Janet E. Hunter**

Concise Dictionary Of Modern Japanese History

Margaret Sanger

Concise Dictionary Of Modern Japanese History:

Concise Dictionary of Modern Japanese History Kodansha, 1984 *Concise Dictionary of Modern Japanese History* Janet Hunter, 1984 This is a concise reliable guide to the people places events and ideas of significance from the Meiji Restoration to the present **Park Chung Hee and Modern Korea** Carter J. Eckert, 2016-11-07 This first volume in a two part study examines the origins of South Korean authoritarianism as personified by the militant political leader For South Koreans the twenty years from the early 1960s to late 1970s were the best and worst of times a period of unprecedented economic growth and of political oppression that deepened as prosperity spread In this masterly account Carter J Eckert finds the roots of South Korea s dramatic socioeconomic transformation in the country s long history of militarization a history personified in South Korea s paramount leader Park Chung Hee In Park Chung Hee and Modern Korea Eckert reveals how the foundations of Park s leadership were established during the period of Japanese occupation As a cadet in the Manchurian Military Academy Park and his fellow officers absorbed the Imperial Japanese Army s ethos of victory at all costs and absolute obedience to authority When Park seized power in 1961 he applied this ethos to the project of Korean modernization Korean society under Park exuded a distinctively martial character Eckert shows Its hallmarks included the belief that the army should intervene in politics in times of crisis that a central authority should manage the country s economic system and that the state should maintain a strong disciplinary presence in society reserving the right to use violence to maintain order A milestone in the literature of modern East Asia Bruce Cumings author of *Korea s Place in the Sun* *Imperial-Way Zen* Christopher Ives, 2009-07-08 During the first half of the twentieth century Zen Buddhist leaders contributed actively to Japanese imperialism giving rise to what has been termed Imperial Way Zen Kodo Zen Its foremost critic was priest professor and activist Ichikawa Hakugen 1902 1986 who spent the decades following Japan s surrender almost single handedly chronicling Zen s support of Japan s imperialist regime and pressing the issue of Buddhist war responsibility Ichikawa focused his critique on the Zen approach to religious liberation the political ramifications of Buddhist metaphysical constructs the traditional collaboration between Buddhism and governments in East Asia the philosophical system of Nishida Kitaro 1876 1945 and the vestiges of State Shinto in postwar Japan Despite the importance of Ichikawa s writings this volume is the first by any scholar to outline his critique In addition to detailing the actions and ideology of Imperial Way Zen and Ichikawa s ripostes to them Christopher Ives offers his own reflections on Buddhist ethics in light of the phenomenon He devotes chapters to outlining Buddhist nationalism from the 1868 Meiji Restoration to 1945 and summarizing Ichikawa s arguments about the causes of Imperial Way Zen After assessing Brian Victoria s claim that Imperial Way Zen was caused by the traditional connection between Zen and the samurai Ives presents his own argument that Imperial Way Zen can best be understood as a modern instance of Buddhism s traditional role as protector of the realm Turning to postwar Japan Ives examines the extent to which Zen leaders have reflected on their wartime political stances and started to construct a critical

