the Soviet Bloc to the European Union Ivan T. Berend, 2009-02-12 An authoritative study that covers the social and economic history of Central and Eastern Europe since 1973 **Europe Since 1980** Ivan T. Berend, 2010-04-08 Recovery and growth

Basic Statistics of the European Union, 1995 *A Geography of the European Union* John Cole, 2013-11-19 Can the European Union continue to grow and also converge Is uniformity within the union desirable The European Union has grown into a supranational entity formed from a mosaic of diverse regions Its enlargement to encompass a number of Central European countries seems only a matter of time With the EU's political and economic importance growing globally the Union's influence is increasingly being felt within its Member States A new geography is emerging with pressures to reduce regional disparities by a process of convergence A Geography of the European Union provides a comprehensive introduction to the European Union its identity problems and prospects Focusing on the key issues of integration and enlargement the authors examine the major economic social environmental and political aspects of the EU both in terms of its individual regions and as a system of interdependent states that form the single EU entity Assessment of controversial issues is frank problems of unemployment social stress ageing and the place of women are covered objectively prompting readers to form their own interpretations This completely revised and expanded 2nd Edition includes a wealth of new illustrations data and

analysis Setting the EU within a broader European and global context this book provides a comprehensive introduction to the changing geography of the European Union and its place in a rapidly changing world *Immigration and Politics in the New Europe* Gallya Lahav, 2004-04-22 With almost a quarter of the world's migrants Europe has been attempting to regulate migration and harmonize immigration policy at the European level The central dilemma exposed is how liberal democracies can reconcile the need to control the movement of people with the desire to promote open borders free markets and liberal standards Gallya Lahav's book traces ten years of public opinion and elite attitudes toward immigration cross nationally to show how and why increasing EU integration may not necessarily lead to more open immigration outcomes Empirical evidence reveals that support from both elite and public opinion has led to the adoption of restrictive immigration policies despite the requirements of open borders Unique in bringing together original data on European legislators and national elites longitudinal data on public opinion and institutional and policy analyses this 2004 study provides an important insight into the processes of European integration and globalization more broadly *Contemporary Spanish Politics* José M. Magone, 2004-07-31 This book gives fresh insight into the formal and informal workings of this dynamic southern European democracy thoroughly discussing history politics institutions parties economy and foreign policy at an introductory level

Trade Protection in the European Community Ludger Schuknecht, 2017-10-10 This book first published in 1992 provides an in depth analysis of the EC policy making processes relating to trade protection It argues that the decision making process is biased towards national policy makers leading to the political determination of the EC's administered protection with the outcome being that protection is geared towards domestic producer interests seeking relief from import competition This study offers a unique perspective because it locates the analysis of EC trade protection within the wider framework of EC decision making processes

Food Industries J. Mark, R. Strange, J. Burns, 2020-11-25 This volume deals with the diverse range of industries concerned with the supply and processing of food in the UK It covers sources relating to food production and processing including foodstuffs supplied from abroad and also fish supply and processing *The Economics and Politics of International Trade* Gary Cook, 2002-03-11 This volume is contemporary in focus and explores key issues in current debates concerning international trade policy The contributors are leading economists and political economists from Britain Europe the United States and Japan

The European Union Handbook Jackie Gower, 2013-10-31 First Published in 2002 Routledge is an imprint of Taylor Francis an informal company *Catalogue of Eurostat Publications* Statistical Office of the European Communities, 1986

The Process of Investment in the Soviet Union David A. Dyker, 1983-03-31 Describes cycle of fixed capital investment in Soviet Union from strategic decision making at government level down to individual building sites based on detailed empirical analysis of Soviet material Analyses Soviet design and construction sectors and latest developments in procedures for assessing investment effectiveness as well as series of case studies including Bratsk hydro electric station West Siberian oil and gas

