Agrarian Questions:

Agrarian Questions Henry Bernstein, Tom Brass, 2016-01-20 This collection celebrates T J Byres seminal contributions to the political economy of the agrarian question Uniting the various themes is the demonstration of the continuing relevance of a critical historical and comparative materialist analysis of agrarian question **Agrarian Questions** Kaushik Basu, 1994 The importance of locating the analysis of contracts within the relevant context of socio economic relations is also discussed In addition to these theoretical issues there is an extremely valuable bird s eye view of the actual experience of Indian agriculture since independence in 1947 Finally we have a careful study of the link between agriculture and overall economic progress in the Indian context **African Land Questions, Agrarian Transitions and the State** Sam Moyo, 2008 This empirically grounded study provides a critical reflection on the land question in Africa research on which tends to be tangential conceptually loose and generally inadequate It argues that the most pressing research concern must be to understand the precise nature of the African land question its land reforms and their effects on development To unravel the roots of land conflicts in Africa requires thorough understanding of the complex social and political contradictions which have ensued from colonial and post colonial land policies as well as from Africa s development and capital accumulation trajectories especially with regard to the land rights of the continent s poor The study thus questions the capacity of emerging neo liberal economic and political regimes in Africa to deliver land reforms which address growing inequality and poverty It equally questions the understanding of the nature of popular demands for land reforms by African states and their ability to address these demands under the current global political and economic structures dictated by neo liberalism and its narrow regime of ownership The study invites scholars and policy makers to creatively draw on the specific historical trajectories and contemporary expression of the land and agrarian questions in Africa to enrich both theory and practice on land in Africa **Critical Perspectives on Agrarian Transition** B. B. Mohanty, 2016-01-29 This book evaluates the relevance of classical debates on agrarian transition and extends the horizon of contemporary debates in the Indian context linking national trends with regional experiences It identifies new dynamics in agrarian political economy and presents a comprehensive account of diverse aspects of capitalist transition both at theoretical and empirical levels The essays discuss several neglected domains in agricultural economics such as discursive dimensions of agrarian relations and limitations of stereotypical binaries between capital and non capital rural and urban sectors agriculture and industry and accumulation and subsistence With contributions from major scholars in the field this volume will be useful to scholars and researchers of agriculture economics political economy sociology rural development and development studies The Land Question in South Africa Lungisile Ntsebeza, Ruth Hall, 2007 Publisher description Labour Questions in the Global South Praveen Jha, Walter Chambati, Lyn Ossome, 2021-02-24 This book provides a focus on some of the main markers and challenges that are at the core of the study of structural transformations in contemporary capitalism and their implications for labour in the

Global South It examines the diverse perspectives and regional and social variations that characterise labour relations as a result of the uneven development which is an important facet of the intensification of capitalist accumulation The book provides important insights into the impact of the crises of capitalism on the wellbeing of labour at different historical junctures Some of the issues covered by it include the conditions of work and the changing composition of laboring classes and or working people The chapters also throw light on the multiple trajectories in the development of labour relations and employment in the Global South especially after the ascendancy and domination of neoliberal finance capitalism Some of the major aspects considered by the essays include the decentering of production and development of global value systems crisis of social reproduction and the rising informalisation of work *The Agrarian Question in South Africa* Henry Bernstein,1996 This collection presents a critical political economy of the agrarian question in post apartheid South Africa informed by the results of research undertaken since the transition from apartheid started in 1990 **The Routledge Handbook on Livelihoods in the Global South** Fiona Nunan,Clare Barnes,Sukanya Krishnamurthy,2022-05-05 The Routledge Handbook on Livelihoods in the Global South presents a unique timely comprehensive overview of livelihoods in low and middle income countries Since their widespread adoption in the 1990s livelihoods perspectives frameworks and methods have influenced diverse areas of research policy and practice The concept of livelihoods reflects the complexity of strategies and practices used by individuals households and communities to meet their needs and live their lives The Handbook brings together insights and critical analysis from diverse approaches and experiences learning from research and practice over the last 30 years The Handbook comprises an introductory section on key concepts and frameworks followed by five parts on researching livelihoods negotiating livelihoods generating livelihoods enabling livelihoods and contextualising livelihoods The introduction provides readers with an appreciation of concepts researched and applied in the five parts including chapters on vulnerability and resilience social capital and networks and institutions Each part reflects the diversity of approaches taken to understanding livelihoods whilst recognising commonalities including the centrality of power in shaping enabling and constraining livelihoods The book also reflects diversity of context including conflict climate change and religion as well as in generating livelihoods through agriculture small scale mining and pastoralism The aim of each chapter is to provide a critically informed introduction and overview of key concepts issues and debates of relevance to the topic with each chapter concluding with suggestions for further reading It will be an essential resource to students researchers and practitioners of international development and related fields Researchers and practitioners will also benefit from the book s diverse disciplinary contributions and by the wide and contemporary coverage **Agrarian Questions** ,1995 *The Agrarian Question* Karl Kautsky,1988 skyLenin described The Agrarian Question as the first systematic Marxist study of capitalism and agriculture and the most important event in economic literature since the third volume of Capital This great work is regarded as Kautsky s main achievement and is a classic work of analysis Kautsky s pariah status in the eyes of revolutionary Marxists

