Basic Christian Doctrine A Summary Of Christian Faith Catholic Protestant And Reformed:

Basic Christian Doctrine John H. Leith, 1993-01-01 John Leith provides a brief but comprehensive statement of Christian faith for contemporary Christians. He considers the theologians of the ancient church and affirms the faith of the ancient creeds. *Outline of Christian Doctrine* Wilfried Harle, 2015-04-14 In this book Wilfried Harle so distills Protestant Christian teaching as to bring fresh insight both to new students and to experienced readers of systematic theology. *Outline of Christian Doctrine* however is not merely a translation of Harle's classic German text. Nicholas Sagovsky has also entirely adapted the original work to the needs and resources of English speaking readers. Biblically rooted, contextually sensitive, alert to philosophical issues and relevant with respect to debates about the world as we know it today, Harle's *Outline of Christian Doctrine: An Evangelical Dogmatics* is an ideal contemporary theology book for both class use and individual study.

Catechisms of Peter Canisius Thomas Flowers, S.J., 2023-07-03 The catechisms of Peter Canisius reveal the contours of the struggle within the Catholic Church to reframe Christian identity in response to the Protestant Reformation. Canisius published his first catechism in 1555 and immediately achieved phenomenal publishing success. Yet his catechisms received neither endorsement nor approbation from Rome. Canisius's catechesis proposed a confident vision of Christian identity grounded in the practice of Catholic piety. The Roman Curia increasingly conceived of catechesis as a defensive bulwark against Protestant assault. Although Canisius's catechisms often appear in scholarship as representatives of a combative post-Reformation style of defending Catholic orthodoxy, the combat in which they actually engaged was internal to the Catholic Church over how to reframe post-Reformation Catholic identity. Deeper Christian Faith, Revised Edition Ted A.

Campbell, 2019-09-17 The purpose of *Deeper Christian Faith* is to form Christians in such a depth of Christian faith grounded in biblical, historical, and ecumenical insights that they can state with confidence what they believe and practice in common with other Christians and grow in the self-giving love at the heart of the Christian faith. The book is a re-sounding a re-catechism for Christians who seek deeper formation in beliefs and practices widely received in Christian communities. Anchored by focus texts that allow readers to meditate on biblical and historic texts in ancient formats as well as contemporary translations, this intensive program of study allows contemporary Christians to experience the rich, alien, and

mysterious worlds of historic Christian teachings and practices The book follows the central theme of the self giving love of God revealed in Jesus Christ and then formed in the life of a believer *Perspectives*, 1991 **Christian Theology** Alister E.
