**The Confessions of St. Augustine** Saint Augustine, Bishop of Hippo, E. B. Pusey, Edward Bouverie, 2014-08-23. The *Confessions of Saint Augustine* by Saint Augustine, Bishop of Hippo. Translated by E. B. Pusey. Edward Bouverie. *Confessions* (Latin: *Confessiones*) is the name of an autobiographical work consisting of 13 books by St. Augustine of Hippo, written in Latin between AD 397 and AD 398. Modern English translations of it are sometimes published under the title *The Confessions of St. Augustine* in order to distinguish the book from other books with similar titles. Its original title was *Confessions in Thirteen Books*, and it was composed to be read out loud, with each book being a complete unit. The work outlines Augustine's sinful youth and his conversion to Christianity. It is widely seen as the first Western autobiography ever written, and was an influential model for Christian writers throughout the following 1,000 years of the Middle Ages. It is not a complete autobiography, as it was written in his early 40s and he lived long afterwards, producing another important work, *City of God*. It does, nonetheless, provide an unbroken record of his development of thought and is the most complete record of any single person from the 4th and 5th centuries. It is a significant theological work featuring spiritual meditations and insights. In the work, St. Augustine writes about how much he regrets having led a sinful and immoral life. He discusses his regrets for following the Manichaean religion and believing in astrology. He writes about Nebridius's role in helping to persuade him that astrology was not only incorrect but evil, and St. Ambrose's role in his conversion to Christianity. The first nine books are autobiographical, and the last four are commentary. He shows intense sorrow for his sexual sins and writes on the importance of sexual morality. The books were written as prayers to God, thus the

title based on the Psalms of David and it begins with For Thou hast made us for Thyself and our hearts are restless till they rest in Thee The work is thought to be divisible into books which symbolize various aspects of the Trinity and trinitarian belief The Confessions of St. Augustine Saint Augustine (Bishop of Hippo.),1975 One of the most influential religious books in the Christian tradition recalls crucial events in the author's life his mid 4th century origins in rural Algeria the rise to a lavish lifestyle at the imperial court in Milan his struggle with sexual desires eventual renunciation of secular ambitions and marriage and recovery of his Catholic faith The Confessions of St. Augustine by Bishop of Hippo Saint Augustine St Augustine,2020-08-13 Augustine's Confessions is a work to relish the first time through and then profoundly enjoy over a lifetime of revisiting God is our home but many of us have strayed from our native land The venerable authors of these Spiritual Classics are expert guides may we follow their directions home Archbishop Desmond Tutu A masterful new translation of a perennial classic now available in pocket size The Confessions of Saint Augustine is considered the all time number one Christian classic Augustine undertook his greatest piece of writing with the conviction that God wanted him to make this confession The Confessions are in fact an extended poetic passionate intimate prayer Augustine's experience of God speaks to us across time with little need of transpositions This new translation by Maria Boulding masterfully captures his experience **The Confessions of St. Augustine** Bishop of Hippo Saint Augustine,2022-05-10 The Confessions is a spiritual autobiography covering the first 35 years of Augustine's life with particular emphasis on Augustine's spiritual development and how he accepted Christianity The Confessions is divided into 13 books Books 1 through 9 contain Augustine's life story Book 10 is an exploration of memory **The Confessions of Saint Augustine** St. Augustine,2011-01-26 The reader who has never met Augustine before ought to go first of all to the Confessions reflected the Trappist monk and scholar Thomas Merton Augustine lived the theology that he wrote He experienced the reality of Christ living in his own soul Saint Augustine the celebrated theologian who served as Bishop of Hippo from a d 396 until his death in a d 430 is widely regarded as one of the most influential thinkers in the Western world Written in the form of a long prayer addressed directly to God Augustine's Confessions the remarkable chronicle of his conversion to Christianity endures as the greatest spiritual autobiography of all time Augustine possessed a strong capacious argumentative mind wrote Edward Gibbon He boldly sounded the dark abyss of grace predestination free will and original sin And the eminent historian Jaroslav Pelikan remarked There has quite literally been no century of the sixteen centuries since the conversion of Augustine in which he has not been a major intellectual spiritual and cultural force *The Confessions of St. Augustine* St. Augustine,2007-10-01 Augustine never thought of God without thinking of his sin nor of his sin without thinking of Christ St Augustine grates hard against the anatomy of evil while dealing succinctly and honestly with his own proneness toward sin From his infatuation with its initial beauty to the discounting of his previously wasted life Augustine leaves little to the imagination regarding his need to be saved from himself Most of Augustine's Confessions are spent in a nearly catastrophe tug of war From insult and
