Concise Nuxalk English Dictionary

Eric Raimy

Concise Nuxalk English Dictionary:

A Concise Nuxalk-English Dictionary H. F. Nater, Canadian Museum of Civilization, Canadian Ethnology Service, 1990 This dictionary lists in alphabetical order over 2000 Nuxalk morphemes as well as sample words and sentences gathered by the author at Bella Coola British Columbia between 1972 and 1983 **A concise Nuxalk-English dictionary** H. F.

Nater, 1990-01-01 This dictionary lists in alphabetical order over 2 000 Nuxalk morphemes as well as sample words and sentences gathered by the author at Bella Coola British Columbia between 1972 and 1983 The morphemes are numbered and reference is frequently made to the author's Nuxalk grammar which appeared earlier in this series Paper No 92 Published in English Switchbacks Jennifer Kramer, 2011-11-01 Switchbacks explores how the Nuxalk of Bella Coola British Columbia negotiate such complex questions as Who owns culture How should culture be transmitted to future generations Where does selling and buying Nuxalk art fit into attempts to regain control of heritage To answer these questions Jennifer Kramer undertook participant observation at Nuxalk artists studios in the Nuxalk run band school's cultural education classes and during the everyday activities of Nuxalk in their homes She charts the fluid character of tangible material culture such as masks and other regalia and intangible material culture such as songs and dances as they moved in and out of the cultural education curriculum the Western art market and the Western legal system In addition Kramer analyzes the ambivalent reactions of the Nuxalk to ownership appropriation and repatriation of Nuxalk culture The Nuxalk oscillate between essential stances a process Kramer likens to switchbacks on a mountain road Through these recurrent movements they create recreate and validate contemporary Nuxalk identity Kramer demonstrates that loss of cultural objects proves that Nuxalk culture is valuable through external affirmation In this way the Nuxalk use their cultural patrimony to assert their collective national identity At stake are not only definitions of alienable and inalienable property but also a unified national identity that affords the Nuxalk a strong position from whence to reclaim traditional territory and regain self determination in British Columbia Switchbacks will appeal to scholars and students interested in questions of cultural ownership and identity in general and in Nuxalk culture in particular **The Languages of Native North America** Marianne Mithun, 2001-06-07

This book provides an authoritative survey of the several hundred languages indigenous to North America These languages show tremendous genetic and typological diversity and offer numerous challenges to current linguistic theory Part I of the book provides an overview of structural features of particular interest concentrating on those that are cross linguistically unusual or unusually well developed These include syllable structure vowel and consonant harmony tone and sound symbolism polysynthesis the nature of roots and affixes incorporation and morpheme order case grammatical distinctions of number gender shape control location means manner time empathy and evidence and distinctions between nouns and verbs predicates and arguments and simple and complex sentences and special speech styles Part II catalogues the languages by family listing the location of each language its genetic affiliation number of speakers major published literature and

structural highlights Finally there is a catalogue of languages that have evolved in contact situations *Dictionary of Upriver Halkomelem* Brent Douglas Galloway, 2009-09-01 An extensive dictionary almost 1800 pages of the Upriver dialects of Halkomelem an Amerindian language of B C giving information from almost 80 speakers gathered by the author over a period of 40 years Entries include names and dates of citation dialect information phonological morphological syntactic and semantic information domain memberships of each alloeme examples of use in sentences and much cultural information

At Home with the Bella Coola Indians Douglas Cole, John Barker, 2012-01-01 Between 1922 and 1924 the young Canadian anthropologist T F McIlwraith spent eleven months in the isolated community of Bella Coola British Columbia living among the people of the Nuxalk First Nation During his time there McIlwraith gained intimate knowledge of the Nuxalk culture and of their struggle to survive in the face of massive depopulation loss of traditional lands and the efforts of the Canadian government to ban the potlatch McIlwraith's resulting ethnography *The Bella Coola Indians* 1948 is widely considered the finest published study of a Northwest Coast First Nation This volume is a rich complement to McIlwraith's classic work incorporating his letters from the field as well as previously unpublished essays on the Nuxalk Vivid and lively the letters show the human side of the anthropologist and provide a fascinating insight into the famous Northwest winter ceremonials and potlatch events in which McIlwraith was one of the few white men privileged to participate as a dancer and partner Extensive editorial annotations and striking photographs make this book a pleasurable read that will appeal to anthropologists and historians as well as those with interests in Northwest cultures and the history of anthropology in Canada