resulted in many years of neglect but his role and work are now commanding great attention The analysis of the transformation of peasant economies by capital in *The Agrarian Question* is now seen as particularly relevant to contemporary Third World peasant economies This remarkable translation which brings out the humanity and the humour in Kautsky's writing is more than a work of economic analysis in a manner ahead of his time Kautsky integrates questions of political strategy ecology sexuality and the family The illuminating reassessment of *The Agrarian Question* in the introduction by Professor Teodor Shanin and Hamza Alavi examines in detail the political context Kautsky's own life the development of Kautsky's ideas within the work and its contribution to our understanding of the world today This timely re-evaluation of Kautsky's significance is long overdue

The Sociology of Farming Jan Douwe van der Ploeg, 2022-10-19 This book provides a detailed and comprehensive introduction to the concepts and methods of the sociology of farming The sociology of farming focuses on co-production the ongoing interaction and mutual transformation of the natural and the social of human and living nature which requires putting the farm labour process centre stage While there are many books which discuss food and agriculture this book is different it delves into the methods and concepts used and presents a comprehensive conceptual framework and the associated methods for research to give students and researchers of agriculture and rural studies a solid set of tools for unravelling the complexities of farming and rural life Importantly these tools also empower us to design new ways forward A wide array of case studies as wide ranging as Brazil Peru China the Netherlands Italy and Guinea Bissau help readers to grasp the commonalities that underlie strongly diversified and divided rural worlds The book lists over two hundred basic concepts and includes boxes that discuss the main methods of the sociology of farming This textbook is essential reading for students and scholars of food and agriculture agrarian studies rural development food and farming systems peasant studies and environmental sociology

The Land Question in India Anthony P. D'Costa, Achin Chakraborty, 2017 Examines the centrality of land in contemporary development discourse in India and the role of the state in the dispossession of land from peasants and tribal communities It looks at land acquisition processes their legal and ethical implications and the regional diversity of acquisition experiences in India

Routledge Handbook of Marxian Economics David M. Brennan, David Kristjanson-Gural, Catherine P. Mulder, Erik K. Olsen, 2017-03-16 Most developed economies are characterized by high levels of inequality and an inability to provide stability or opportunity for many of their citizens Mainstream economics has proven to be of little assistance in addressing these systemic failures and this has led both scholars and students to seek alternatives One such alternative is provided by Marxian economics In recent decades the field has seen tremendous theoretical development and Marxian perspectives have begun to appear in public discourse in unprecedented ways This handbook contains thirty seven original essays from a wide range of leading international scholars recognized for their expertise in different areas of Marxian economics Its scope is broad ranging from contributions on familiar Marxist concepts such as value theory the labor process accumulation crisis and socialism to others not always

associated with the Marxian canon like feminism ecology international migration and epistemology This breadth of coverage reflects the development of Marxian economic and social theory and encompasses both the history and the frontiers of current scholarship This handbook provides an extensive statement of the current shape and future direction of Marxian economics The Routledge Handbook of Marxian Economics is an invaluable resource for students researchers and policy makers seeking guidance in this field It is designed to serve both as a reference work and as a supplementary text for classroom use with applications for courses in economics sociology political science management anthropology development studies philosophy and history