Women's Employment in a Comparative Perspective Liset Van Dijk, Tanja

Van Der Lippe, These comparative studies by internationally known scholars in the United States Hungary Germany and the Netherlands provide a cross national examination of substantially differing circumstances in hours earnings job level childcare availability parental leave and the like of women s employment The book s dual focus on micro and macro approaches clarifies the extent to which these variances can be ascribed to differences in the institutional context of employment or to the individual characteristics of female employees It thereby provides a valuable contribution both to gender studies and to studies on the sociology of work Women s employment changed dramatically during the second half of the twentieth century Countries in the northern hemisphere have faced similar trends in labor and employment yet there are still many contrasts between them when it comes to women s work In this volume women s employment is studied in different institutional structural and social settings with the intention of exploring the causes of the differences and similarities in women s employment in different countries and at different times Three perspectives are used the macro approach which provides a thorough and focused understanding of the influence of the institutional context on women s work the micro approach which gives insight into the employment behavior of individual women who live in the same social or institutional context and the macro micro approach which makes clear the relative importance to women s work of both individual characteristics and institutional context While a good deal of information is available on women s employment a cross national comparison over time has been lacking This book fills that all important niche Women s Employment in a Comparative Perspective thus has a special relevance for economists as well as sociologists and social work specialists Tanja Van der Lippe is assistant professor of sociology at the Research School ICS of Utrecht University the Netherlands Liset Van Dijk is senior researcher at the Netherlands Institute for Health Services Research Nivel *Economic Activity and Land Use The Changing Information Base for Local and Regional Studies* Michael J. Healey, 2014-10-13 Concerned primarily with statistical data this text aims to provide a guide to the nature uses availability and limitations of the main data sources for interpreting and undertaking regional studies of economic activity It also considers the methods used for the collection of this data Statistical Techniques in Geographical Analysis Dennis Wheeler, Gareth Shaw, Stewart Barr, 2013-07-23 This volume includes changes in the switch from DOS based to Windows based menu driven forms of SPSS and MINITAB is the most important The other change shows availability of data in digital form from websites or via CD ROMs The book is useful for teachers and students *Indicator-Based Monitoring of Regional Economic Integration* Philippe De Lombaerde, Edgar J. Saucedo Acosta, 2017-05-02 This volume brings together experts from different world regions It presents various experiences with building indicator systems for monitoring the implementation of regional economic integration policies such as preferential trade areas common markets or economic and monetary unions The volume discusses both the technical and governance aspects of such systems and best practices The regional experiences that are covered include the European Union Eurasia ASEAN the East African Community EAC COMESA CARICOM the African Caribbean Pacific Group and the

Americas In addition various chapters discuss cross cutting methodological challenges related to trade related indicators

The Oxford Handbook of Postwar European History Dan Stone,2012-05-17 The postwar period is no longer current affairs but is becoming the recent past As such it is increasingly attracting the attentions of historians Whilst the Cold War has long been a mainstay of political science and contemporary history recent research approaches postwar Europe in many different ways all of which are represented in the thirty five chapters of this book As well as diplomatic political institutional economic and social history The Oxford Handbook of Postwar European History contains chapters which approach the past through the lenses of gender espionage art and architecture technology agriculture heritage postcolonialism memory and generational change and shows how the history of postwar Europe can be enriched by looking to disciplines such as anthropology and philosophy The Handbook covers all of Europe with a notable focus on Eastern Europe Including subjects as diverse as the meaning of Europe and European identity southern Europe after dictatorship the cultural meanings of the bomb the 1968 student uprisings immigration Americanization welfare leisure decolonization the Wars of Yugoslav Succession and coming to terms with the Nazi past the essays in this Handbook offer an unparalleled coverage of postwar European history that offers far more than the standard Cold War framework Readers will find self contained state of the art analyses of major subjects each written by an acknowledged expert as well as stimulating and novel approaches to newer topics Combining empirical rigour and adventurous conceptual analysis this Handbook offers in one substantial volume a guide to the numerous ways in which historians are now rewriting the history of postwar Europe

Unemployment in Southern Europe Nancy G. Bermeo,2014-02-04 Unemployment is one of Southern Europe s most serious political problems Though much has been written about unemployment s causes and cures systematic attention to its consequences is lacking This collection of original essays deals with the effects of unemployment on regimes parties immigrants economies and families highlighting the differences and the similarities among Southern European states and offering lessons about the profound human consequences of unemployment in general