Zen social ethic Finally he considers the resources Zen might offer its contemporary leaders as they pursue what they themselves have identified as a pressing task ensuring that henceforth Zen will avoid becoming embroiled in international adventurism and instead dedicate itself to the promotion of peace and human rights Lucid and balanced in its methodology and well grounded in textual analysis Imperial Way Zen will attract scholars students and others interested in Buddhism ethics Zen practice and the cooptation of religion in the service of violence and imperialism **The Mito Ideology** J. Victor Koschmann,1987-01-01 Lever of Empire Mark Metzler,2006-03-13 This book the first full account of Japan s financial history and the Japanese gold standard in the pivotal years before World War II provides a new perspective on the global political dynamics of the era by placing Japan rather than Europe at the center of the story Focusing on the fall of liberalism in Japan in late 1931 and the global politics of money that were at the center of the crisis Mark Metzler asks why successive Japanese governments from 1920 to 1931 carried out policies that deliberately induced deflation and depression His search for answers stretches from Edo to London to the ragged borderlands of the Japanese empire and from the eighteenth century to the 1950s integrating political and monetary analysis to shed light on the complex dynamics of money empire and global hegemony His detailed and broad ranging account illuminates a range of issues including Japan s involvement in the economic dynamics that shook interwar Europe the character of U S isolationism and the rise of fascism as an international phenomenon Justice in Japan Richard H. Mitchell,2002-03-31 The Imperial Rayon Company corruption scandal popularly known as the Teijin incident was Japan s major interwar political bribery case Compared to numerous Japanese corruption cases of the past century the Teijin affair stands out as not only the most sensational of the pre 1945 era but also the most important perhaps because more than any other case it has left an indelible mark on the public mind Nevertheless Japanese and foreign scholars have neglected this incident which brought down an entire cabinet and produced a record setting trial The sixteen defendants all prominent bureaucrats ministers and businessmen were charged with illegally profiting from the sale of Imperial Rayon Company stock held by the Bank of Japan In December 1937 after a more than two year trial all sixteen were found innocent when the judges declared that the case had been fabricated by the prosecution Their verdict ranks in importance with the famous Otsu case judgment the benchmark for judicial independence from the executive Despite its importance basic facts about the Teijin case remain obscure as scholars repeat factual misinformation and produce farfetched conspiracy theories This study the first comprehensive scholarly work on the subject in English or Japanese investigates controversial and important issues regarding the origins results and significance of the incident It illustrates transwar continuities within the judicial system by showing that the institutional flaws in the old criminal justice system which were magnified by the Teijin investigation and trial remain embedded despite reform attempts during the Occupation While illuminating the basic institutional features that generated it the author uses the incident to spotlight the considerable amount of political criticism and public conflict that existed in Japan in the 1930s *Homosexuality and*

Manliness in Postwar Japan Jonathan D. Mackintosh, 2010 Japan's first professionally produced commercially marketed and nationally distributed gay lifestyle magazine *Barazoku* The Rose Tribes was launched in 1971 Publicly declaring the beauty and normality of homosexual desire *Barazoku* electrified the male homosexual world whilst scandalising mainstream society and sparked a vibrant period of activity that saw the establishment of an enduring Japanese media form the homo magazine Using a detailed account of the formative years of the homo magazine genre in the 1970s as the basis for a wider history of men this book examines the relationship between male homosexuality and conceptions of manliness in postwar Japan The book charts the development of notions of masculinity and homosexual identity across the postwar period analysing key issues including public private homosexualities inter racial desire male male sex love and friendship the masculine body and manly identity The book investigates the phenomenon of manly homosexuality little treated in both masculinity and gay studies on Japan arguing that desires and individual narratives were constructed within and not necessarily outside of the dominant narratives of the nation manliness and Japanese culture Overall this book offers a wide ranging appraisal of homosexuality and manliness in postwar Japan that provokes insights into conceptions of Japanese masculinity in general

Science and the Building of a New Japan M. Low, 2005-08-05 This book highlights the importance of individuals in the shaping of postwar Japan by providing an historical account of how physicists constituted an influential elite An history of science perspective provides insight into their role helping us to understand the hybrid identity of Japanese scientists and how they reinvented not only themselves but also Japan The book is special in that it uses the history of science to deal with issues relating to Japanese identity and how it was transformed in the decades after Japan's defeat It explores the lives and work of seven physicists two of whom were Nobel prize winners It makes use of little known Occupation period documents personal papers of physicists and Japanese language source material *The Selected Papers of Margaret Sanger, Volume 4* Margaret Sanger, 2016-10-01 When Margaret Sanger returned to Europe in 1920 World War I had altered the social landscape as dramatically as it had the map of Europe Population concerns sexuality venereal disease and contraceptive use had entered public discussion and Sanger's birth control message found receptive audiences around the world This volume focuses on Sanger from her groundbreaking overseas advocacy during the interwar years through her postwar role in creating the International Planned Parenthood Federation The documents reconstruct Sanger's dramatic birth control advocacy tours through early 1920s Germany Japan and China in the midst of significant government and religious opposition to her ideas They also trace her tireless efforts to build a global movement through international conferences and tours Letters journal entries writings and other records reveal Sanger's contentious dealings with other activists her correspondence with the likes of Albert Einstein and Eleanor Roosevelt and Sanger's own dramatic evolution from gritty grassroots activist to postwar power broker and diplomat A powerful documentary history of a transformative twentieth century figure *The Selected Papers of Margaret Sanger Volume 4* is a primer for the debates on individual choice sex

