

Revelation to John

John Patmos wrote the book to:

- 1.) Encourage Christians to *remain faithful* during times of persecution, false teachings, and complacency
- 2.) For Christians to *remain hopeful*
 - Jesus already rescued us from sin and death by His death and resurrection
 - In the coming battle he will conquer the unholy trinity of Satan (the dragon), the beast of the sea (the emperor), and the beast of the land (the local authority)

Basic Teachings From Patmos:

Basic Teachings from Patmos Marie Strong,1980 *Preaching from Inside the Story* Jeffrey W. Frymire,2022-06-02

Preaching from Inside the Story is a book that seeks to carve out an understanding of narrative preaching in an age where there is little agreement about its nature and practice Capitalizing on the works of Craddock and Lowry it seeks to find an expanded palette upon which the preacher may engage the larger canvas of narrative preaching This book will engage the mind by introducing neuroscientific understandings of creativity build upon the foundations of the philosophy of stories by engaging Aristotle s foundational understanding of narrative and renew the Lowry Loop by expanding this seminal work and how it should be understood in our current culture Preaching from Inside the Story breaks new ground by encouraging preachers to move inside stories and tell them from the inside out providing a positive effect thereby affording non narrative preachers to connect with storytelling principles Ultimately it is filled with examples of how to do narrative in a very practical way However in showing these practical examples the reader is involved in a deep analysis of those narrative sermons and how they fit into an overall narrative understanding of preaching In the final analysis it invites the reader to take a fresh journey into narrative preaching *Doing Diaspora Missiology Toward "Diaspora Mission Church"* Luther Jeom Ok Kim,2016-01-05 In U S Population Projections 2005 2050 Pew Research Center reported that The nation s population will rise to 438 million in 2050 from 296 million in 2005 and fully 82% of the growth during this period will be due to immigrants arriving from 2005 to 2050 and their descendants This shows that it is essential to study and understand how our mission especially in the context of the USA called the nation of immigrants will respond to this huge mobility of immigrant diaspora So far there has been emphasis on doing diaspora missiology however there is no practical implications and application in local church setting Now mission is next door which implies that the ministry of the local church should be emphasized for 21st contemporary mission This book provides detailed frameworks and methods of diaspora missiology within local churches called diaspora mission church According to the Bible all human beings are theologically and spiritually diaspora irrespective of ethnicity because they were banished from the Garden of Eden and scattered around the world in God s judgment Now they walk toward the encounter with Jesus Christ preach the gospel as the seed of Kingdom and finally move toward heaven
