Customer Driven Strategy Winning Through Operational Excellence:

Customer-driven Strategy Thomas F. Wallace, 1992 Customer Driven Strategy Thomas F Wallace Strategic Planning in many companies consists of annual treks to resorts for two days of planning and one day of golf These strategy retreats often produce impressive bound plans which tend to collect dust on the bookshelves of managers throughout the company The net impact on the business is obviously nil Despite this annual performance gap developing a dynamic operating strategy is essential to the survival and success of every enterprise It's also critical for companies to develop a viable strategy by creating customer driven plans focused on consistently delivering value to the customer in every aspect of a company's operation Customer Driven Strategy takes you beyond the traditional approaches to planning and strategy implementation It brings the reality of delivering value to your customers into the essential aspects of your business It helps you to create implement and manage a flexible dynamic plan that's committed to your customer Tom Wallace shows how to develop this customer driven perspective by implementing a holistic fully integrated strategic approach in the following areas Initiating a customer driven planning process Leveraging continuous improvement initiatives Developing innovative approaches in high performance work teams Creating a learning environment that fosters constant innovation Maximizing the market impact of new products Using planning and control systems to their greatest potential Sustaining new partnerships with suppliers for competitive advantage Developing accurate effective performance measures Implementing customer driven strategies for the maximum benefit of the business and your customers Packed with practical advice and guidelines Customer Driven Strategy gives you the proven tools and techniques to realize significant improvements in your company's operations today In addition you can learn how Hewlett Packard Steelcase Tellabs and other companies dramatically improved their performance through customer focused strategic planning

Corporate Performance Management David Wade, Ron Recardo, 2009-11-03. Business experts, business economists, and organizational psychologists agree that a specific business strategy must be chosen for a corporation to excel. Beyond the strategy, companies must have a performance measurement system that ties every aspect of the organization from the boardroom to the factory floor to the strategy. In their book *Corporate Performance Management*, noted authors David Wade and Ron Recardo show companies how to craft a strategic focus and create sound business strategy by using a unique and pragmatic performance measurement system. Concepts in the book are illustrated by real-world case studies. It provides tools and techniques to show how to apply the concepts within an organization. David Wade is the director of performance measurement for Aetna Inc and the author of several business-related books and articles. Ron Recardo is the founder and managing partner of The Catalyst Consulting Group L.L.C. The author of several articles and books, he is a frequent speaker at meetings of professional associations, trade groups, and senior executives.
