Art in the Dark Robert Eichelberg, 2014-02-11 Art in the Dark presents a collection of short stories that come together in a journey that is by turns whimsical ironic frightening and absurd Much like the passage of life itself these stories are mysterious and unpredictable Through analogy and metaphor author Robert Eichelberg addresses a number of difficult topics such as love death alienation materialism war and politics from unique new angles bringing to light aspects of each that may otherwise be difficult to consider From the opening salvo of *The Only Rule* with its shocking subject and frightening twist to the gruesome and heartrending tale of *Blue in the Face* each tale is imbued with at least a hint of the surreal They remind us that our journey though life is short and that we must embrace every moment even as we must ultimately let go These stories transcend the conventional and challenge your perceptions and expectations leaving you always in awe of the wonders that remain ahead

Character Studies Mark Singer, 2006-09 In these characteristically incisive essays Mark Singer profiles eccentrics monomaniacs and other remarkable people he thinks we ought to meet He takes us into the worlds of the sleight of hand master Ricky Jay the ardent bibliophile Michael Zinman and better known personalities such as the entrepreneur Donald Trump and the meticulous filmmaker Martin Scorsese He interviews a devoted fan of the cowboy movie star Tom Mix and a group of Texans who are determined to recover the skull of Pancho Villa from Yale's Skull and Bones society among others A riveting tour of obsession Character

Studies reveals the passions that drive the ordinary the quirky and the truly fanatically fixated *The Pigheaded Soul* Jason Guriel,2013-12-03 The Pigheaded Soul presents a series of witty intelligent and sometimes controversial essays in which talented newcomers and avowed masters alike find themselves within the literary crosshairs of acclaimed poet and critic Jason Guriel Guriel does not shy away from the negative review nor does he begrudge praise where praise is due He applauds the innovative and evocative rails against the lazy and the imprecise and critiques the hipster mentality of so called avant gardists who use the same tired tricks as shortcuts to perceived innovation But far from providing only reviews and critical readings The Pigheaded Soul serves up amusing insider anecdotes about the poetry community from intelligent examinations of inspiration and imagination to gonzo reportage of high profile and occasionally absurd literary events Wry engaging and astute Guriel writes with a confidence and panache that enlivens the often dry and dusty field of literary criticism **Condominium and Cooperative Conversion: Overview hearings** United States. Brown-Saracino,2010-01-15 Newcomers to older neighborhoods are usually perceived as destructive tearing down everything that made the place special and attractive But as A Neighborhood That Never Changes demonstrates many gentrifiers seek to preserve the authentic local flavor of their new homes rather than ruthlessly remake them Drawing on ethnographic research in four distinct communities the Chicago neighborhoods of Andersonville and Argyle and the New England towns of Provincetown and Dresden Japonica Brown Saracino paints a colorful portrait of how residents new and old from wealthy gay homeowners to Portuguese fishermen think about gentrification The new breed of gentrifiers Brown Saracino finds exhibits an acute self consciousness about their role in the process and works to minimize gentrification s risks for certain longtime residents In an era of rapid change they cherish the unique and fragile whether a dilapidated house a two hundred year old landscape or the presence of people deeply rooted in the place they live Contesting many long standing assumptions about gentrification Brown Saracino s absorbing study reveals the unexpected ways beliefs about authenticity place and change play out in the social political and economic lives of very different neighborhoods *Apartment Houses* National Housing Center (U.S.). transition from monarchy to British colony from independence to military dictatorships and from the Generals to the Lady Aung San Suu Kyi This book traces one of the longest civil wars in history It s about the Rohingya a brutally persecuted people It s about pro democracy uprisings about sacrifice and above all the human resilience and capacity for hope The book is based on true events and provides unique firsthand insights into key players in this enigmatic and troubled nation

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club.
