Aids Narrative Gender And Sexuality Fiction And Science:

AIDS Narratives Steven F. Kruger, 1996 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company
AIDS Narratives Steven F. Kruger, 2013-10-28 This is the first book length study of the rich fiction that has emerged from the AIDS crisis Examining first the ways in which scientific discourse on AIDS has reflected ideologies of gender and sexuality such as the construction of AIDS as a disease of gay men part of a battle over masculinity and thus largely excluding women with AIDS from public attention the book considers how such discourses have shaped narrative understandings of AIDS On the one hand AIDS is seen as an invariably fatal weakening of an individual s bodily defenses a depiction often used to reconfirm an identification between disease and a weak and vulnerable gayness On the other hand AIDS is understood in terms of an epidemic attributable to gay immorality or unnaturalness The fiction of AIDS depends upon these two narratives with one major subgenre of AIDS novel presenting narratives of personal illness decline and death and a second focusing on epidemic spread These novels also question the narrative structures upon which they depend intervening particularly against the homophobia of those structures though also sometimes reinforcing it
Queering the Middle Ages Glenn Burger, Steven F. Kruger, 2001 The essays in this volume present new work that in one way or another queers stabilized conceptions of the Middle Ages allowing us to see the period and its systems of sexuality in radically different off center and revealing ways While not denying the force of gender and sexual norms the authors consider how historical work has written out or over what might have been non normative in medieval sex and culture and they work to restore a sense of such instabilities At the same time they ask how this pursuit might allow us not only to re envision medieval studies but also to rethink how we study culture from our current set of vantage points within postmodernity The authors focus on particular medieval moments Christine de Pizan s representation of female sexuality chastity in the Grail romances the illustration of the sodomite in manuscript commentaries on Dante s *Commedia* the complex ways that sexuality inflected English national politics at the time of Edward II s deposition the construction of the sodomitic Moor by Reconquista Spain Throughout their work seeks to disturb a logic that sees the past as significant only insofar as it may make sense for and of a stabilized present

Keywords for Health Humanities Sari Altschuler, Jonathan M. Metz, Priscilla Wald, 2023-08-29 Leading scholars introduce key terms concepts and debates about the meanings of health and illness in relation to equity and disparity race gender sexuality and disability infection and contagion democracy and repression and other urgent topics at the core of our pandemic era world
The Ashgate Research Companion to Queer Theory Noreen Giffney, Michael O'Rourke, 2016-03-23 This interdisciplinary volume of thirty original essays engages with four key concerns of queer theoretical work identity discourse normativity and relationality The terms queer and theory are put under interrogation by a combination of distinguished and emerging scholars from a wide range of international locations in an effort to map the relations and disjunctions between them These contributors are especially attendant to the many theoretical discourses intersecting with

queer theory including feminist theory LGBT studies postcolonial theory psychoanalysis disability studies Marxism poststructuralism critical race studies and posthumanism to name a few This Companion provides an up to the minute snapshot of queer scholarship from the past two decades and identifies many current directions queer theorizing is taking while also signposting several fruitful avenues for future research This book is both an invaluable and authoritative resource for scholars and an indispensable teaching tool for use in the classroom

Blood on the Page Lizzy Attree,2010-03-08 The fourteen interviews in this book form an unprecedented wealth of material on authors responses to HIV AIDS in South Africa and Zimbabwe They comprise a valuable archive which documents and contextualises the variety of views and opinions of different authors on their often ground breaking choices in writing about HIV AIDS Each author ranks among the first to publish fiction on HIV AIDS in their respective countries These interviews are of particular merit as these issues have not been discussed at length with any of the authors before Collectively they offer a unique range of approaches and opinions in response to the HIV AIDS pandemic in southern Africa Their significance lies in their specific literary as well as their broader social cultural and political perspectives on a disease which continues to spread despite extensive NGO medical and government intervention In both South Africa and Zimbabwe government responses have failed to address the urgent need for new political and economic solutions to the challenge of HIV infection Responses among the population have varied from widespread silence shame and fear to political activism and outspoken critiques of government inaction Writers give voice to this silence and contextualise the disparate reactions amongst diverse peoples Globally AIDS killed approximately 2 million in 2008 In 1998 AIDS was the largest killer in southern Africa nearly double the one million deaths from malaria and eight times the 209 000 deaths from tuberculosis It has long been the case that of those dying globally of AIDS the majority live in southern Africa When the associated social and cultural implications of infection with HIV are considered fictional representations contribute significantly to our understanding of the impact of HIV AIDS on communities and individuals and provide a much needed basis for humanising an epidemic which is unimaginable statistically It has been said that the feelings and reactions that HIV AIDS inspires are often too unreal for words and it is this very notion that certain diseases are taboo unmentionable and hardly even named as such that makes verbalisation of this epidemic a modern imperative

