The Righteous Judgment of God John Richard Coulson, 2016-12-22 This book seeks to fill a gap on the important topic of God's judgment It is written for Christians who desire to have a biblical worldview that helps them to live faithfully for Jesus Christ It investigates what the apostle Paul has to say in his letters about God's judgment The worldview that emerges is one that must not be ignored of judgment as fundamental to our human life as Adam's descendants of God's judgment at work in the world today and of the final judgment as the certain future for every person At the center is the decisive judgment of our sin in Christ at the cross which is God's answer to our judgment problem For each of these four aspects of judgment key questions are considered with the central question being How do we live in the light of this truth

Faithfulness in an Age of Holocaust Marc H. Ellis, 2014-12-02 The contents of this book emerge from the Catholic Worker House of Hospitality in New York City and the Saint Thomas Project in New Orleans Two years of working with people on the margins of society confronted Marc Ellis with a truth and challenge to delve deeper into his own life and the life of the world so as to begin the movement toward a new society Since that time in his travels through Latin America the Middle East and Asia Ellis has been exposed to the global dimensions of the situations he experienced in New York's Lower East Side and in New Orleans This book is an attempt to work through the questions posed to Ellis over his years among the poor and through his contact with the global issues of justice and peace For some fidelity is a question answered before asked for the pious through dogma and eternal truth for the cynic through denial and derision For Ellis fidelity is neither assumed nor negated Rather it is a struggle through which we search out our own humanity As human beings born with an unfinished consciousness and into a specific

historical context the struggle to be faithful begins with the historical hour in which we live This is our burden but it is also an opportunity to become what we are called to be **"Churchism in the Church Age"** Bill Young,2018-09-26 Since 70 AD our so called Christian forefathers have set us on a course that has only led us further and further away from understanding of the Words from heaven by promoting a false religion known as The Church Age which I refer to as Churchism This Church Age did not begin until about 325 AD and it dominated the Christian thinking for some 1 200 years before the Protestants broke away from it about five hundred years ago It was the Catholic Church who created the Church Age and the world has been drawn into believing in this ghost religion that was never real or legitimate It was not created from reading and understanding the Words from heaven So then faith cometh by hearing and hearing by the word of God Rom 10 17 18 Searching the Words from heaven is our duty to God as well as to ourselves and he will bless who he will bless with understanding But there are many who will not be so blessed Unto you Jesus s disciples it is given to know the mystery of the kingdom of God but unto them that are without all things are done in parables Mark 4 11 The Church Age believers are those who are without and for 1 700 years they have remained without yet the world continues to accept their words as Gospel There are two ways to know God one is to see with an open mind his Creation in the world and universe to be attentive to its magnificent diversity and harmony and the other is through his Words that he has written for us The early American Indian only had the first way of knowing God until the new settlers came to America and introduced Churchism s church salvation Now both the Indian as well as all the civilized earth have been following a religion which became the worlds greatest deception and hoax **The Dialogue Comes of Age** John B.