Salish Languages and Linguistics Ewa Czaykowska-Higgins, M. Dale Kinkade, 2011-06-24 **TRENDS IN LINGUISTICS** is a series of books that open new perspectives in our understanding of language The series publishes state of the art work on core areas of linguistics across theoretical frameworks as well as studies that provide new insights by building bridges to neighbouring fields such as neuroscience and cognitive science **TRENDS IN LINGUISTICS** considers itself a forum for cutting edge research based on solid empirical data on language in its various manifestations including sign languages It regards linguistic variation in its synchronic and diachronic dimensions as well as in its social contexts as important sources of insight for a better understanding of the design of linguistic systems and the ecology and evolution of language **TRENDS IN LINGUISTICS** publishes monographs and outstanding dissertations as well as edited volumes which provide the opportunity to address controversial topics from different empirical and theoretical viewpoints High quality standards are ensured through anonymous reviewing

The Oxford Handbook of Polysynthesis Michael Fortescue, Michael D. Fortescue, Marianne Mithun, Nicholas Evans, 2017 This handbook offers an extensive crosslinguistic and cross theoretical survey of polysynthetic languages in which single multi morpheme verb forms can express what would be whole sentences in English These languages and the problems they raise for linguistic analyses have long featured prominently in language descriptions and yet the essence of polysynthesis remains under discussion right down to whether it

delineates a distinct coherent type rather than an assortment of frequently co occurring traits Chapters in the first part of the handbook relate polysynthesis to other issues central to linguistics such as complexity the definition of the word the nature of the lexicon idiomaticity and to typological features such as argument structure and head marking Part two contains areal studies of those geographical regions of the world where polysynthesis is particularly common such as the Arctic and Sub Arctic and northern Australia The third part examines diachronic topics such as language contact and language obsolescence while part four looks at acquisition issues in different polysynthetic languages Finally part five contains detailed grammatical descriptions of over twenty languages which have been characterized as polysynthetic with special attention given to the presence or absence of potentially criterial features Salish Applicatives Kaoru Kiyosawa, Donna Gerdts, 2010-06-14 This book offers a comprehensive view of the morphology syntax and semantics of applicative constructions in Salish a language family of northwestern North America The historical development and discourse function of applicatives are elucidated and placed in typological perspective

The Languages and Linguistics of Indigenous North America Carmen Dagostino, Marianne Mithun, Keren Rice, 2023-12-18 This handbook provides broad coverage of the languages indigenous to North America with special focus on typologically interesting features and areal characteristics surveys of current work and topics of particular importance to communities The volume is divided into two major parts subfields of linguistics and family sketches The subfields include those that are customarily addressed in discussions of North American languages sounds and sound structure words sentences as well as many that have received somewhat less attention until recently tone prosody sociolinguistic variation directives information structure discourse meaning language over space and time conversation structure evidentiality pragmatics verbal art first and second language acquisition archives evolving notions of fieldwork Family sketches cover major language families and isolates and highlight topics of special value to communities engaged in work on language maintenance documentation and revitalization

Contemporary Views on Architecture and Representations in Phonology Eric Raimy, Charles E. Cairns, 2009 The essays in this volume address foundational questions in phonology that cut across different schools of thought within the discipline **Historical Linguistics, 1997** Monika S. Schmid, Jennifer R. Austin, Dieter Stein, 1998-01-01 This volume presents a selection from the papers given at the 13th International Conference on Historical Linguistics It offers a window on the current state of the art in historical linguistics the papers cover a wide range of different languages different language families and different approaches to the study of linguistic change ranging from optimality theory theories of grammaticalization and the invisible hand treatments of language contact and creolization to the linguistic consequences of political correctness Among the languages under discussion are Akkadian Catalan Dutch Finnish Japanese Sranan Western Malayo Polynesian Yiddish and a variety of Romance and Native American languages Essays on Language Function and Language Type Joan L. Bybee, John Haiman, Sandra A. Thompson, 1997-01-01 In their subject matter and in their theoretical orientation all the papers in this

volume reflect the powerful influence of T Giv n Most of them deal with questions of morphosyntactic typology pragmatics and grammaticalization theory Many of them are directly based on extensive fieldwork on local languages of the Americas Africa Asia and the Pacific Others are based on statistical analyses of extensive written and spoken corpora of texts

