Confession: Its Fruitful Practice Sisters of Perpetual Adoration,2009 Blessed are they that wash their robes in the Blood of the Lamb Apoc 22 14 Catholics truly may be called blessed in the means they have of washing the sin stained robes of their souls in the Precious Blood of the Lamb of God in the Sacrament of Penance There is no question but that confession especially frequent confession is an inestimable blessing to mankind Man can hope for no greater blessing on this earth than true peace of soul The Sacrament of Penance is a perennial fountain of peace It is a source of untold consolation to human hearts This sacrament gives any and every member of the Catholic Church who has transgressed the holy laws of God an easy and simple means to obtain full pardon and to be restored to His friendship This is its first and principal effect Its second effect is to wipe out the punishment due to sin eternal punishment entirely and temporal punishment in whole or in part according to the penitent s dispositions It closes the gates of hell which open to swallow up in the infernal abyss souls who deliberately turn away from God by mortal sin and sunder the ties binding them to Him by preferring their own will to His A good confession opens anew the portals of heaven which is barred to souls as long as they remain in the state of grievous sin It clothes souls with the beautiful nuptial garment of sanctifying grace or renders that garment still more beautiful if the soul already possesses it It restores past merits which are lost by even a single mortal sin It renders the soul capable again of performing meritorious acts which is impossible while it is in the state of mortal sin It confers sacramental graces that is powerful supernatural helps to avoid sin in the future and to persevere in the service of God It gives a claim to the special graces the soul needs in order to lead a God pleasing life Finally it checks sinful passions and inclinations to evil To partake in fullest measure of these blessings of the Sacrament of Penance it is necessary for the penitent to know how to make a good confession The present booklet is an attempt to help souls in this all important matter by explaining the five requisites of a good confession and various points which are of vital importance for the fruitful reception of this Sacrament

Preparation for Death St. Alphonsus Liguori,2010 Meditation on death though it seems depressing to many is essential for our Salvation Death is the one journey every man must go through alone It is the one thing that sobers us all and can set us on a more resolute path to Holiness But

this path only begins after facing the reality of death for to avoid it only increases our fear In this popular abridgment of his monumental Preparation for Death St Alphonsus teaches us the proper attitude toward death which is one of readiness of always having our debts cleared Each chapter is a short consideration with three points easily understood by laity in all states of life Each point is followed by meditations and prayers for perseverance in our efforts to lead good lives To aid busy priests in their sermons St Alphonsus purposely included texts from Scripture and passages from the Holy Fathers personally selected by the Saint himself to touch the heart of every reader and listener St Alphonsus shows us how death is on the natural level a great sorrow but on the supernatural level a great gift Understanding it as a gift and implementing this knowledge in our lives is the lesson of each powerful meditation This book is a wonderful way to enhance your Lenten devotions and gain a more profound gratitude for Christ s victory over Death and Hell through His crucifixion and Resurrection
