Multiple AIDS-related Loss David

Nord,1997 The aim of this book is to legitimize the pain experienced by many of the survivors of AIDS by normalizing the abnormal experience of survivors It argues that multiple AIDS related loss means not only losing one loved one to AIDS but also has **Working with Families in the Era of HIV/AIDS** Willo Pequegnat,Jose Szapocznik,2000-05-31 The purpose of this book is to encourage professional to become involved in family oriented services to prevent the spread of HIV and its consequences and to provide examples of strategies for mobilizing family resources in the prevention and adaptation to HIV and AIDS AIDS Bibliography ,1995-05 **AIDS Orphans Rising** Sister Mary Elizabeth Lloyd,2007-12-01 By 2010 there will be 25 million AIDS orphans Left alone they will be ripe candidates for radicalization and exploitation by dictators and terrorists and civilization will deteriorate to an unrecognizable point Each chapter provides links to organizations that are working on solutions to this problem *The House on Henry Street* Ellen M. Snyder-Grenier,2025-04 The House on Henry Street is a critical exploration of the enduring life of a Lower East Side settlement *A Generation at Risk* Geoff Foster,Carol Levine,John Williamson,2005-09-12 An insightful study on children orphaned as a result of the AIDS epidemic with a Foreword by Desmond Tutu *Out Here By Ourselves* Diane Duggan,2018-10-24 Despite the significant number of AIDS affected youth in the United States the plight of these young people has been largely disregarded This book presents the stories of several young people whose mothers had AIDS or had died from the disease They speak directly about their experiences and their concerns Individual and common themes in their stories are analyzed to gain insight into their problems and to develop an understanding of how best to respond to their needs Some prominent themes shared by the participants are longstanding unstable living arrangements serious conflict with their mothers multiple losses in the youth s lives even before the AIDS crisis the mother s past drug use behavioral problems and difficulties with limits in the family school and the community unsafe sexual behavior and childbearing within a year of the mother s death These issues are exacerbated by the poverty discrimination and violence in the communities in which these and many AIDS affected young people live *Women, Families and HIV/AIDS* Carole A. Campbell,1999-04-13 Carole Campbell examines the position of women in the AIDS epidemic women living with HIV and women caring for HIV infected family members in a sociocultural context Campbell draws a connection among women s risk of AIDS gender roles particularly adolescent gender role socialization and male sexual behavior demonstrating that efforts to contain the spread of the disease to females must also target the male behavior that puts women at risk This study concludes that compared with men HIV infected women face unequal access to care and unequal quality of care Informed by the moving personal accounts of eleven HIV infected men and women this book offers a rare broad picture of the sociocultural causes and the impact on American society of AIDS among women *Invisible Children in the Society and Its Schools* Sue Books,2015-04-24 The authors in this book use the metaphors of invisibility and visibility to explore the social and school lives of many children and young people in North America whose complexity strengths and vulnerabilities are largely unseen in the society and its schools These invisible

children are socially devalued in the sense that alleviating the difficult conditions of their lives is not a priority children who are subjected to derogatory stereotypes who are educationally neglected in schools that respond inadequately if at all to their needs and who receive relatively little attention from scholars in the field of education or writers in the popular press The chapter authors some of the most passionate and insightful scholars in the field of education today detail oversights and assaults visible and invisible but also affirm the capacity of many of these young people to survive flourish and often educate others despite the painful and even desperate circumstances of their lives By sharing their voices providing basic information about them and offering thoughtful analysis of their social situation this volume combines education and advocacy in an accessible volume responsive to some of the most pressing issues of our time Although their research methodologies differ all of the contributors aim to get the facts straight and to set them in a meaningful context New in the Third Edition Chapters retained from the previous edition have been thoroughly revised and updated and five totally new chapters have been added on the topics of young people pushed into the school to prison pipeline the environmental landscape of two out of school Mexican migrant teens in the rural Midwest the perceptions and practices in and outside schools that construct African American boys as school failures negative portrayals of blackness in the context of understanding the collateral damage of continued white privilege and working class pregnant and parenting teens efforts to create positive identities for themselves Of interest to a broad range of researchers students and practitioners across the field of education this compelling book is accessible to all readers It is particularly appropriate as a text for courses that address the social context of education cultural and political change and public policy including social foundations of education sociology of education multicultural education curriculum studies and educational policy

International Handbook of Multigenerational Legacies of Trauma Yael Danieli, 2013-03-09 In this extraordinary new text an international array of scholars explore the enduring legacy of such social shocks as war genocide slavery tyranny crime and disease Among the cases addressed are instances of genocide in Turkey Cambodia and Russia the plight of the families of Holocaust survivors atomic bomb survivors in Japan and even the children of Nazis the long term effects associated with the Vietnam War and the war in Yugoslavia and the psychology arising from the legacy of slavery in America