education and planned parenthood that remain all too pertinent in our own time *The U.S., Japan, and Asia* Frances Scott, 1993 *Pakistan-Japan Relations* Ahmad Rashid Malik, 2008-09-03 This book examines the complex nature of Pakistan Japan relations focusing on two key factors economic interests and security concerns in the US led global security system Providing a thorough analysis of the history of relations between the countries it also sets out future prospects for economic and diplomatic relations Japan faces the World, 1925-1952 Mary L. Hanneman, 2013-11-14 By 1925 the process of Japan's transition to a modern industrialised westernised state was pretty much complete Not only had the imperial tradition been restored with the Meiji Restoration in 1868 but some forms of democratic parliamentary institutions had been set up However during the years that followed the so called imperial democracy came under pressure as the Japanese sought to impose tight control over not only their own people but their neighbours as well This impressive survey looks at developments at home Japan's aggressive foreign policy particularly in China during the 1930s and 1940s and her role in the Second World War Finally the post war reconstruction orchestrated by the Americans is examined The cut off point is 1952 the date when Allied Occupation formally came to an end and Japan once again became independent *Anthropology and Colonialism in Asia* Jan van Bremen, Akitoshi Shimizu, 2013-03-07 For a time it was almost a cliché to say that anthropology was a handmaiden of colonialism by which was usually meant Western colonialism And this insinuation was assumed to somehow weaken the theoretical claims of anthropology and its fieldwork achievements What this collection demonstrates is that colonialism was not only a Western phenomenon but Eastern as well And that Japanese or Chinese anthropologists were also engaged in studying subject peoples But wherever they were and whoever they were anthropologists always had a complex and problematic relationship with the colonial state The latter saw some anthropologists sympathy for the natives as a threat while on the other hand anthropological knowledge was used for the training of colonial officials The impact of the colonial situation on the formation of anthropological theories is an important if not easily answered question and the comparison of experiences in Asia offered in this book further helps to illuminate this complex relationship *The English-language Press Networks of East Asia, 1918-1945* Peter O'Connor, 2010-09-01 This study is the first to assess the combined significance of the English language newspapers of China Japan and Korea in the period 1918-45 It not only frames the English language press networks in the international media history of East Asia but also relates them to media developments in the British world linking Fleet Street to the Empire and Dominions and to the rise of the United States as a broker of international opinion on and in the Asia Pacific The English language newspapers occupied a narrow but significant segment of the public sphere in East Asia in the inter war years As forums of opinion on Japanese Chinese and Western interests in East Asia they also served as vehicles of propaganda particularly during the crisis ridden 1930s and the Pacific War With this examination of the media affiliations editorial line and access to official bodies in East Asia and the West of most of the English language newspapers published in East Asia in the period under review the author demonstrates that

these publications formed distinct networks in terms of the editorial positions they took vis a vis the key issues of the day especially Japan's imperial project in East Asia