Before the Closet Allen J. Frantzen,2000-05 Examining the intolerance of homosexuality in the early medieval period this study challenges the long held belief that the early Middle Ages tolerated same sex relations The work focuses on Anglo Saxon literature but also includes examinations of contemporary opera dance and theatre

Eating Culture Ron Scapp,Brian Seitz,1998-01-01 Eating has never been simple and contemporary eating practices seem more complicated than ever demanding a multidimensional analysis that strives not for a reductive overview but for a complex understanding Eating Culture offers a number of diverse outlooks on some of the prominent practices and issues associated with the domain of eating

The Cambridge History of Queer American Literature Benjamin Kahan,2024-06-06 Moby Dick s Ishmael and

Queequeg share a bed Janie in Zora Neale Hurston's *Their Eyes Were Watching God* imagines her tongue in another woman's mouth And yet for too long there has not been a volume that provides an account of the breadth and depth of queer American literature This landmark volume provides the first expansive history of this literature from its inception to the present day offering a narrative of how American literary studies and sexuality studies became deeply entwined and what they can teach each other It examines how American literature produces and is in turn woven out of sexualities gender pluralities transness erotic subjectivities and alternative ways of inhabiting bodily morphology In so doing the volume aims to do nothing less than revise the ways in which we understand the whole of American literature It will be an indispensable resource for scholars graduate students and undergraduates ***Queer Theory in Film & Fiction*** Ernest N. Emenyonu, John C. Hawley, Patricia Thornton Emenyonu, Adéleke Adéèkó, Obi Nwakanma, 2018 ALT 36 turns a queer eye on Africa offering provocative readings of texts to position formerly erased sexualities and contemporary sexual expression among Africans on the continent and abroad ***Cosmopolitan Fictions*** Katherine Stanton, 2013-10-14 Participating in the reframing of literary studies *Cosmopolitan Fictions* identifies as cosmopolitan fiction a genre of global literature that investigates the ethics and politics of complex and multiple belonging The fictions studied by Katherine Stanton represent and revise the global histories of the past and present including the indigenous or native narratives that are in Homi Bhabha's words internal to national identity itself The works take as their subjects European unification the human rights movement the AIDS epidemic the new South Africa And they test the infinite demands for justice against the shifting borders of the nation rethinking habits of feeling modes of belonging and practices of citizenship for the global future Scholars teachers and students of global literary and cultural studies *Cosmopolitan Fictions* is a book to want on your reading list

Jewish/Christian/Queer Frederick Roden, 2016-05-06 At a time when major branches of Judaism and most Christian denominations are addressing the relationship between religion and homosexuality *Jewish Christian Queer* offers a unique examination of the similarities between the queer intersections of Judaism and Christianity and the queer intersections of the homosexual and the religious This volume investigates three forms of queerness the rhetorical theological and the discursive dissonance at the meeting points between Christianity and Judaism the crossroads of the religious and the homosexual and the intersections of these two forms of queerness namely where the religiously queer of Jewish and Christian speech intersects with the sexually queer of religiously identified homosexual discourse Including essays on literature and literary theory Christian theology Biblical Rabbinic and Jewish studies queer theory architecture Freud gay and lesbian studies and history *Jewish Christian Queer* will have a truly interdisciplinary appeal ***A Concise Companion to Chaucer*** Corinne Saunders, 2008-04-15 This concise companion provides a succinct introduction to Chaucer's major works the contexts in which he wrote and to medieval thought more generally Opens with a general introductory section discussing London life and politics books and authority manuscripts and readers Subsequent sections focus on Chaucer's major works the dream

visions Troilus and Criseyde and The Canterbury Tales Essays highlight the key religious political and intellectual contexts for each major work Also covers important general topics including medieval literary genres dream theory the Church gender and sexuality and reading Chaucer aloud Designed so that each contextual essay can be read alongside one of Chaucer's major works AIDS Narratives Nicola Birkner,2006 The Oxford Handbook of Chaucer Suzanne Conklin Akbari,James Simpson,2020 This Handbook addresses Chaucer's poetry in the context of several disciplines including late medieval philosophy and science Mediterranean culture comparative European literature vernacular theology and popular devotion

