Testimonials:

- I have the honor of having known Dave Clark since 1984 when I was a student in IFSI's Officer's Fireground School where he was an instructor. Throughout Dave's career, he has always been a student of the game. Because of his dedication, experience, research, and years of hands-on instructing, this great book tells how to do the job aggressively and most importantly safely. Robert S. Hoff, Chicago Fire Commissioner (ret.) and IFSI Field Instructor.
- Dave Clark brings decades of experience combating residential fires and presents a commonsense approach to firefighting, addressing what's the building going to do with the fire and what's the fire going to do with the building. Lew Lake, Battalion Chief, Wheaton FD (ret.) and IFSI Chicago Training Program director.
- I've heard "Get ready, we're going" in many times over the past 40 years working with Chief Dave Clark at IFSI. He's fought fires in big cities and small towns, teaching streams and ventilation, but mostly fire behavior and how to use it to your advantage. He is the best at passing along lessons to the fire service. Jack Jr. Rutledge, Illinois Fire Service Institute senior instructor, Delta Air Lines (ret.).