Consul in Japan, 1903-1941 Hugo Read, 2025-10-01 A rare account by a foreigner working in Japan in the 20th century a unique insight into this important period of Japan's history complements existing material First a student interpreter then an assistant in Korea Vice Consul in Yokohama and Osaka Consul in Nagasaki and Dairen then Consul General in Seoul Osaka Mukden and Tientsin Not a contemporary diary as such but a write up of notes made towards the end of White's career spanning thirty eight years Importantly it includes reflective passages on the momentous developments of the later 1930s as Japan moved onto a war footing in China and as Consul General in the Chinese treaty port of Tianjin under Japanese occupation White was in the middle of the growing tensions between Britain and Japan His post war recollections are also valuable Like others who had lived and worked in Japan he sought to come to terms with what had happened to the country in which he had spent so much of his adult life Along the way he provides fascinating vignettes of his colleagues some well known others less so while his service in Seoul Mukden now Shenyang and Tianjin provides fresh material on the Japanese colonial empire

Facing Japan Parks M. Coble, 2020-03-17 In Facing Japan Parks M Coble focuses on how events that took place during the Japanese occupation of Manchuria from 1931 until war erupted in 1937 affected the Chinese government and public opinion Both in the places where incidents occurred and in other centres of power Japanese threats attacks and economic demands pressed Nationalist China relentlessly and aroused popular indignation Throughout most of the period Chiang Kai Shek was trying to wrest control of China from all domestic rivals Aware that his army was inferior to Japan's his Nationalist government repeatedly made concessions in response to Japanese provocations Chiang busied himself with anti Communist campaigns leaving others to take public responsibility for his unpopular appeasement policies For such crises as the Mukden Incident and the Japanese attack on Shanghai Coble examines the tension that Chiang's policy caused within the Kuomintang and the alternatives put forward by other major leaders both inside and outside the government To further explore the political complexities of the day Coble traces the actions of regional leaders and their constantly changing relations to the central government in Nanking reviews editorials of various newspapers and chronicles the actions of student organizations and patriotic associations

Assembled in Japan Simon Partner, 1999 Wonderful material The author is good on the importation not only of American technology but also of manufacturing ideas and marketing theories David E Nye author of Consuming Power

Hiratsuka Raichō and Early Japanese Feminism Hiroko Tomida, 2003-12-01 This work on Hiratsuka Raichō at last fully assesses her key role in the history of the Japanese women's movement It provides a full and contextual analysis of the life 1886-1971 and work of this leading Japanese feminist all in the light of the changes affecting women in Japan At the same time the author compares her working with similar historical shifts and movements in western countries notably Great Britain and the United States International comparisons at the level of personal biography and associated ideas are made to see the influence of Western

feminists on Hiratsuka's feminism Hiratsuka is compared with other Japanese feminists whereby her pivotal role in the history of the Japanese women's movement becomes clear With extensive footnotes for further reference and research a number of appendices a detailed bilingual glossary and bibliography a true reference on an important subject **The Cross in the Dark Valley** A. Hamish Ion, 2006-01-01 In this pioneer study Ion investigates the experience of the Canadians who were part of the Protestant missionary movement in the Japanese Empire He sheds new light on the dramatic challenges faced by foreign missionaries and Japanese Christians alike in what was the watershed period in the religious history of twentieth century East Asia The Cross in the Dark Valley delivers significant lessons for Christian and missionary movements in Asia Africa the Americas and Europe which even now have to contend with oppression from authoritarian regimes and with hostility This new book by A Hamish Ion written with objectivity and scholarly competence will be of interest to all scholars of Japanese Canadian relations and missionary studies as well as to general historians

The Top Books of the Year Concise Dictionary Of Modern Japanese History The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have captivated audiences this year. Concise Dictionary Of Modern Japanese History : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Concise Dictionary Of Modern Japanese History : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

Concise Dictionary Of Modern Japanese History Introduction

In today's digital age, the availability of Concise Dictionary Of Modern Japanese History books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Concise Dictionary Of Modern Japanese History books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Concise Dictionary Of Modern Japanese History books and manuals for download is the cost-saving aspect. Traditional books and

manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Concise Dictionary Of Modern Japanese History versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Concise Dictionary Of Modern Japanese History books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Concise Dictionary Of Modern Japanese History books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Concise Dictionary Of Modern Japanese History books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Concise Dictionary Of Modern Japanese History books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Concise Dictionary Of Modern Japanese History books and manuals for download and embark on your journey of

knowledge?