Queer Movie Medievalisms Kathleen Coyne Kelly,Tison Pugh,2009 Queer Movie Medievalisms is the first book of its kind to grapple with the ways in which mediations between past and present as registered on the silver screen queerly undercut assumptions about sexuality throughout time It will be of great interest to scholars of Gender and Sexuality Cultural and Media Studies Film Studies and Medieval History *The Cambridge Companion to American Gay and Lesbian Literature* Scott Herring,2015-05-26 Writing anything definitive about the queer American novel will always be unsatisfying if not impossible Unsatisfying because the romances they contain are uncertain and quite often doomed heartbreak violence and persecution pepper nearly every page Impossible because the genre's terrain is as vast and uncertain as America itself the spaces the characters plots ideas and dynamics too varied The minute you say one thing you could say another And perhaps that might be the point As one character from Djuna Barnes's lesbian novel Nightwood puts it With an American anything can be done 1 We could say the same about the queer American novel If there is anything consistently connecting this genre it is that it features however obliquely the effects characters usually American but not always have as they seek reasons for why they have sexual feelings for those that are not obvious or traditional object choices Frequently these effects instruct characters in their pursuit of self knowledge and self understanding especially if others have pathologized their desires and America has and does pathologize its queers In her autobiographical graphic memoir Fun Home Alison Bechdel tells a story of a variety of discoveries that books explicitly queer or not can inspire During the same afternoon when she acknowledges that she is a lesbian she also finds herself asking a professor to let her take his course on James Joyce's Ulysses her father's favorite book As we move from the captions and the meticulous stylized drawings canonical books acquire an increasingly important role books become guides to how Bechdel will affect a convergence with her abstracted father Becoming Male in the Middle Ages Jeffrey Jerome Cohen,Bonnie Wheeler,2015-11-17 First published in 1997 Most work in gender studies has focused on women This volume brings together various forms of gender theory especially feminist and queer theory to explore how men made cultures and culture made men in the Middle Ages Representations of HIV/AIDS in Contemporary Hispano-American and Caribbean Culture Gustavo Subero,2016-04-08 Exploring the mechanisms and strategies used in different cultures across Hispano America and the Caribbean to narrativise represent and understand HIV AIDS as a social and human phenomenon this book examines a wide range of cultural artistic and media texts as well as

issues of human phenomenology to understand the ways in which HIV positive individuals make sense of their own lives and of the ways in which the rest of society sees them Drawing on a variety of cultural texts from cinema television photography and literature the author considers the manner in which contemporary cultural forms have shaped a body of public opinion in response to the social and cultural impact of HIV AIDS re interpreting the condition in the light of advances in treatment With attention to both the temporality and spatiality of production this book examines whether heterosexual and homosexual and masculine and feminine bodies are narrativised in the same manner considering the question of whether representations foster discrimination of any kind The book also asks whether representations across Latin America are homogenous or varied according to national social or cultural context and explores the commonalities between the representations of HIV AIDS in Hispano America and the Caribbean and other global narratives A detailed study of the various representations of HIV AIDS and the construction of public opinion this book will appeal to scholars of cultural media and film studies the sociology of health the body and illness and Latin American and Caribbean Studies *AIDS in Cultural Bodies* Gokulnath

Ammanathil, Sathyaraj Venkatesan, 2016-04-26 This book examines the various psychosocial and sexual ordeals of African American people living with HIV or AIDS PLWH PLWAs as depicted in African American literary narratives dealing with HIV AIDS published from 1980 to 2010 Central to these texts are the psychosocial and sexual challenges faced by the African American PLWH PLWAs and the various adaptive strategies they choose to come to terms with their HIV AIDS identity Although PLWH PLWAs irrespective of race confront these brutal realities the intersection of a mythologized black sexuality homophobia and intra community marginalization places African American PLWH PLWAs in an unenviable position While abjection and social death rupture the social self of PLWH PLWAs the ostracization they suffer as a result of their diagnosis affects their sexual self leading to sexual death In addition to illustrating the social and sexual issues of PLWH PLWAs in relation to race sexuality and gender the African American HIV AIDS literary narratives studied here also foreground various coping strategies conscripted by PLWH PLWAs to surmount the onerous psychosocial and sexual challenges they face In view of the above concerns this study analyses social death sexual death and coping in relation to HIV AIDS at three levels namely the intersection of blackness sexuality and HIV AIDS the impact of such an intersection on the sexual life of black PLWH PLWAs and finally the envisioned coping strategies for affirmative survival This book offers insightful critical analysis of HIV AIDS literary narratives by celebrated authors such as Samuel R Delany Cheryl L West Essex Hemphill Michael B Hunter Steven Corbin Charlotte Watson Sherman Sapphire Pearl Cleage Sheneshka Jackson Gil R Robertson and Marvelyn Brown
