The Gun Alley Tragedy: Record of the Trial of Colin Campbell Ross T. C. Brennan,2022-07-21 The title of the book

explains it all for this is in an account of what was called The Gun Alley Murder The incident is precipitated by the rape and murder of 12 year old Alma Tirtschke in Melbourne Australia in 1921 She was a schoolgirl who attended Hawthorn West High School and had last been seen alive close to a drinking establishment the Australian Wine Saloon under these circumstances her murder caused a sensation In the 2000s the case has become well known as a miscarriage of justice since Colin Campbell Eadie Ross the Australian wine bar owner convicted of the murder of a child was executed despite evidence of his innocence a perspective that this book s author concurs with even though it was published in 1922 Corroboration and Confessions Michael McConville, Great Britain. Royal Commission on Criminal Justice, 1993 *The Serpent's Tooth* John Doyle, 2001-06-24 Steven Dennison 55 ad agency executive is happily married cock sure and having an affair He returns home from an evening with his lover to find that his wife has been killed His safe secure world is shattered with grief guilt and regret Desperate he turns to his parish priest for counsel and perhaps forgiveness In penetrating discussions the pair revisit his entire life searching for the source of his failures and the means to peace of mind Insights are drawn from a remarkable diary Steven has kept from adolescence to young manhood But their task is compounded as Steven reveals shocking ideas about religion and morals a sudden new interest in another woman and problems at the office Fate comes close to a final solution when Steven and friends suffer an auto accident His injuries are slight but frightening The close call drives him to laboriously study sort out and resolve new meanings beliefs and objectives for the rest of his life These are recorded in a manifesto he presents to friends and loved ones *The Confession* Olusola Sophia Adebayo-Anyanwu, 2017-08-14 The Confession is a satire It is the story of four young married couples from different Christian denominations They face temptations of the flesh and reap the consequences Their individual attempts to place their hearts right with God and how they went about it is the central theme of the story **The Dark Box** John Cornwell, 2014-02-13 Would you tell your deepest secrets to a relative stranger And if you did would you feel vulnerable Cleansed Or perhaps even worse than you did before Confession has always performed a complex role in society always created mixed feelings in its practitioners As an acknowledgement of sinfulness it can provide immense psychological relief but while aiming to replace remorse with innocence its history has become inextricably intertwined with eroticism and shame The Dark Box is an erudite and personal history Cornwell draws on his own memories of Catholic boyhood and weaves it with the story of confession from its origins in the early church to the current day where its enduring psychological potency is evidenced by everything from the Vatican s confession app to Oprah Winfrey s talk shows Since the 16th century seclusion of two individuals in the intimate dark box often discussing sexual actions and thoughts has eroticised the experience of confession When in 1905 Pius X made confession a weekly rather than yearly ritual the horrific cases of child abuse which have haunted the Catholic church in the twentieth century became possible John Cornwell s impassioned treatise on the dangers of confession is now available in paperback **A Simpler Time** J.C. De Ladurantey, S.S. De Ladurantey, 2024-11-14 Growing up in the mid to late

50s and early 60s can be chronicled in many ways We could tell the story about music religion cars entertainment and world events but how do they tie into a life lived during this piece of history The best way is to add a vignette or story that places the reader from the viewpoint of someone who lived it We have taken some journalistic liberties to dramatize events that occurred through the eyes of two people Geoff and Natalie We have titled each chapter for additional flare with a song from the era The mid 1950s and early 60s meant being surrounded by friends and family and listening to the words in the music played It was going to the beach dating studying together the influence of the church watching television or going to the movies with friends It was the escape from home that a driver s license gave But it was also filled with impetuous youth immaturity passion and hanging on to innocence for as long as possible A Simpler Time is merely something to be enjoyed

Evidence Judge Advocate General's School (United States. Army),1959 **Redemption of the Cube Dweller** Joanne Fox Phillips,2017-08-03 Tanzie Lewis may be confessing her sins but has this corporate auditor turned sleuth really learned any lessons from her crimes Tanzie successfully brought down her previous company for their dirty dealings but she feels compelled to fly back to her hometown of San Francisco to confess the sins she committed in the process However instead of the liberation Tanzie hoped to gain from her time in the dim light of the confessional she finds herself drawn into intertwining investigations where her professional skills once again threaten to place her in danger and a budding romance competes for this appealing detective s attention in another clever adventure in the series Joanne Fox Phillips is the chief audit executive for a multinational oil and gas company headquartered in Tulsa Oklahoma Joanne has two marvelous sons Clayton and Ted She currently resides in Tulsa Oklahoma with her husband Phil and her two rescue dogs Rocky and Memphis **A Lust for Virtue** Philip F. Riley,2001-06-30 Midway through his reign in the critical decade of the 1680s the lusty image of Louis XIV paled and was replaced by that of a straitlaced monarch committed to locking up blasphemers debtors gamblers and prostitutes in wretched foul smelling prisons that dispensed ample doses of Catholic Reformation virtue The author demonstrates how this attack on sin expressed the punitive social policy of the French Catholic Reformation and how Louis s actions clarified the legal and moral distinctions between crime and sin As a hot blooded young prince Louis XIV paid little attention to virtue or to sin and despite his cherished title of God s Most Christian King violations of God s Sixth and Ninth Commandments never troubled him Indeed for the first two decades of his reign he paraded a stream of royal mistresses before all of Europe and fathered sixteen illegitimate children Yet midway through his reign in the critical decade of the 1680s the lusty image of Louis XIV paled and was replaced by that of a straitlaced monarch committed to locking up blasphemers debtors gamblers and prostitutes in wretched foul smelling prisons that dispensed ample doses of Catholic Reformation virtue Using police and prison archives administrative correspondence memoirs and letters Riley describes the formation of Louis s narrow conscience and his efforts to safeguard his subjects souls by attacking sin and infusing his kingdom with virtue especially in Paris and at Versailles Throughout his attack on sin women so called Soldiers

of Satan were the special targets of the police By the seventeenth century fornication and adultery had become exclusively female crimes men guilty of these sins were rarely punished as severely Although unsuccessful Louis s attack on sin clarified the legal and moral distinctions between crime and sin as well as the futility of enforcing a religiously inspired social policy on an irreverent secular minded France **DA Pam** ,1962 Military Justice, Evidence United States.
