Basic Spanish Teach Yourself S:

Teach Yourself Spanish Vijaya Venkataraman, Roser Noguera Mas, 1999-12 *Essential Spanish Grammar: Teach Yourself* Juan Kattan-Ibarra, 2012-02-10

Is this the right course for me

Essential Spanish Grammar will help you get more out of your study of Spanish. *Essential Spanish Grammar* is an up to date introduction to Spanish grammar. You don't need to know a lot about grammar before you start. Everything is explained simply and there are lots of examples to illustrate each point. Unlike more traditional grammars, *Essential Spanish Grammar* is structured so that you can look up language forms according to what you want to say even if you don't know the grammatical term for them. If you already know some grammar then you can use the reference grammar section at the back of the book to look up the points you need. The course consists of 23 units illustrating the various uses to which the language can be put for example giving instructions or talking about the recent past. The more traditional reference grammar deals with grammatical structures such as the imperative or the perfect tense. All grammatical terms are explained in the glossary at the back of the book. Each unit contains exercises for you to practise what you have learnt and there is a key at the back of the book for you to check your answers. The new page design in this edition means that the book is even easier to use and the main headings are in English so that you can find your way around the book quickly. This edition contains a taking it further section which will direct you to further sources of real Spanish.

Essential Spanish Grammar will help you to understand and manipulate Spanish grammar with confidence because you need no prior knowledge of grammatical terminology to use it. The approach is accessible and supportive. The examples are clear and in context. Exercises help you practise every point. Learn effortlessly with a new easy to follow page design and interactive features. Not got much time? One five and ten minute introductions to key principles to get you started. Author insights. Lots of instant help with common problems and quick tips for success based on the author's many years of experience. Useful vocabulary. Easy to find and learn to build a solid foundation for speaking. End of unit summaries and online tests. Summaries and tests to help you keep track of your progress. Extend your knowledge. Extra online articles to give you a richer understanding of the culture and history of Spain.

Essential Spanish Vocabulary: Teach Yourself Mike Zollo, 2011-12-02

Essential Spanish Vocabulary is the course for you if you need help with your study of Spanish. This fully revised edition of our best selling course now comes with free downloadable audio support containing hints on how to learn vocabulary effectively. Unlike a phrasebook or a dictionary, *Essential Spanish Vocabulary* will take your existing knowledge and build on it systematically and organically so that you will increase your vocabulary and at the same time expand your range of expression. At the beginning of the book there is a section to help you with your pronunciation followed by a short and simple grammar summary. The main part of the book is arranged in topics such as Work, Travel and Accommodation and Food and Drink and concentrates on the vital and most current words and expressions listing those which you might already know and then extending the coverage to teach you those you probably do not know. Finally the downloadable audio

recording will give you hints on how to increase your vocabulary effortlessly This is an ideal companion if you are a language student or if you are wanting a systematic easy to use tool to increase the range of your vocabulary and improve your ability to express yourself in a wide variety of situations either on holiday or on a business trip Learn effortlessly with a new easy to read page design and interactive features NOT GOT MUCH TIME One five and ten minute introductions to key principles to get you started AUTHOR INSIGHTS Lots of instant help with common problems and quick tips for success based on the author s many years of experience END OF UNIT SUMMARIES AND ONLINE TESTS Summaries and tests to help you consolidate and keep track of your progress EXTEND YOUR KNOWLEDGE Extra online articles at www.teachyourself.com to give you a richer understanding of the culture and history of Spain