Global Land Grabs Marc Edelman, Carlos Oya, Saturnino M. Borras Jr., 2016-03-22 Since the 2008 world food crisis a surge of land grabbing swept Africa Asia and Latin America and even some regions of Europe and North America Investors have uprooted rural communities for massive agricultural biofuels mining industrial and urbanisation projects Water grabbing and green grabbing have further exacerbated social tensions Early analyses of land grabbing focused on foreign actors the biofuels boom and Africa and pointed to catastrophic consequences for the rural poor Subsequently scholars carried out local case studies in diverse world regions The contributors to this volume advance the discussion to a new stage critically scrutinizing alarmist claims of the first wave of research probing the historical antecedents of today's land grabbing examining large scale land acquisitions in light of international human rights and investment law and considering anew longstanding questions in agrarian political economy about forms of dispossession and accumulation and grassroots resistance Readers of this collection will learn about the impacts of land and water grabbing the relevance of key theorists including Marx Polanyi and Harvey the realities of China's involvement in Africa how contemporary land grabbing differs from earlier plantation agriculture and how social movements and rural people in general are responding to this new threat This book was published as a special issue of Third World Quarterly

Enhancing Agricultural Productivity and Farmer Incomes in Bihar Bhaumik, Sankar Kumar, 2022-11-28 Enhancing Agricultural Productivity and Farmer Incomes in Bihar discusses the performance of Bihar's agriculture sector in recent times and the multifarious challenges it is facing The book explores future possibilities from the perspectives of raising agricultural productivity and farmer incomes and attaining inclusive growth Given that doubling farmers incomes in India is the declared agenda of the central and state governments the insights to be gained from this book would be invaluable for researchers and policymakers With more than 90 per cent of the operational holdings in Bihar falling under the marginal category and the average size of a holding being a meagre 0.39 hectares the viability of the small farming regime in the state is a serious issue This book will help readers to understand the developmental challenges not only in Bihar but also in other agriculturally backward regions that are largely dominated by small farmers It will also help researchers to locate areas in which more research needs to be undertaken if accelerated growth of the agriculture sector and sustainable improvement of farmers incomes are to be ensured

Agrarian Questions Introduction

In the digital age, access to information has become easier than ever before. The ability to download Agrarian Questions has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Agrarian Questions has opened up a world of possibilities. Downloading Agrarian Questions provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Agrarian Questions has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Agrarian Questions. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Agrarian Questions. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Agrarian Questions, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable

antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Agrarian Questions has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

web jul 11 2008 biological dinitrogen N_2 fixation is a natural process of significant importance in world agriculture the demand for accurate determinations of global inputs of biologically fixed nitrogen N is strong and will continue to be fuelled by the need to understand and effectively manage the global N cycle in this paper we review and

harnessing biological nitrogen fixation in plant leaves - Jun 28 2023

web jun 1 2023 biological nitrogen fixation bnf the process carried out by diazotrophs which convert nitrogen gas N_2 from the atmosphere into plant usable form NH_4 subsequently incorporated into amino acids and other vital compounds

frontiers diazotrophs for lowering nitrogen pollution crises - Sep 19 2022

web may 24 2021 one of the best studied symbioses is the symbiotic nitrogen fixation that involves plants both legumes and non legumes and specific diazotrophs rhizobia and frankia during this symbiotic relationship a niche and carbon molecules are provided to the microorganisms by the plant in exchange for nitrogen fixation schwember et al

biological nitrogen fixation and beneficial plant microbe interaction - Aug 31 2023

web about this book this book covers the most recent advances in all the topics with which researchers and professionals need to be familiar in order to obtain a better understanding of and to better exploit beneficial plant microbe interactions

nitrogen signalling in plant interactions with associative and - Nov 21 2022

web biological nitrogen fixation bnf is an important source of nitrogen n input in agriculture and represents a promising substitute for chemical n fertilizers diazotrophic bacteria have the ability to develop different types of

