-fiction, as well as looking at other forms of literature including folktales, spirituals, the detective story, the thriller, and science fiction. Considers how our understanding of American literature has changed over the past twenty years. Offers students an abridged version of *History of American Literature*, a book widely considered the standard survey text. Provides an invaluable introduction to the subject for students of American literature, American studies, and all those interested in the literature and culture of the United States.

**A Supreme Question** Lee Richey, 2020-04-06. Though certainly not an original or novel topic of discussion, cellist, conductor, and curious thinker Lee Richey invites and encourages the reader to think, question, consider, and explore the specifics and meaning of their faith or philosophy, most specifically belief in a Supreme Being. Hence, *A Supreme Question*. While offering no definitive conclusion, Richey combines personal perspectives with the scholarly documentation of renown.

religious and scientific authors in an attempt to help illuminate how and why humanity is drawn to religion deities God science evolution or any combination At the very least he hopes to encourage a continued and respectful dialogue and debate

**A Short History of Italy** Henry Dwight Sedgwick,2011      Rethinking Global Governance Justin Jennings,2023-05-09  
This book argues that long ignored non western political systems from the distant and more recent past can provide critical insights into improving global governance These societies show how successful collective action can occur by dividing sovereignty consensus building power from below and other mechanisms For a better tomorrow we need to free ourselves of the colonial constraints on our political imagination A pandemic war in Europe and another year of climatic anomalies are among the many indications of the limits of global governance today To meet these challenges we must look far beyond the status quo to the thousands of successful mechanisms for collective action that have been cast aside a priori because they do not fit into Western traditions of how people should be organized Coming from long past or still enduring societies often dismissed as savages and primitives until well into the twentieth century the political systems in this book were often seen as too acephalous compartmentalized heterarchical or anarchic to be of use Yet as globalization makes international relations more chaotic long ignored governance alternatives may be better suited to today s changing realities Understanding how the Zulu Trypillian Alur and other collectives worked might be humanity s best hope for survival This book will be of interest both to those seeking to apply archaeological and ethnographic data to issues of broad contemporary concern and to academics politicians policy makers students and the general public seeking possible alternatives to conventional thinking in global governance      A Short History of War Jeremy Black,2021-09-28 A wonderfully engaging accessible introduction to war from ancient times to the present and into the future Throughout history warfare has transformed social political cultural and religious aspects of our lives We tell tales of wars past present and future to create and reinforce a common purpose In this engaging overview Jeremy Black examines war as a global phenomenon looking at the First and Second World Wars as well as those ranging from Han China and Assyria Imperial Rome and Napoleonic France to Vietnam and Afghanistan Black explores too the significance of warfare more broadly and the ways in which cultural understandings of conflict have lasting consequences in societies across the world Weaponry Black argues has had a fundamental impact on modes of war it created war in the air and transformed it at sea Today as twentieth century weapons are challenged by drones and robotics Black examines what the future of warfare looks like      *World Politics* Jeffrey Haynes,Peter Hough,Shahin Malik,Lloyd Pettiford,2013-09-13 From the war on terror to the global financial crisis traditional concepts of world politics are being challenged on a daily basis In these uncertain times the study of international relations and the forces that shape them have never been more important Written specifically for students who are approaching this subject for the first time *World Politics* is the most accessible coherent and up to date account of the field available It covers the historical backdrop to today s political situations the complex interactions of states and non state actors the role of political economy human security in all

its forms and the ways in which culture religion and identity influence events World Politics takes a new approach that challenges traditional interpretations and will equip students with the knowledge and the confidence needed to tackle the big issues

### **Concise History World Since 1945 Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Concise History World Since 1945 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Concise History World Since 1945 has opened up a world of possibilities. Downloading Concise History World Since 1945 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Concise History World Since 1945 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Concise History World Since 1945. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Concise History World Since 1945. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Concise History World Since 1945, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Concise History World Since 1945 has transformed the way we access information. With the convenience, cost-

effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## **FAQs About Concise History World Since 1945 Books**

1. Where can I buy Concise History World Since 1945 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
