

WILFRED OWEN

The complete poems and fragments

edited by JON STALLWORTHY

Jon Stallworthy's *Wilfred Owen*, called by Graham Greene 'surely one of the finest biographies of our time', won the Duff Cooper Memorial Prize, the W. H. Smith & Son Literary Award, and the E. M. Forster Award of the American Academy of Arts and Letters. That book, in its use of verse manuscripts to reveal the working of the creative imagination, inaugurated a new form of literary biography and prepared the way for this innovative edition of Owen's *Complete Poems and Fragments*.

By matching the paper, pencil, ink and 24 watermarks of the largely undated manuscripts with those of the poet's dated letters, Professor Stallworthy has been able to disentangle the complex chronology of Owen's work and reveal for the first time both the overall development of the poet and successive stages in the development of individual poems and fragments.

The edition is divided into two volumes to enable readers to have text, notes, and manuscript material before them at the same time. Volume I contains an Introduction, a Biographical Table, and the text of 110 poems (many with important new readings), and supporting factual and critical notes. Volume II provides the basis for the text of the poems, reproducing many of the manuscripts and the fragments, annotated like the poems. The manuscripts and fragments are reproduced in type-set transcription, showing Owen's reworkings and alterations.

Together these volumes present more than twice the number of poems and fragments hitherto available, and comprise the most comprehensive and detailed edition of a twentieth-century poet writing in the English language. It is a worthy monument to a man who lived to see only four of his poems in print, but whose work is now known throughout the English-speaking world, and indeed beyond it as the text of Benjamin Britten's great *War Requiem*.

Poet and translator of poetry, biographer and critic, Jon Stallworthy is Anderson Professor of English Literature at Cornell University.

VOLUME I The poems 224 pages

Biographical table, Introduction, List of abbreviations, The text of the poems with notes.

VOLUME II The manuscripts of the poems and the fragments 384 pages

The manuscripts of the poems, The fragments with notes, Appendices: Wilfred Owen's preface, Wilfred Owen's list of contents, Table of paper sizes and watermarks; Consolidated index of titles and first lines.
