The Air-conditioned Nightmare: Air-conditioned nightmare Henry Miller,1947 Stories and essays dealing with the author s impressions of the United States The Air-conditioned Nightmare Henry Miller,1985 *To Remember/The Air-conditioned Nightmare* Henry Miller,1945 *The Air-conditioned Nightmare* Henry Miller,1962 *The Air-conditioned Nightmare /cHenry Miller* Henry Miller,1945 **The Air-conditioned Nightmare V.1/Remember to Rember** Henry Miller,1945 **Remember to Remember** Henry Miller,1961 **Vive la France** Henry Miller,1943 **Discover UK Shoegaze and Dream Pop** Vernon Joynson,2023-10-20 Discover UK Shoegaze and Dream Pop is an excellent comprehensive guide to the development of both genres in the UK It includes detailed discographies personnel details biographies analysis of their music and where applicable rarity ratings for all the 80s and 90s acts featured You ll recognise some names but several less well known acts are included too There s also a detailed postscript section on the re emergence of Shoegaze and Dream Pop in the UK in the 21st century and the bands involved in it This book is the latest in a quartet of books Vernon has written about UK music commencing with the Two Volume Tapestry of Delights 2014 A Sharp Shock To The System 2019 and The Britpop Bible 2022 These three previous titles appeared in print but in view of the cost of living crisis Discover UK Shoegaze and Dream Pop has been published digitally to reduce the retail price and make it affordable for more of you You will discover a lot about UK Shoegaze and Dream Pop from this book which is profusely illustrated throughout There is nothing similar out there **On Henry Miller** John Burnside,2018-03-27 An engaging invitation to rediscover Henry Miller and to learn how his anarchist sensibility can help us escape the air conditioned nightmare of the modern world The American writer Henry Miller s critical reputation if not his popular readership has been in eclipse at least since Kate Millett s blistering critique in Sexual Politics her landmark 1970 study of misogyny in literature and art Even a Miller fan like the acclaimed Scottish writer John Burnside finds Miller s sex books including *The Rosy Crucifixion* *Tropic of Cancer* and *Tropic of Capricorn* boring and embarrassing But Burnside says that Miller s notorious image as a pornographer and woman hater has hidden his vital true importance his anarchist sensibility and the way it shows us how by fleeing from conformity of all kinds we may be able to save ourselves from the air conditioned nightmare of the modern world Miller wrote that there is no salvation in becoming adapted to a world which is crazy and in this short engaging and personal book Burnside shows how Miller teaches us to become less adapted to the world to resist a life sentence to the prison of social

intellectual emotional and material conditioning Exploring the full range of Miller s work and giving special attention to *The Air Conditioned Nightmare* and *The Colossus of Maroussi* Burnside shows how with humor and wisdom Miller illuminates the misunderstood tradition of anarchist thought Along the way Burnside reflects on Rimbaud s enormous influence on Miller as well as on how Rimbaud and Miller have influenced his own writing An unconventional and appealing account of an unjustly neglected writer On Henry Miller restores to us a figure whose searing criticism of the modern world has never been more relevant

Henry Miller and Religion Thomas Nesbit, 2012-12-06 This study argues that this previously banned author devoted his entire life to articulating a religion of self liberation in his autobiographical books examining his life and work within the context of fringe religious movements that were linked with the avant garde in New York City and Paris at the first of the 20th century This study shows how these transatlantic movements including Gurdjieff Rosicrucianism and Theosophy gave him the hermeneutical devices not to mention the creative license to interpret texts and symbols from mainline religions in an iconoclastic manner ranging from obscure Taoist treatises to the mystical works of Jacob Boehme The influence of numerous philosophical sources widely circulated in his most critical years particularly Henri Bergson s *Two Sources of Morality and Religion* 1932 also helped him develop a religious view situated between transcendence and immanence in which self liberation through the channeled flow of *lan vital* is the chief objective Miller s knowledge of these intellectual currents along with his involvement with sidestream religious groups inspired him to meld his religious and literary aims into one perplexing project

The Last Jews in Baghdad Nissim Rejwan, 2010-01-01 This memoir of life in the Iraqi capital s Jewish community is a rare look detailed and vivid into a culture that is no longer extant Nancy E Berg author of *Exile from Exile* Israeli Writers from Iraq Once upon a time Baghdad was home to a flourishing Jewish community More than a third of the city s people were Jews and Jewish customs and holidays helped set the pattern of Baghdad s cultural and commercial life On the city s streets and in the bazaars Jews Muslims and Christians all native born Iraqis intermingled speaking virtually the same colloquial Arabic and sharing a common sense of national identity And then almost overnight it seemed the state of Israel was born and lines were drawn between Jews and Arabs Over the next couple of years nearly the entire Jewish population of Baghdad fled their Iraqi homeland never to return In this beautifully written memoir Nissim Rejwan recalls the lost Jewish community of Baghdad in which he was a child and young man from the 1920s through 1951 He paints a minutely detailed picture of growing up in a barely middle class family dealing with a motley assortment of neighbors and landlords struggling through the local schools and finally discovering the pleasures of self education and sexual awakening Rejwan intertwines his personal story with the story of the cultural renaissance that was flowering in Baghdad during the years of his young manhood describing how his work as a bookshop manager and a staff writer for the *Iraq Times* brought him friendships with many of the country s leading intellectual and literary figures He rounds off his story by remembering how the political and cultural upheavals that accompanied the founding of Israel as well as broad hints sent back by the first

arrivals in the new state left him with a deep ambivalence as he bid a last farewell to a homeland that had become hostile to its native Jews