Ethnobotany of the Gitksan Indians of British Columbia Harlan Ingersoll Smith,1997-01-01 During the 1920s Harlan I Smith an archaeologist with the National Museums of Canada documented plant and animal knowledge and use among the Gitksan Nuxalk and Ulkatcho Carrier of British Columbia Smith s work is the earliest relatively comprehensive ethnobotanical study for any Tsimshianic group This edited version of his manuscript contains information on 112 botanical species and on their traditional cultural roles among the Gitksan Published in English

The Salish Language Family Paul D. Kroeber,1999-01-01 In this pioneering study Paul D Kroeber examines the history of an array of important syntactic constructions in the Salish language family This group of some twenty three languages centrally located in the Northwest Coast and Plateau Regions is noted for its intriguing differences from European languages including the possible irrelevance of a noun verb distinction to grammatical structure and the existence of distinctive systems of articles which also often function as marks of subordination Kroeber draws on and analyzes data from a wide range of textual and other sources Centering his detailed investigation on patterns of subordination and focusing he situates these against the broader background of Salish syntax examines their interrelationships and reconstructs their historical development The result is a study that significantly enhances understanding of the structure and history of Salish As important Kroeber s critical command of sources and well considered historical proposals are exemplary setting a methodological standard for Americanist scholarship

The Bungling Host Daniel Clément,2018-08-01 The Bungling Host motif appears in countless indigenous cultures in North America and beyond In this groundbreaking work Daniel Clément has gathered nearly four hundred North American variants of the story to examine how myths acquire meaning for their indigenous users and explores how seemingly absurd narratives can prove to be a rich source of meaning when understood within the appropriate context In analyzing the Bungling Host tales Clément considers not only material culture but also social economic and cultural life Native knowledge of the environment and the world of plants and animals Clément s analysis uncovers four operational modes in myth construction and clarifies the relationship between mythology and science Ultimately he demonstrates how science may have developed out of an operational mode that already existed in the mythological mind

Makúk John Sutton Lutz,2009-01-01 John Lutz traces Aboriginal people s involvement in the new economy and their displacement from it from the arrival of the first Europeans to the 1970s Drawing on an extensive array of oral histories manuscripts newspaper accounts biographies and statistical analysis Lutz shows that Aboriginal people flocked to the workforce and prospered in the late nineteenth century He argues that the roots of today s widespread unemployment and welfare dependency date only from the 1950s when deliberate and inadvertent policy choices what Lutz terms the white

problem drove Aboriginal people out of the capitalist wage and subsistence economies offering them welfare as compensation

The Phonology and Morphology of Reduplication Eric Raimy, 2012-10-25 This book proposes a new representational analysis of reduplication based on making explicit precedence relations in phonological representations The main claim is that reduplication results from loops in the precedence structure of phonological representations Modular rule based analyses of overapplication and underapplication effects including backcopying are presented to argue against the McCarthy and Prince 1995 claim that a derivational model of reduplication is conceptually and empirically inadequate Other sections of the book discuss the implications of explicit precedence information for the concatenation of morphemes the analysis of infixation and templates in reduplication Analyses of relevant phenomena from Indonesian Tohono Oodham Chaha Chumash and Nancowry among other languages are provided

Indigenous Literacies in the Americas Nancy H. Hornberger, 2012-10-25 CONTRIBUTIONS TO THE SOCIOLOGY OF LANGUAGE brings to students researchers and practitioners in all of the social and language related sciences carefully selected book length publications dealing with sociolinguistic theory methods findings and applications It approaches the study of language in society in its broadest sense as a truly international and interdisciplinary field in which various approaches theoretical and empirical supplement and complement each other The series invites the attention of linguists language teachers of all interests sociologists political scientists anthropologists historians etc to the development of the sociology of language *International Books in Print*, 1997

Getting the books **Concise Nuxalk English Dictionary** now is not type of challenging means. Concise Nuxalk English Dictionary Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Concise Nuxalk English Dictionary PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to

personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Concise Nuxalk English Dictionary PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Concise Nuxalk English Dictionary free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Concise Nuxalk English Dictionary Books

What is a Concise Nuxalk English Dictionary PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Concise Nuxalk English Dictionary PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Concise Nuxalk English Dictionary PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Concise Nuxalk English Dictionary PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Concise Nuxalk English Dictionary PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives

for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
