The Reform of Fiction in Meiji Japan Peter Francis Kornicki,1982 The Game Master Ian D. Copsey,2015-03-30

Tired of arguing over which of them was the best gamer Josh and Alex stumbled upon a new video game shop run by an enigmatic Japanese shopkeeper He was to be their Game Master in this virtual reality video game that had no game controls Little did they know it was a game that would change their lives of their friends and enemies forever Oh This game is no ordinary game The Game Master explained It reads your thoughts seeks out your weaknesses to provide you with challenges It can read our minds puzzled the boys As they progressed through the game s levels they discovered more about those around them Then mysteriously the Game of Life began to spread its influence beyond Josh and Alex s lives and to their friends From switching roles with each other campfire frolics and ghostly stories from their teachers the Game Master s zany antics as he hosted a T V game show Hiro s Happy Heroes released a string of rib tickling gags teases and tantalising tattles
