Concise History Of The Shire Horse

Isabelle Randall, Richard L. Saunders

Concise History Of The Shire Horse:

Concise History of the Shire Horse Walter Gilbey, 2008-08 *Concise History of the Shire Horse* Sir Walter Gilbey, J. Barnes, 1990 **Concise History of the Shire Horse** Sir Walter Gilbey, 1976-01-01 The History of the Shire Horse and the Origin of the English Cart-Horse Society Frederic Street, 1883 **The Old English War-horse**, 1888 Animal Breeding, Welfare and Society Jacky Turner, 2010

The determination of when how often and with whom an animal breeds is moving rapidly away from evolutionary pressures and towards human purposes these include the breeding of around 50 billion mammals and birds for food production annually the breeding of pedigree dogs and cats racing dogs and horses specialised laboratory animal strains and the use of reproductive science to conserve endangered species or breeds and to limit unwanted populations of pests and non native species But the ethics and sustainability of this takeover of animals reproductive lives have been insufficiently examined by either professionals or the public This book discusses the methods the motivations and the consequences of human intervention in animal breeding in terms of animal health behaviour and well being It explores where we are now and the choices ahead and looks to a future where we have more respect for animals as sentient beings and where we could loosen the reins of reproductive control

A Lady's Ranch Life in Montana Isabelle Randall, Richard L. Saunders, 2004 A faithful and unvarnished Record of a Settler's Life is how Isabel Randall described her letters when they were first published in 1887 Many foreign travelers published accounts of their visits to the American West but Randall was one of the few European women to write about the western experience from the inside In 1884 Randall and her husband settled on a ranch in Montana hoping to make their fortune in the livestock boom Randall's letters home to England describe the practical affairs of daily life rural social interactions and the natural world around her Her letters are cheerful but they also suggest why the Randalls ultimately failed to achieve financial success In this new edition of *A Lady's Ranch Life in Montana* Richard L Saunders supplements Randall's letters with notes and an extensive introduction drawn from a wealth of primary sources He sketches the Randalls lives before and after their western adventure describes the stock industry that drew them to Montana places Isabel's letters in the context of English attitudes toward Americans and discusses her neighbors reactions to her criticisms of local society

A Short History of English Agriculture W. H. R. Curtler, 2022-08-01 In *A Short History of English Agriculture* W H R Curtler presents a meticulous exploration of the evolution of agricultural practices in England from the prehistoric era to the early 20th century With a keen analytical lens Curtler employs a narrative style that interweaves socio economic factors technological advancements and agricultural reforms providing readers with a nuanced understanding of the agricultural landscape The book situates agriculture within the larger context of English history revealing how shifts in farming methods influenced societal structures rural economy and even national policy thus echoing the realities faced by agrarian communities throughout time W H R Curtler an esteemed scholar in agricultural history draws on his extensive education in agricultural sciences and historical research to

inform his writing His passion for rural studies coupled with an acute awareness of the impact of industrialization on farming practices has led him to carefully document the transformation of agriculture over the centuries Through his scholarly pursuits Curtler aims to emphasize the importance of understanding agriculture not merely as a sector but as a vital thread woven into the fabric of English identity and economy I highly recommend this book to scholars students and anyone interested in agriculture s profound influence on society Curtler s thoughtful synthesis of historical data and literary style makes this work not only informative but also engaging A Short History of English Agriculture serves as an essential reference for understanding the agricultural foundations that have shaped modern England *From the Deer to the Fox* Mandy de Belin,2013-09-01 Between the 17th and 19th centuries the sport of hunting was transformed the principal prey changed from deer to fox and the methods of pursuit were revolutionized Questioning the traditional explanation of the hunting transition namely that change in the landscape led to a decline of the deer population this book explores the terrain of Northamptonshire during that time period and seeks alternative justifications Arguing that the many changes that hunting underwent in England were directly related to the transformation of the hunting horse this in depth account demonstrates how the near thoroughbred horse became the mount of choice for those who hunted in the shires This book shows how quite literally the thrill of the chase drove the hunting transition *The Book of the Farm* Henry Stephens,1891 Historia medicinae veterinariae ,1981 The National Live-stock Journal ,1881 *The History of the Shire Horse* Frederic Street,2018-03-15 This special re print edition of Street s History of the Shire Horse is considered one of the most important works ever published on this famous breed of draught horse First published in 1883 this important work on Shire Horses has not seen the light of day since its early publication Chapters include History of the Shire Horse The Breeding Rearing and Management of the Shire Horse Origin of the English Cart Horse Society The Stud Book and more The only book of its kind Note This edition is a perfect facsimile of the original edition and is not set in a modern typeface As a result some type characters and images might suffer from slight imperfections or minor shadows in the page background **Heavy Horses** Herman Biddell,C. I. Douglas,Thomas Dykes,1898 **Whitaker's Books in Print** ,1998 *Anglorum Gesta; or, a brief History of England ... since the first attempt by Julius Cæsar upon this island, to the Coronation day of ... King Charles the Second, etc* George MERITON (Gent.),1678 Paperbound Books in Print ,1992 *A Bibliography of Regimental Histories of the British Army* Arthur S. White,2013-02-04 This is one of the most valuable books in the armoury of the serious student of British Military history It is a new and revised edition of Arthur White s much sought after bibliography of regimental battalion and other histories of all regiments and Corps that have ever existed in the British Army This new edition includes an enlarged addendum to that given in the 1988 reprint It is quite simply indispensable **A Short History of the English People** J. R. Green,2024-05-10 Reprint of the original first published in 1875 Catalogue of the Books in the Library of the Institute of Jamaica Institute of Jamaica. Library,1895
