The Basket Woman Mary Austin, 2019-09-25 Reproduction of the original The Basket Woman by Mary Austin The basket woman Maria Edgeworth, 1822 *The Basket Woman: A Book of Indian Tales for Children* Mary Austin, 2023-10-05 In *The Basket Woman A Book of Indian Tales for Children* Mary Austin weaves a rich tapestry of indigenous folklore presenting an enchanting collection of tales that resonate with the rhythms of nature and the deep seated spirituality of Native American traditions Her prose is both lyrical and poignant reflecting a profound respect for cultural heritage and the oral storytelling tradition Within these pages Austin not only entertains children but also educates seamlessly intertwining moral lessons with vivid imagery that makes the stories accessible yet profound capturing the essence of a world where the mystical and the mundane coexist harmoniously Mary Austin an influential figure in early 20th century American literature was a passionate advocate for Native American rights and culture Her experiences living amidst various Native tribes greatly shaped her narrative style and thematic choices infusing her work with authenticity and deep empathy Austin s commitment to preserving indigenous stories stems from her belief in their significance and power making her an essential voice in the canon of American literature I highly recommend *The Basket Woman* to educators parents and young readers alike as it not only fosters a love for storytelling but also cultivates an appreciation for the rich tapestry of Native American lore This book is a treasure trove of wisdom ensuring that these timeless stories are passed down through generations The Basket Woman: A Book of Indian Tales for Children Mary Hunter Austin, 2020-09-28 The homesteader s cabin stood in a moon shaped hollow between the hills and the high mesa and the land before it stretched away golden and dusky green and was lost in a blue haze about where the river settlements began The hills had a flowing outline and melted softly into each other and higher hills behind until the range broke in a ragged crest of thin peaks white with snow A clean wide sky bent over that country and the air that moved in it was warm and sweet The homesteader s son had run out on the trail that led toward the spring with half a mind to go to it but ran back again when he saw the Basket Woman coming He was afraid of her and ashamed because he was afraid so he did not tell his mother that he had changed his mind There is the mahala coming for the wash said his mother now you will have company at the spring But Alan only held tighter to a fold of her dress This was the third time the Indian woman had come to wash for the homesteader s wife and though she was slow and quiet and had a pleasant smile Alan was still afraid of her All that he had heard of Indians before coming to this country was very frightful and he did not understand yet that it was not so Beyond a certain point of hills on clear days he could see smoke rising from the campoodie and though he knew nothing but his dreams of what went on there he would not so much as play in that direction The Basket Woman was the only Indian that he had seen She would come walking across the mesa with a great cone shaped carrier basket heaped with brushwood on her shoulders stooping under it and easing the weight by a buckskin band about her forehead Sometimes it would be a smaller basket carried in the same fashion and she would be filling it with

bulbs of wild hyacinth or taboose often she carried a bottle necked water basket to and from the spring and always wore a bowl shaped basket on her head for a hat Her long hair hung down from under it and her black eyes glittered beadily below the rim Alan had a fancy that any moment she might pick him up with a quick toss as if he had been a bit of brushwood and drop him over her shoulder into the great carrier and walk away across the mesa with him So when he saw her that morning coming down the trail from the spring he hung close by his mother s skirts
