Oates,2010-07-22 Another Confederate cavalry raid impends You hear the snort of an impatient horse the leathery squeaking of saddles the low voiced commands of officers the muffled cluck of guns cocked in preparation then the sudden rush of motion the din of another attack This classic story seeks to illuminate a little known theater of the Civil War the cavalry battles of the Trans Mississippi West a region that included Missouri Arkansas Texas the Indian Territory and part of Louisiana Stephen B Oates traces the successes and defeats of the cavalry its brief reinvigoration under John S Rip Ford who fought and won the last battle of the war at Palmetto Ranch and finally the disintegration of this once proud fighting force **Confederate Generals in the Trans-Mississippi, Vol 1** Lawrence L. Hewitt,Arthur W. Bergeron,Thomas E. Schott,2013-04-30 Until relatively recently conventional wisdom held that the Trans Mississippi Theater was a backwater of the American Civil War Scholarship in recent decades has corrected this oversight and a growing number of historians agree that the events west of the Mississippi River proved integral to the outcome of the war Nevertheless generals in the Trans Mississippi have received little attention compared to their eastern counterparts and many remain mere footnotes to Civil War history This welcome volume features cutting edge analyses of eight Southern generals in this most neglected theater Thomas Hindman Theophilus Holmes Edmund Kirby Smith Mosby Monroe Parsons John Marmaduke Thomas James Churchill Thomas Green and Joseph Orville Shelby providing an enlightening new perspective on the Confederate high command Although the Trans Mississippi has long been considered a dumping ground for failed generals from other regions the essays presented here demolish that myth showing instead that with a few notable exceptions Confederate commanders west of the Mississippi were homegrown not imported and compared well with their more celebrated peers elsewhere With its virtually nonexistent infrastructure wildly

unpredictable weather and few opportunities for scavenging the Trans Mississippi proved a challenge for commanders on both sides of the conflict As the contributors to this volume demonstrate only the most creative minds could operate successfully in such an unforgiving environment While some of these generals have been the subjects of larger studies others including Generals Holmes Parsons and Churchill receive their first serious scholarly attention in these pages Clearly demonstrating the independence of the Trans Mississippi and the nuances of the military struggle there while placing both the generals and the theater in the wider scope of the war these eight essays offer valuable new insight into Confederate military leadership and the ever vexing questions of how and why the South lost this most defining of American conflicts

Bust Hell Wide Open Samuel W. Mitcham,2016-10-04 A book to challenge the status quo spark a debate and get people talking about the issues and questions we face as a country **Glory Enough for All** Eric J. Wittenberg,2007-07-01 After the ferocious fighting at Cold Harbor Virginia in June 1864 Union Lt Gen Ulysses S Grant ordered his cavalry commanded by Maj Gen Philip H Sheridan to distract the Confederate forces opposing the Army of the Potomac *Glory Enough for All* chronicles the battle that resulted when Confederate cavalry pursued and caught their Federal foes at Trevilian Station Virginia perhaps the only truly decisive cavalry battle of the American Civil War Eric J Wittenberg tells the stories of the men who fought there including eight Medal of Honor winners and one Confederate whose death at Trevilian Station made him the third of three brothers to die in the service of Company A of the Fourth Virginia Cavalry He also addresses the little known but critical cavalry battle at Samaria Saint Mary s Church on June 24 1864 where Union Brig Gen David N Gregg s division was nearly destroyed The only modern strategic analysis of the battle

Glory Enough for All challenges prevailing interpretations of General Sheridan and of the Union cavalry Wittenberg shows that the outcome of Trevilian Station ultimately prolonged Grant's efforts to end the Civil War

Wolford's Cavalry Dan Lee, 2016-10-01 Colonel Frank Wolford the acclaimed Civil War colonel of the First Kentucky Volunteer Cavalry is remembered today primarily for his unenviable reputation Despite his stellar service record and widespread fame Wolford ruined his reputation and his career over the question of emancipation and the enlistment of African Americans in the army Unhappy with Abraham Lincoln's public stance on slavery Wolford rebelled and made a series of treasonous speeches against the president Dishonorably discharged and arrested three times Wolford on the brink of being exiled beyond federal lines into the Confederacy was taken in irons to Washington DC to meet with Lincoln Lincoln spared Wolford however and the disgraced colonel returned to Kentucky where he was admired for his war record and rewarded politically for his racially based rebellion against Lincoln Although his military record established him as one of the most vigorous courageous and original commanders in the cavalry Wolford's later reputation suffered Dan Lee restores balance to the story of a crude complicated but talented man and the unconventional regiment he led in the fight to save the Union Placing Wolford in the context of the political and cultural crosscurrents that tore at Kentucky during the war Lee fills out the historical picture of Old Roman Nose

Write As Soon As You Get This Lyn Terese Miller Smith, 2006-08-01 This book depicts the true story of Frederick William Miller and John Armstrong Robison who served the Union in the 96th Illinois Volunteer Infantry Regiment during the Civil War It follows the time they spent from training at Camp Fuller to being wounded at the battle of Chickamauga Through their letters and memoirs the two men vividly described the everyday events

Porter, 2011-02-25 John Marion Porter 1839 1898 grew up working at his family's farm and dry goods store in Butler County Kentucky The oldest of Reverend Nathaniel Porter's nine children he was studying to become a lawyer when the Civil War began As the son of a family of slave owners Porter identified with the Southern cause and wasted little time enlisting in the Confederate army He and his lifelong friend Thomas Henry Hines served in the Ninth Kentucky Cavalry under John Hunt Morgan the Thunderbolt of the Confederacy When the war ended Porter and Hines opened a law practice together but Porter was concerned that the story of his service during the Civil War and his family's history would be lost with the collapse of the Confederacy In 1872 Porter began writing detailed memoirs of his experiences during the war years including tales of scouting behind enemy lines sabotaging a Union train being captured and held as a prisoner of war and searching for an army to join after his release Editor Kent Masterson Brown spent several years preparing Porter's memoir for publication clarifying details and adding annotations to provide historical context One of Morgan's Men Memoirs of Lieutenant John M Porter of the Ninth Kentucky Cavalry is a fascinating firsthand account of the life of a remarkable Confederate soldier In this unique volume Porter's insights on Morgan and the Confederacy are available to readers for the first time