current progress in nitrogen fixing plants and microbiome research - May 28 2023

web jan 13 2020 it has been estimated that worldwide biological nitrogen fixation produces roughly 200 million tons of nitrogen annually 15 16 in fact nearly 50 of the total nitrogen in crop fields is the contribution of bnf by diazotrophic bacteria of the total biosphere nitrogen 17

harnessing biological nitrogen fixation in plant leaves pubmed - Jul 18 2022

web the importance of biological nitrogen fixation bnf in securing food production for the growing world population with minimal environmental cost has been increasingly acknowledged leaf surfaces are one of the biggest microbial habitats on earth harboring diverse free living n₂ fixers

biological nitrogen fixation and beneficial plant microbe interactions - Jul 30 2023

web jan 1 2016 biological nitrogen fixation bnf a microbiological process which converts atmospheric nitrogen into a plant usable form offers this alternative

harnessing biological nitrogen fixation in plant leaves - Apr 14 2022

web jun 1 2023 the importance of biological nitrogen fixation bnf in securing food production for the growing world population with minimal environmental cost has been increasingly acknowledged leaf surfaces are one of the biggest microbial habitats on earth harboring diverse free living n₂ fixers

biological nitrogen fixation to improve plant growth and productivity - Jan 12 2022

web jan 4 2016 this review focuses on the improvement of the growth and yield of plants having biological nitrogen fixation ability due to certain microorganisms symbiotic and free living nitrogen fixing

plant breeding for biological nitrogen fixation a review - Jun 16 2022

web jul 14 2015 abstract symbiotic biological nitrogen fixation is an important feature of the beneficial role played by legume crops in the farming system this symbiosis is facilitated by a complex chemical signaling process between the host

legume plant and rhizobia bacteria

harnessing biological nitrogen fixation in plant leaves cell press - Dec 23 2022

web the importance of biological nitrogen fixation bnf in securing food production for the growing world population with minimal environmental cost has been increasingly acknowledged leaf surfaces are one of the biggest microbial habitats on earth harboring diverse free living n_2 fixers

biological nitrogen fixation for sustainable agriculture - Apr 26 2023

web sep 21 2017 biological nitrogen fixation bnf involving beneficial microorganism is a process of converting the free atmospheric nitrogen into plant available form this biological process harmonizes the ecosystem and offers an economic and environment friendly approach for reducing the external inputs and improving internal sources

diversity and regulation of symbiotic nitrogen fixation in plants - Feb 22 2023

web jun 5 2023 plants associate with nitrogen fixing bacteria to secure nitrogen which is generally the most limiting nutrient for plant growth endosymbiotic nitrogen fixing associations are widespread among diverse plant lineages ranging from microalgae to angiosperms and are primarily one of three types cyanobacterial actinorhizal or rhizobial

identification and evolution of nsltps in the root nodule nitrogen - Aug 19 2022

web sep 25 2023 as frankia in the nodule is viable and has an active nitrogen fixation to provide nitrogen to the plant we investigated the molecular response of f alni acn14a under n free conditions in contact

biological nitrogen fixation learn science at scitable nature - Jan 24 2023

web figure 1 nitrogen fixing organisms found in agricultural and natural systems the process the reduction of atmospheric nitrogen is a complex process that requires a large input of energy to

nitrogen fixing azotobacter species as potential soil biological - Mar 26 2023

web feb 25 2021 biological nitrogen fixation bnf refers to a microbial mediated process based upon an enzymatic nitrogenase conversion of atmospheric nitrogen n_2 into ammonium readily absorbable by roots n_2 fixing microorganisms collectively termed as diazotrophs are able to fix biologically n_2 in association with plant roots

plants free full text exploiting biological nitrogen fixation a - Oct 21 2022

web aug 11 2020 one alternative to overcome this problem is biological nitrogen fixation bnf indeed more than 60 of the fixed n on earth results from bnf farrar k bryant d cope delby n understanding and engineering beneficial plant microbe interactions plant growth promotion in energy crops plant biotechnol j 2014 12

31 3a nitrogen fixation root and bacteria interactions - Mar 14 2022

web both the plants and the bacteria benefit from the process of nitrogen fixation the plant obtains the nitrogen it needs to synthesize proteins while the bacteria obtain carbon from the plant and a secure environment to inhabit within the plant
