Confessing God:

Confessing God's Word Maureen Anderson, 2007-09-03 Believers are called to live a life of faith In fact the Bible says that without faith it is impossible to please God Hebrews 11 6 But how do we get that faith The answer is in the Word of God Faith comes by hearing and hearing by the Word Romans 10 17 In *Confessing God's Word* Dr Maureen Anderson helps to zero in on the appropriate scripture for any situation The promises of God are personalized and organized to aid in effective prayer and counsel *Your Mouth Confessing God's Healing Promises Will Heal Your Disease* Ronald P.

Braddock, 2022-08-01 I was diagnosed with multiple myeloma an incurable blood disease in February 2019 I looked up God's healing scriptures in the Bible and confessed them daily and my disease began to disappear After a few months of speaking these healing promises out loud the disease was no longer present in my blood The teaching in this book is God's method of healing It is not the only method but the Christian's reading this method must develop faith in the healing scripture When one speaks the healing scriptures out loud a certain amount of faith comes to you Keep speaking out loud faith keeps coming Then you believe healing is the results Thousands of Christians believers are going to be healed if you can believe God's Word So then Faith comes by hearing and hearing by the word of God Romans 10 17 NKJV *Confessing God* John Webster, 2005-10-01 Continuing the project of Word and Church this new collection gathers studies in three areas Webster firstly produces studies on the nature of Christian theology and its relation to Scripture and the confessions of the church He also produces an account of the theological style of the French Dominican theologian Yves Congar In the second part we find studies on dogmatic topics one on the theology of the person of Christ and three on the attributes of God omnipresence holiness and love and veracity Thirdly and finally Webster studies issues in the doctrine of the church and of Christian practice an account of the nature of the church in terms of visibility and invisibility a study of the meaning of Christian hope and a reflection on gospel freedom Taken together the essays are worked examples of theological theology that is Christian theology which takes its rise in the Christian confession of the gospel which it seeks to hear celebrate and commend

Michele,2022-11-29 Death and life are in the power of the tongue Proverbs 18 21 KJV The Bible makes bold claims regarding health healing finances and prosperity Yet many people struggle to see these claims become a reality in their lives and often fall into discouragement Our faith comes from hearing God s Word and becomes active when we take it seriously and learn to speak what God says over our lives Faith does not merely hope something will happen faith calls it done Through the study of the Word and sharing her personal struggles with anxiety and depression Pastor and Teacher Marcy Di Michele leads readers on a journey of healing and restoration You can win over fear sickness and defeat by correctly understanding the power of God s Word and using your words correctly Genuine freedom and the blessing of God are yours for the taking About the Author Marcy Di Michele is a Bible College Teacher and ordained Pastor been working in the ministry since 2006 Marcy was a professional Journalist for several years and now uses her writing for the work of the Lord Through her testimony of freedom from depression Marcy is committed to helping others find healing and restoration through the power of the Holy Spirit and the promises of God s Word Marcy has a podcast and live broadcast dedicated to encouraging people and building faith through teaching the Word Marcy believes the church of Jesus Christ must take ground for the Kingdom of God and claim authority over all the power of the enemy Confessing the Faith Today Allan Janssen,2016-11-30 With the understanding that confession is a witness to the gospel Confessing the Faith Today investigates how a sixteenth century Reformation confession the Belgic Confession can assist contemporary Christians testify to the truth of Gods gracious turn toward creation and do so in the context of the twenty first century s competing claims A close examination of the internal coherence of the Belgic Confession along with an exploration of how that confession might engage contemporary life offers fresh insight into how Christians might articulate what is at stake in the gospel Janssen encourages the church to enter a conversation with the forebears of the faith acknowledging the historical nature of not only the confession but of God s involvement in all creation Confessing God'S Best Zebedee,Linda King,2017-02-27 We all desire for our households and extended families to prosper and be in good health even as our souls prosper Even so we are aware of the tremendous pressure that families today are under Satan the adversary of the family and secular culture have waged an all out offensive against marriages and families leaving households depleted or desolate Yet Gods Word is saturated with promises of blessings and protection for families who will dare to honor his Word by hearing it and hiding it in their hearts and observing fulfilling and performing his will in their daily lives The best way to accomplish his will is for families to train themselves to think speak and confess the Word of God as found in the holy scriptures As believers we should learn to incorporate Gods Word into every aspect of our livesespecially regarding the words we speak This is because the Bible is not just a collection of words for life it contains the very words of life By reading this little book you too can learn how to proclaim and pray Gods Word over your family and speak life to your household **Confessing Community** Taimaya Ragui,2023-02-14 This book offers an entryway to the discussion between theological interpretation of Scripture and contextual theology i e tribal

theology It argues for the need to consider the importance of reading the Bible with multiple contexts in mind while addressing the tension between church and academy in the area of biblical interpretation Adapting from the theological method of Kevin J Vanhoozer it argues for a multi contextual biblical theological interpretation of Scripture that maintains evangelical ethos i e the solas of the Reformation recognizes canonical sense i e the measuring and guiding criteria asserts Catholic sensibility i e value the contribution of the local and Catholic church and affirms contextual sensitivity i e the local tribal confessing community These are the contexts that enable Christians to read the Bible as what it is namely human and divine discourse

Notes on the Holiness of God David E. Willis, 2002 According to Willis confusion about God s holiness is due to the mistake of treating transcendence and immanence as opposites and subsuming holiness almost exclusively under God s transcendence To correct this view Willis begins with the cross and resurrection where the transcending One is freely immanent to fulfill God s covenanting purposes God says Willis is not so much the wholly other as the Holy Other who confronts us as purifying love Willis looks in detail at several facets of holiness love simplicity communion beauty He shows that when we recognize beauty to be an essential aspect of holiness we can better reconsider frequently given definitions of the glory and the sovereignty of God and can better understand something of the awe filled love that this beauty inspires Finally Willis explores how the holiness of God provides the basis for the life of Christian faith and hope in today s world From publisher s description

God and Creation in the Theology of Thomas Aquinas and Karl Barth Tyler Wittman, 2019 God s simplicity and perfection shapes both God s distinctive relation to creation and how theologians properly acknowledge this distinctiveness in thought
