Fighting Over Words Roger W. Shuy,2008-01-29 Most people fight over something or other and language is usually at the very center of the conflict Often the way we use language is the cause of the battle There are many areas in which fighting about language can be observed but civil law cases offer the most fertile examples of this warfare over words What did the contract actually say Was there deception in the advertising Was the warning label clear and effective Did the company evidence race or age discrimination against employees or customers Was one company s name too similar to that of another company Did the corporation plagiarize the work of another Did it fraudulently represent what its work This book is about the ways linguistic analysis

describes exposes and aids disputes in 18 civil cases where language framed the battleground Roger Shuy a well known forensic linguist and consultant shows how the skills of linguistic analysis can help resolve disputed meanings while also showing how civil cases can prove to be fertile ground for linguistic scholarship He does this by collecting and analyzing cases involving contracts trademark disputes advertisements product liability copyright infringement discrimination trademark disputes and fraud controversies In each case he employs all the tools of formal linguistics to show how it can be as helpful as other physical sciences in resolving legal disagreements The work will be of interest primarily to linguists sociolinguists forensic linguists and scholars and students of law and society as well as lawyers and law students *Manual for Facilitators in Non-formal Education Involved in Preparing and Delivering the Programme of Study Sessions at European Youth Centres* Sabine Klöcker, Council of Europe, 2009-01-01 The aim of the Council of Europe s youth policy is to provide young people girls and boys young women and young men with equal opportunities and experience which will enable them to develop the knowledge skills and competencies to play a full part in all aspects of society The programme of activities aims at associating young people through governmental and non governmental youth partners with the aims and priorities of the youth policy of the Council of Europe The participants in the education and training activities are multipliers who within their youth organisations or institutions are involved in training other young people and or in designing activities and programmes that put into practice the values standards and objectives that preside over the youth policy of the Council of Europe The use of non formal learning principles is combined with experiential learning approaches the most apt at making the learning experiences meaningful and relevant Activities are implemented in accordance with quality standards agreed with partners of and participants in the activities The quality of these activities depends to a large extent on the competences and abilities of the facilitators of these educational processes many of whom are volunteers within youth and community organisations This manual was developed in order to support them in that role particularly when they are part of the educational teams of study sessions at the European Youth Centre The manual provides essential information and practical tips for all who are involved in planning and delivering non formal education intercultural activities on an occasional basis This manual is part of the endeavour of the Council of Europe s youth sector to support and develop the quality of non formal education activities across Europe and in doing so contribute to further their recognition Kindergarten Teacher's Guide Vol 1 (US Edition) Stamey Carter, Lyn Wendon, 2008-01-11 For many years Letterland has led children to skillful reading accurate spelling and a love of literacy Now this sequel Step by Step Letterland Guide provides fresh support for your children s second school year in their journey to full literacy Cambridge Primary Mathematics Stage 6 Teacher's Resource with CD-ROM Emma Low, 2014-05-22 This series is endorsed by Cambridge International Examinations and is part of Cambridge Maths This teacher s resource for stage 6 will fully support teachers to get the best from their learners and effectively use the learner s book and games book Detailed lesson plans based on the course objectives are offered along with additional activity ideas
